INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Jim S. Adler & Associates 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Jim S. Adler & Associates 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Jim S. Adler & Associates 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jim S. Adler & Associates 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jim S. Adler & Associates 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Administrative Committee of
the Jim S. Adler & Associates 401(k) Retirement Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jim S. Adler & Associates 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jim S. Adler & Associates 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules as described in the table of contents to the financial statements are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Administrative Committee of
the Jim S. Adler & Associates 401(k) Retirement Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A - DESCRIPTION OF PLAN

The following description of the Jim S. Adler & Associates 401(K) Retirement Plan (formerly known as Jim S. Adler & Associates 401(K) Retirement Savings Plan) and subsequently referred to as the “plan”, is provided for general information purposes only. The plan’s sponsor is Jim S. Adler & Associates. Participants should refer to the Summary Plan Description (SPD) for additional information.

General

The plan was adopted effective March 1, 1994 and has been subsequently amended to conform to Federal regulations and is a qualified defined contribution plan covering all eligible employees of Jim S. Adler & Associates (the Company) who are 21 years of age and have completed three consecutive months of employment. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Ascensus Trust Company is the record keeper, third-party administrator and custodian for the plan.

The plan invests in various investment through a contract with Ascensus Trust Company. The custodian of the plan has been designated to hold the assets of the plan for the benefit of plan participants and their beneficiaries in accordance with the terms of this plan. The trust fund established by the plan's custodian will be the funding medium used for the accumulation of assets from which plan benefits will be distributed.

Contributions

In order to allow participants the opportunity to increase their retirement income, each participant may, in accordance with nondiscriminatory procedures established by the administrator, elect to make voluntary contributions of up to 20% of their pre-tax earnings to the plan. Such contributions must generally be paid to the custodian within a reasonable period of time after being received by the employer.

The Company will make safe harbor contributions based upon a basic matching contribution formula. The Company will make an ADP safe harbor matching contribution of 100% on participants deferrals up to 3% of their compensation. In addition, the company will make an ADP safe harbor matching contribution of 50% on participants deferrals that are greater than 3%, but less than or equal to 5% of their compensation. In 2022, the Company made a safe harbor matching contribution of \$635,903.

Corrective distributions may be required in the event that employee contributions exceed contribution limitations of the plan. Such amounts, if incurred, are recorded as a liability in the year in which they are initially contributed to the plan. In addition, they are netted against contributions received in the statement of changes in net assets available for benefits. There were no corrective distributions recorded for 2022.

A - DESCRIPTION OF PLAN (Continued)

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. A terminated participant may receive a distribution of their contributions at any point.

A participant may receive a hardship distribution of their salary reduction contributions if the distribution is (1) on account of medical expenses incurred by the participant, their spouse or dependents, (2) to purchase (excluding mortgage payments) a principal residence of the participant, (3) for the payment of tuition, related educational fees and room and board for the next twelve months of post-secondary education for the participant, their spouse, children or dependents, (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence, (5) payments for burial or funeral expenses of your deceased parent, spouse, children or other dependents, (6) expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under the Internal Revenue Code or (7) and expenses and losses (including loss of income) that a participant incurred as a result of a disaster declared by the Federal Emergency Management Agency because their principal residence or principal place of employment was located in the area at the time of the disaster.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of the participant's accounts (excluding safe harbor matches which vest immediately) plus actual earnings thereon is based on years of service. Participants become 20% vested after two years and increase 20% per year until they are fully vested after six years of service. A participant will be fully vested in all of their accounts under the plan (including those accounts attributable to the adopting employer's contributions) upon reaching the plan's normal retirement age (age 65), their disability or death as well as termination of the plan.

Forfeitures

There were no forfeitures in the current year. There were no unallocated forfeitures as of December 31, 2022.

Investment options

The plan allows each participant to direct investments of the balance of their participant accounts within the investment options designated by the plan administrator account. Participants may elect to change their investments at any time.

A - DESCRIPTION OF PLAN (Continued)

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the plan to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Because the plan is a defined contribution plan, it is not covered by Pension Benefit Guaranty Coverage insurance.

Notes receivable from participants

Participant loans are permitted under the plan. A participant can borrow the lesser of fifty percent of their vested account balance or \$50,000. The initial loan must be at least \$1,000. All loans are considered a self-directed investment of the participant's account and all payments of principal and interest will be credited to their account. A participant may have two (2) loan outstanding at any given time. Loan terms may not exceed five years except in the case of a loan for a primary residence which may not be longer than ten years. The participant's loan is collateralized by the balance in the participant's account and bears interest at Wall Street Journal plus two percent. Principal and interest are paid ratably through payroll deductions each pay period.

Participant rollovers

Participants are allowed to transfer or rollover funds into the plan from other qualified plans.

Administrative expenses

Any fees related to the administration of the plan or associated with the investment of plan assets may be paid by the plan or by the plan sponsor.

