Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BOYER & RITTER, LLC**

(2) EIN: **23-1311005**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Glen Burnie, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Gladding Chevrolet, Inc. T/A J.B.A Chevrolet 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, as of and December 31, 2022 and 2021, and for the year ended December 31, 2022, that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Opinion (Continued)

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Item 4i, Schedule of Assets Held for Investment Purposes as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (Continued)

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 13, 2022 indicated that (a) the amounts and disclosures in the 20X1 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of Gladding Chevrolet, Inc. T/A J.B.A Chevrolet 401(k) Profit Sharing Plan and Trust (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by Gladding Chevrolet, Inc. (the Company), in which employees are eligible to make pre-tax employee contributions. The Plan covers all employees of the Company who attained age 21 and have been credited with at least six consecutive calendar months of employment. Plan entry dates are the first of the next month in which the employee attains eligibility requirements. The Plan's trustees are responsible for oversight of the Plan, determination of the appropriateness of the Plan's investments and for monitoring investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by a third-party, which uses the services of a custodian and was restated January 1, 2022, to conform to current regulatory requirement.

Contributions: Plan participants may elect to contribute ("elective deferrals") up to 100% of their pretax annual compensation not to exceed the maximum allowable by the Internal Revenue Code. Participants age fifty or older may elect to defer additional "catch-up" amounts. Participants may also contribute amounts representing distributions from other qualified plans ("rollovers"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan does not permit employee voluntary after-tax contributions.

The Company may make discretionary matching, profit sharing and qualified non-elective contributions. For the year ended December 31, 2022, the Company elected to make discretionary matching contributions to participants who elect to defer a portion of their compensation in the amount of 50% of the first 4% of compensation deferred. Participants are eligible to receive matching contributions provided they are credited with at least 1,000 service hours during the current Plan year. There were no profit sharing or non-elective contributions for the year ended December 31, 2022. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contribution (if any) and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Options: Participants may direct the investment of contributions into various investment options offered by the Plan in 1% increments. The Plan currently offers various pooled separate accounts with John Hancock Life Insurance Company U.S.A. Participants may change their allocations on a daily basis.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. For amounts attributable to the Company's matching and discretionary contributions, vesting begins at 20% upon completion of two (2) years of service and increases ratably to 100% vesting at the completion of six (6) years of service. A participant is credited with a year of service during any full year in which he or she completes 1,000 hours of service. A participant is fully vested at normal retirement age of 65, regardless of service.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have no more than two loans outstanding at any time. Loan terms may not exceed sixty months, but a longer term (up to ten years) is permitted if used for the purchase of a principal residence. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. While an employee, the loan must be repaid via payroll withholdings. Various default and curative provisions are contained within the written loan policy of the Plan.

Payment of Benefits: On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a) a lump-sum amount equal to the value of the participant's vested interest in his or her account, b) for the vested portion of an employee's account, and employment is terminated for any reason other than death, he or she may elect to be paid in a series of annual payments through the purchase of an annuity contract as directed by the plan administrator, or c) defer receiving payment until age 70½. If the vested portion of a participant's total account subject to benefit is less than \$5,000, he or she will be paid their entire benefit in a lump sum. The Plan provides for financial hardship withdrawals from a participant's elective deferral account. Participant's age 59½ and older may withdraw any portion of their elective deferral account or voluntary contribution account.

Forfeitures: If a participant terminates employment before being fully vested, the non-vested portion of the participant's account will remain in the Plan. Forfeited non-vested accounts are used to reduce future employer contributions or pay plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$626 and \$5,411, respectively. During 2022, forfeitures of \$5,411 were used to reduce employer match.

Administrative Expenses: Expenses incurred for administration of the Plan may be paid by the Plan if not paid by the Plan Sponsor. Expenses that are paid by the Company are excluded from these financial statements.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued interest. Delinquent loans are treated as distributions based upon the terms of the plan document surrounding defaulted loans.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: In preparing these financial statements, the Plan Sponsor has evaluated events and transactions for potential recognition or disclosure through October 9, 2023, the date the financial statements were available to be issued. See Note 11.

Note 3. Information Certified by the Custodian

Certain information related to investments and notes receivable from participants is disclosed on the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to information certified as complete and accurate by John Hancock Life Insurance Company U.S.A. (JHLIC), the Plan's Custodian.

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements

The Plan measures on a recurring basis its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification *Fair Value Measurement*, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that are accessible to the Plan. These generally provide the most reliable evidence and are used to measure fair value whenever available. |
| Level 2 | Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets in active markets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The inputs or methodology used for valuing investments are not an indication of the risk associated with investing in those securities.

The following is a description of the valuation methodology used for assets at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Units of participation in pooled separate accounts are reported at the accumulated value of units held by the Plan at year-end as reported to the Plan by the insurance company. The accumulated unit value is determined daily by John Hancock Life Insurance Company U.S.A. and is based on the net asset value of shares in the underlying fund, the fund's dividends and the contract's separate account charges. Pooled separate accounts are stated at fair value as determined by observable Level 1 inputs. While some pooled separate accounts may have publicly quoted pricing inputs (Level 1), the account values of pooled separate accounts are not publicly quoted and are, therefore, classified as Level 2 investments.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain investments or financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements (Continued)

The following tables set forth by level within the fair value hierarchy the Plan's assets reported at fair value as of December 31, 2022 and 2021:

Investments at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 12,706,159	\$ -	\$ 12,706,159

Investments at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 15,703,183	\$ -	\$ 15,703,183

Note 5. Investment Contract with Insurance Company

The Plan has entered into a group annuity contract with John Hancock Life Insurance Company (U.S.A.) which provides for investments in various pooled separate accounts. These accounts are credited with earnings on underlying investments and charged for participant withdrawals and certain administrative expenses. The pooled separate accounts consist of various fund investment options covering multiple asset classes.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 7. Related Party and Party-In-Interest Transactions

Certain Plan investments consist of units of pooled separate accounts managed by John Hancock Life Insurance Company U.S.A., the Custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS

Note 8. Tax Status

The Plan adopted a non-standardized pre-approved profit-sharing plan with CODA sponsored by CCH Incorporated DBA FTWILLIAM.com. The non-standardized pre-approved plan received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, as to the Plan's qualified status. The IRS has determined that the non-standardized pre-approved plan is designed in accordance with the applicable section of the Internal Revenue Code (IRC). The non-standardized pre-approved opinion letter has been relied upon by this Plan. Although the Plan has since been amended, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2022	2021
Net assets available for plan benefits per the financial statements	\$ 13,114,268	\$ 15,979,082
Excess contributions payable	-	41,807
Net assets available for plan benefits per Form 5500	<u>\$ 13,114,268</u>	<u>\$ 16,020,889</u>

Note 10. Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of benefits paid to participants per the financial statements to Form 5500:

	2022
Benefits paid to participants per the financial statements	\$ 1,181,196
Excess contributions payable prior year	41,807
Benefits paid to participants per Form 5500	<u>\$ 1,223,003</u>

Note 11. Subsequent Event

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE Act passing. Most of the provisions will become effective in 2024 and forward, therefore, there is no current impact to the Plan. Since the provisions include both required and optional elements, management is evaluating the optional provisions to elect.
