INDEPENDENT AUDITORS' REPORT

The Plan Administrator of the
Holt Logistics Corp. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Holt Logistics Corp. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Holt Logistics Corp. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Holt Logistics Corp. 401(k) Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Holt Logistics Corp. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Holt Logistics 401(k) Corp. Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance

with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOLT LOGISTICS CORP. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – GENERAL DESCRIPTION OF PLAN

The following description of the Holt Logistics Corp. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of Holt Logistics Corp. and related entities (the “Company” or “Employer”) who are not: covered under a collective bargaining agreement unless the collective bargaining agreement required the employee to be included; certain nonresident aliens who have no earned income from sources within the United States; or leased employees. Employees are eligible to participate in the Plan provided they are at least 21 years old with six months of service and have worked at least 1,000 hours. The Plan offers four quarterly enrollment dates each January 1, April 1, July 1, and October 1.

The Plan is administered by the Holt Logistics Corp. Benefits Committee (the “Committee”). The Committee has overall responsibility for the operation and administration of the Plan. The Committee determined the appropriateness of the Plan’s investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (“CARES”) Act was signed into law. Plans were permitted to adopt these provisions immediately provided that the Plan document is retroactively amended on or before December 31, 2025. On May 26, 2022, the Plan formally adopted CARES Act provisions as follows:

- On or after April 15, 2020 and before December 31, 2020, any qualified participant, as defined in the CARES Act, was permitted to request a distribution from their vested account in the Plan, up to a maximum of \$100,000. Active participants who receive a coronavirus-related distribution from the Plan may repay all or any portion of the distribution to the Plan within the three-year period beginning on the date after the distribution.
- Optional waivers of Required Minimum Distributions that would otherwise have been payable during 2020.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – GENERAL DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS

Each year participants may contribute up to the maximum amount allowed by the Internal Revenue Code (“IRC”) of pre-tax annual compensation, or post-tax contributions to the Plan’s Roth investment option, as defined in the Plan document. For 2022, participant contributions were subject to an annual limitation of \$20,500. Additionally, participants age fifty or over at the end of the Plan year were allowed to contribute an additional \$6,500 (“Catch-up Contributions”). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“Rollovers”).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% (with a 1% automatic increase annually up to a maximum of 8%) of eligible compensation and their contributions invested in designated target date fund until changed by the participant.

As of January 1, 2022, the Company elected to adopt safe harbor provisions whereby the Company will match 100% of the first 4% of a participant’s compensation contributed to the Plan. The Company can also contribute additional flexible discretionary matching contributions but has not elected to do so during the year ended December 31, 2022.

Upon enrollment in the Plan, a participant may direct their contributions in a variety of investment options offered by the Plan. Participants may change their investment options daily.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contributions, rollover contributions (if any), the employer’s matching contributions, and Plan earnings (losses). Participant accounts are reduced by any withdrawals or distributions and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – GENERAL DESCRIPTION OF PLAN (CONTINUED)

VESTING

Participants immediately vest 100% in their contributions and the Company's safe harbor matching contributions plus actual earnings thereon. The Company's discretionary matching contribution and discretionary annual contribution, made prior to January 1, 2022 is based on years of service. Vesting occurs over a five-year period after the initial eligibility date at a rate of 20% per year.

The Plan provides for 100% vesting of Company contributions and earnings thereon upon death, disability or attainment of normal retirement age of 65.

PAYMENT OF BENEFITS

Upon termination of service due to disability or retirement, a participant, or in the event of a participant's death, a beneficiary, receives benefits in a lump sum. For termination of service due to other reasons, financial hardship, or upon the attainment of age 59½, a participant may withdraw all or any portion of their vested interest in his or her account in the form of a lump-sum distribution.

In the event of financial hardship, a participant may elect to withdraw all or a portion of their account balance to satisfy their financial need.

FORFEITED ACCOUNTS

As of December 2022 and 2021, forfeited non-vested account balances were \$20,942 and \$4,333, respectively. These accounts can be used to pay plan expenses or reduce future employer contributions. During 2022, forfeitures of \$26,428 were used to pay for plan expenses and no forfeitures used to reduce any employer contributions.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants of the Plan may request loans not to exceed 50% of the value of the participant's vested account at the time the loan is granted. In no event shall the amount of such loans exceed \$50,000 individually. Participants may not have more than one loan outstanding at any time. The loans are secured by the balance in the participant's account. Loans are repayable over a maximum period of five years unless the loan is used for the purchase of a principal residence, in which case a maximum 30-year repayment plan is permitted. Loans bear interest on the unpaid principal at 1% over the prime interest rate and is determined at the time the loan is granted. Principal and interest is ratably paid through payroll deductions.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – GENERAL DESCRIPTION OF PLAN (CONTINUED)

PLAN TERMINATION

Although it has not expressed interest to do so, the Company has the right to discontinue its contributions and to terminate the Plan under provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer discretionary contributions.

INVESTMENT OPTIONS

Plan participants can elect to invest their funds in a variety of mutual funds and a common/collective trust. The investment options allow participants to choose the level of acceptable risks and desired return based on the characteristics and objectives of each fund, as more fully described in the respective prospectus. A participant may change his or her contribution elections or transfer among the funds at any time during the Plan year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes in the net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan’s valuation policies utilizing information provided by Newport Trust Company (“Newport”), the Trustee of the Plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis, dividend income is recorded on the ex-dividend date; interest income is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowances for credit losses have been recorded as of December 31, 2022 and 2021. Delinquent notes receivable from participants are recorded as a distribution based upon terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

The Plan's administrative expenses, which are paid by the Plan, are allocated to the participants. Certain administrative expenses incurred by the Plan are paid by the Company, and not included in these financial statements. Investment-related expenses are included in net depreciation in fair value of investments. Fees related to benefit payments and the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. As of December 31, 2022 and 2021, the refundable excess contribution liability amounted to \$0 and \$43,727, respectively.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividend income and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport. This information has not been audited by the Plan's independent auditors.

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 5 – TAX STATUS

The prototype plan sponsor has obtained an opinion letter dated November 30, 2020, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The plan administrator timely adopted the restated prototype plan. The plan administrator believes that the plan is currently being operated in accordance with the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RISKS AND UNCERTAINTIES

Investment securities, in general, are exposed to various risks, such as interest rate, market, and credit risk. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

For the year ended December 31, 2022, the Plan made direct payments of \$65,274 to the Trustee of the Plan, and its affiliate, for certain administrative services, and \$93,372 to UBS Financial Services, for certain investment advisory services for the Plan. The Plan allows participants to take loans from their individual participant accounts. These loan transactions, and the aforementioned payments to Newport and its affiliate and UBS Financial Services, qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8 – DIFFERENCES FROM FORM 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan net assets are in agreement.

NOTE 9 – SUBSEQUENT EVENTS

Subsequent events have been evaluated by the Plan management for potential recognition or disclosure through October 11, 2023, the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

Effective November 1, 2023, the Plan administrator has approved a transfer all of the Plan's assets from Newport to Fidelity Management Trust Company ("Fidelity"). Concurrent with the transfer of Plan assets, the Plan also changed its trustee from Newport to Fidelity.
