INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Jasper Ventures 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Jasper Ventures 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of the year ended December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jasper Ventures 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jasper Ventures 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jasper Ventures 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jasper Ventures 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Jasper Ventures 401(k) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL

Jasper Ventures, Inc. established the Jasper Ventures 401(k) Plan ("Plan") effective January 1, 2007, and restated effective January 1, 2022. The Plan is a defined contribution plan covering eligible employees of Jasper Ventures, Inc. and related entities: Veritas Gas Processing, LP; Vulcan Field Construction, LP; Vanguard Processing Solutions, LP; and Viking Dew Point Conditioning, LP; and EPC Gas Processing, Inc (a controlled group herein referred to collectively as "The Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Jasper Ventures, Inc. is the Plan Sponsor.

The Plan was amended and restated, effective January 1, 2022, to incorporate the provisions of the Setting Everything Community Up for Retirement Enhancement Act of 2019 ("SECURE Act") which became effective January 1, 2020 and optional provision adopted under the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") issued by Congress as of March 27, 2020. These provisions included temporary additional qualified distribution options and temporarily allowing eligible participants to waive their required minimum distribution. No other significant provisions were changed as a result of the restatement.

ELIGIBILITY

For purposes of participant elective deferral contributions and employer contributions, the Plan is available to employees who have completed one year of eligible service and are eighteen years or older. Participants may enter the Plan on the first day of the month coinciding with or following the date the participant satisfies the eligibility requirements.

CONTRIBUTIONS

A participant may elect to defer a percentage of their eligible compensation on a pre-tax or after-tax basis, or a combination thereof, subject to certain maximum limitations imposed by the Internal Revenue Code. Participants that reach age 50 before the close of the Plan year are eligible to make catch-up contributions. Participants may also make eligible rollover contributions. Participants direct the investments of their contributions and employer contributions into various options offered by the Plan.

For the year ended December 31, 2022, the Company contributed matching contributions of 100% of the first 4% of eligible compensation contributed by participants, which qualifies these contributions under the current safe harbor matching provisions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

The Company, at its sole discretion, has the option of providing additional matching contributions. In addition, the Company may make discretionary profit sharing contributions. The discretionary contribution for the Plan year, if any, is allocated to eligible participants on a pro rata share of their compensation compared to the total compensation of all eligible participants. For the year ended December 31, 2022, there were no discretionary matching or profit sharing contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of (1) safe harbor contributions, (2) the Company's additional matching and discretionary profit sharing contributions, and (3) plan earnings and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES RECEIVABLE FROM PARTICIPANTS

New participant loans are not allowed in the Plan. As the Plan permits rollovers and/or plan-to-plan transfers, the Plan Administrator may accept rollovers and/or plan-to-plan transfers of loans into the Plan.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

VESTING

Participants are immediately vested in their voluntary contributions, safe harbor contributions, and rollover contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based upon years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 (or less)	0%
2	20%
3	40%
4	60%
5	80%
6 (or more)	100%

Full vesting also occurs at retirement, disability, death, or plan termination.

FORFEITED ACCOUNTS

Under the provisions of the Plan, a participant who terminates employment before becoming vested in the employer's contributions forfeits these amounts. The Plan has unallocated forfeitures held as non-interest-bearing cash of \$7,881 and \$8,313 as of December 31, 2022 and 2021, respectively. Forfeitures may be used to pay administrative fees or reduce employer contributions. During the ended December 31, 2022, the Plan received \$7,490 in new forfeitures and earnings and used \$7,922 to reduce employer contributions and pay plan expenses.

PAYMENT OF BENEFITS

On termination of service due to death, disability, normal retirement age, and other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or substantially equal installments. Hardship and in-service distributions are permitted to be made only from accounts that are fully vested. Participants can elect to receive their distributions either in cash or as a direct rollover to another tax-qualified plan.

PLAN ADMINISTRATION

The management board of the Plan Sponsor appoints the Plan Administrator and Plan Trustees. The Plan Administrator is an employee of the Plan Sponsor. Certain administrative duties, such as Form 5500 preparation and compliance testing, were performed by Pension Planning Consultants, Inc. as the third-party administrator.

HARDSHIP WITHDRAWALS

Hardship withdrawals are allowed under the Plan if a participant meets certain required criteria.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual method of accounting.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

NON-INTEREST-BEARING CASH

The Plan accounts for non-interest-bearing cash separate on the statement of net assets available for benefit for funds not invested directly in pooled separate accounts or other investment offerings of the Plan. As of December 31, 2022 and 2021, non-interest-bearing cash included employer contributions made to the plan that had yet to be invested and allocated to participant accounts.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when paid. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefit payments to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net investment appreciation (depreciation) in the fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market fund: Valued at the daily closing price as quoted by the financial institution

Pooled separate accounts: The fair value of pooled separate accounts is valued at net asset value ("NAV") of shares held by the Plan at year end. Units of pooled separate accounts are valued at NAV daily using available quoted market prices as published by John Hancock Life Insurance Company on their website. The NAV serves as a practical expedient to estimate fair value. The redemption frequency and notice periods of each of these pooled separate accounts is daily, and there are no redemption restrictions on unfunded commitments.

NOTE 4 - INFORMATION CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, and interest and dividends for the year ended December 31, 2022, was obtained from data that has been prepared and certified as complete and accurate by John Hancock Life Insurance Company, the custodian.

	2022	2021
Money market fund	\$ 514,588	\$ 374,296
Pooled separate accounts	6,416,315	6,945,502
	<u>\$ 6,930,903</u>	<u>\$ 7,319,798</u>
Net depreciation in fair value of investments	<u>\$ (1,185,649)</u>	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 6 - PARTIES-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employers, participants, and certain others. Plan assets consist of cash and investments managed by John Hancock, the Custodian of the Plan, which qualify as exempt party-in-interest transactions.

NOTE 7 - TAX STATUS

The Plan has adopted a prototype plan which received a favorable tax determination letter from the IRS that qualifies under Section 401(a) of the Internal Revenue Code ("IRC") and is, therefore, not subject to tax under present income tax law. Although the Plan has been amended since receiving the determination letter, the Plan Sponsor and tax counsel believes that the Plan continues to qualify and operate in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the notes to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Effective January 1, 2023, the Plan was amended and restated to make the Plan available to employees on the first day of the calendar month coincident with or next following the date the employee attains age 18.

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.
