The Trustees
Education Credit Union 401(k) Plan
Amarillo, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Education Credit Union 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Education Credit Union 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Education Credit Union 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Education Credit Union 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Education Credit Union 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Education Credit Union 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Education Credit Union 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. Description of Plan

The following description of the Education Credit Union (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

Although not formally amended, the Plan sponsor applied requirements for the Setting Every Community up for Retirement Enhancement (SECURE) Act of 2020 and the Coronavirus Aid, Relief, and Economic Security (CARES) Act at the respective effective dates.

In May 2022, the Plan was restated to meet the requirements of IRS Notice 2017-37. In addition, there were amendments made to expand hardship distributions and adopt a loan policy. These changes were made effective as of January 1, 2022.

General

The Plan is a profit sharing and salary deferral (401(k)) defined contribution plan covering all employees of the Company who are age 18 or older who have completed one year of service, except members of a collective bargaining unit and nonresident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan operations

The Company is the sponsor of the Plan and has appointed Melissa Durling to serve as the Plan administrator. Marcus Smith (who replaced Eric Jenkins in November 2022), Claudia Burkett, and Melissa Durling are the appointed trustees of the Plan through the years ended December 31, 2022 and 2021. The Trustees are responsible for holding the assets of the Plan, executing investment transactions and making disbursements.

Contributions

The Company, at its sole discretion, may contribute to the Plan each year an amount which it deems advisable. Participants may contribute up to 100% of their annual compensation subject to certain limitations of the Internal Revenue Code. For the years ended December 31, 2022 and 2021, the Company elected to make a safe-harbor contribution equal to 100% of the first 3% of employee compensation and a discretionary contribution equal to 100% of the next 7% of employee compensation.

Participant accounts

Each participant’s account is credited with the participant’s contributions and an allocation of (1) the Company’s contributions, and (2) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company’s discretionary contribution portion of participant accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 20% vested after two years of service increasing 20% per year until 100% vested after six years of credited service.

Investment options

All investments are self-directed. A participant may direct contributions to any of the mutual funds, guaranteed interest accounts, or the money market fund offered within the Plan. The investment options that held participant balances during 2022 and 2021 are listed in Note 3.

Education Credit Union 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. Description of Plan, continued

Payment of benefits

Upon termination of service, a participant may elect to begin distributions from his or her account in amounts less than or equal to the vested value. The participant is not required to immediately withdraw or rollover his or her vested value upon termination. Hardship distributions and in-service distributions are permitted, when certain criteria are met.

Forfeitures

Forfeitures of the non-vested balance of participants' accounts may reduce administrative expenses or employer contributions to the Plan. The amount of forfeitures totaled \$45,157 and \$22,921 for the years ended December 31, 2022 and 2021, respectively.

Participant loans

Participants may borrow from their fund accounts. The loans are secured by the balance in the related participant's account and bear interest at 1% over the prime interest rate (8.50% as of December 31, 2022). Principal and interest are paid ratably through payroll deductions.

SECURE 2.0 Act

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective January 1, 2023. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

2. Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at their quoted market prices. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

Participant loans

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment.

Administrative expenses

Most administrative expenses of the Plan are paid by the Plan's trust fund. However, the Company may pay such expenses at the Company's discretion.

Notes to Financial Statements

December 31, 2022 and 2021

4. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

5. Tax status

The Plan is covered by a Volume Submitter Prototype Document which received a letter from the Internal Revenue Service dated September 30, 2014, in which it stated that the Plan, as then designed, was in compliance with the applicable requirement of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

6. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Transactions with parties in interest

Certain Plan investments are shares of mutual funds managed by the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan for investment management services were netted against investment returns. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party in interest transactions.

8. Fair value measurements

Cash and cash equivalents and receivables

The carrying amount approximates fair value because of their short maturities or due dates.

Investments

The fair value of investments are based on quoted market prices for those of similar investments.

The framework for measuring fair value produces a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Education Credit Union 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

8. Fair value measurements, continued

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities;
- Quoted inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2022				
	Level 1	Level 2	Level 3	Total
Investments:				
Cash	\$ 101,900	\$ -	\$ -	\$ 101,900

8. Fair value measurements, continued

The following description reconciles the beginning and ending balances of the level 3 investment:

	Guaranteed interest accounts	
	2022	2021
Beginning contract balance	\$ 18,021	\$ 20,260
Transfers in:		
Interest income	18	20
Other credits	27	29
Transfers out:		
Administrative expenses	(73)	(79)
Participant loans	-	(2,209)
Ending contract balance	17,993	18,021

This contract meets the fully benefit-responsive GIC criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive insurance contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by John Hancock, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There have been no changes in the fair value methodologies used at December 31, 2022 and 2021.

9. Subsequent events

Subsequent events were evaluated through October 9, 2023, the date these financial statements were available to be issued.

Effective January 1, 2023, the Plan's sponsor and another entity merged. To allow the employees of the other entity to join the Plan immediately, the eligibility requirements were waived for the employees that were previously employed at the other entity.