B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summary of the plan's significant accounting policies is presented to assist in understanding the financial statements. The financial statements and notes are representations of the plan's management, who is responsible for their integrity and objectivity.

Basis of presentation and use of estimates

The plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The accrual basis of accounting requires the use of estimates and assumptions that affect the assets, liabilities, revenues and expenses reported in the financial statements, as well as amounts included in the notes thereto, including discussion and disclosure of contingent liabilities. Although the plan uses its best estimates and judgments, actual results could differ from these estimates as future confirming events occur.

NOTES TO FINANCIAL STATEMENTS (Continued)

B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment valuation and income recognition

Mutual funds are reported at fair value based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the plan's realized gains and losses on investments bought and sold as well as unrealized gains and losses on investments held during the year. Income from common/collective trusts is recorded when received.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is accrued when earned. Related fees are charged directly to the borrowing participant's account when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Contributions

Contributions from employees are recorded in the period in which they are deducted from participant earnings. Company contributions may be recorded when received or accrued.

Plan expenses and payments of benefits

Plan expenses and the payment of benefits are recorded when paid by the plan.

Fair value measurements

The framework for measuring fair value is a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted price in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1

Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2

Fair values are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly.

Level 3

Fair values are based on at least one significant unobservable input for the asset.

Fair value measurements (Continued)

The methods and significant assumptions used to estimate fair values of financial instruments are as follows.

<u>Asset type</u>	<u>Proposed Level</u>	<u>Rationale</u>
Mutual funds	Level 1	Fair values are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly.
Common collective/trusts	Level 2	Fair values are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly.

Following is a summary of plan assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

INPUT LEVELS BY INVESTMENT CATEGORY

<u>Investment Category</u>	<u>Year ended December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common collective/trusts	\$ -	\$ 2,444,472	\$ -	\$ 2,444,472

Total	<u>\$ 16,344,043</u>	<u>\$ 2,241,806</u>	<u>\$ -</u>	<u>\$ 18,585,849</u>

For the year ended December 31, 2022, the plan had net realized/unrealized gain (loss) of (\$3,565,706). The carrying value of contributions receivable and notes receivable from participants approximate their fair values at December 31, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS (Continued)

C - OTHER INVESTMENTS

Common/collective trusts

Common/collective trusts (CCTs) as defined, are pooled investment vehicles sponsored and maintained by a bank or trust company. Ascensus Trust Company maintains the plan's investment activities. The plan's investment in a CCTs is not considered part of an insurance company's assets like pooled separate accounts and is therefore not subject to insurance regulations. Common collective trusts are reported at fair value based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly.

D - TAX STATUS

Jim S. Adler & Associates 401(K) Retirement Plan document is based upon a volume submitter plan instrument from Ascensus, Inc. which received an IRS advisory letter dated June 30, 2020. The volume submitter plan instrument has been updated for legislative and regulatory changes. Management Committee of Ascensus, Inc. and plan administrator believe that the plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for state or federal income taxes has been included in the plan's financial statements.

E - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2022 and 2021. Accordingly, Ascensus Trust Company, the Custodian of the plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

Changes in net assets available for benefits per the accompanying financial statements	\$ (3,151,124)
Difference to reconcile	<u>-</u>
Changes in net assets available for benefits per Form 5500	<u>\$ (3,151,124)</u>

G - CONCENTRATIONS OF RISK

The following is a summary of financial instruments subject to credit risk at year end.

Investment securities

The plan's investments are not insured by agencies of the United States government. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits. The maximum amount of loss due to credit risk that the plan would incur if parties to the financial instruments failed to perform according to the terms of the contracts and the collateral, in any proved to be of no value, would approximate the balances that appear on the Statement of Net Assets Available for Benefits.

Notes receivable from participants

As discussed in Note A above, if a participant does not make loan payments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Jim S. Adler & Associates
401(K) Retirement Plan
NOTES TO FINANCIAL STATEMENTS (Continued)

G - CONCENTRATIONS OF RISK (Continued)

General business economy

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

H - PARTY IN INTEREST TRANSACTIONS

A related party is any party who can control or significantly influence plan management or operating policies. Parties-in-interest are defined under DOL Regulations as any employees of the plan, fiduciaries of the plan, service providers to the plan, the employer whose employees are covered by the plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third party administrator (the TPA), investment managers, investment advisors, legal counsel, and plan auditor.

The plan sponsor pays directly any other fees related to the operation of the plan. Fees incurred by the plan for the investment management services are included in the net appreciation in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

During 2022, the plan made direct payments of \$22,115 to certain parties-in-interest for administration and investment advisory fees, as allowed by ERISA.

I – SUBSEQUENT EVENTS AND DATE OF MANAGEMENT'S REVIEW

The plan's management has evaluated subsequent events through the date of the independent auditors' report, which is the date the financial statements were available to be issued.
