## **INDEPENDENT AUDITOR'S REPORT**

To the Administrative Committee and participants of the  
DispatchHealth 401(k) Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the DispatchHealth 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to

or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

December 31, 2022 and 2021

---

### 1. Description of Plan

The following description of the DispatchHealth 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more detailed description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all eligible employees of True North Health Navigation LLC (the Plan Sponsor), as defined in the Plan document. The following employees are excluded from participating in the Plan: employees covered under a collective bargaining agreement and non-resident aliens. All employees are eligible for participation after they have completed two consecutive months of service, 240 hours and 21 years of age and are able to enter the Plan on the first day of the month after the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On December 9, 2021, the Company purchased substantially all the assets of Berger and Burrow Enterprises, Inc. d/b/a Dynamic Mobile Imaging (DMI), a medical services mobile imaging provider. The existing defined contribution plan under Berger and Burrow Enterprises, Inc. was terminated and DMI was added to the DispatchHealth 401(k) Retirement Plan (the Plan) as a participating employer. Effective January 1, 2022, eligible employees of DMI were provided with the option to rollover monies from the Berger and Burrow Enterprises, Inc. d/b/a Dynamic Mobile Imaging 401(k) Plan into the Plan and allowed for immediate eligibility. Participant balances transferred into the Plan are included in Rollovers in the statement of changes in net assets available for benefits.

The Plan was amended with modifications effective January 1, 2023. The summary of material modifications are as follows:

The Plan was modified to remove the two consecutive months and 240-hour service requirement for pre-tax, Roth, and Plan Sponsor discretionary contributions. The Plan was modified to automatically enroll newly eligible participants in pre-tax elective deferrals at 3% of their eligible compensation, unless otherwise elected. Additionally, Plan Sponsor matching contributions were modified to be made to clinical employees annually rather than on each pay period.

#### Contributions

Participants may elect to make pre-tax and/or Roth contributions up to 100% of eligible compensation for those employees who have satisfied the eligibility requirements defined above, not to exceed a maximum of \$20,500 in 2022, plus up to an additional \$6,500 for participants who have reached at least 50 years of age during the Plan year. Participants can also contribute

## **Notes to Financial Statements**

amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan Sponsor makes discretionary matching contributions of up to 3% of a participant's eligible compensation as defined in the Plan document. In 2022, the Plan Sponsor made \$1,157,656 of discretionary matching contributions. The participant is eligible to receive discretionary matching contributions in 2022 if they worked 500 hours or more and was employed with the Company on the last day of the Plan year. The Plan Sponsor may also make additional discretionary profit sharing contributions for those eligible employees who are employed by the Plan Sponsor on the last day of the Plan year. There were no discretionary profit sharing contributions made in 2022.

### **Participant Accounts**

Each participant's account is credited with the participant's contributions, rollovers, the Plan Sponsor's contributions, earnings and losses on the investments in their account, and is charged with administrative expenses and transaction fees for services received by individual participants. A participant may direct contributions to any of the investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are vested immediately in their contributions and the Plan Sponsor's discretionary matching and profit sharing contributions plus actual earnings and losses thereon.

### **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account. A participant may have one note outstanding at any time. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest. As of December 31, 2022, notes had fixed rates ranging from 4.25% to 8.50% for the term of the note, not to exceed 5 years. Principal and interest are paid through payroll deductions.

### **Payment of Benefits**

At the time of death, disability, termination of employment, or retirement, a participant or their beneficiary may elect to receive a payment of the vested interest in their account in a lump sum distribution or installment payments. Participants are eligible to receive hardship withdrawals when certain conditions are met. After attaining the age of 59½, participants may also be eligible to make a withdrawal of all or any part of their vested account.

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

---

### **Forfeited Accounts**

Forfeited non-vested account balances totaled \$141,932 and \$96,144 as of December 31, 2022 and 2021, respectively. These balances are a result of amounts paid for the discretionary matching contributions funded throughout the year for participants who did not meet the minimum eligibility requirements for either 500 hours or being employed on the last day of the Plan year. These accounts may be used to pay Plan administrative expenses or reduce future Company discretionary matching contributions. During 2022, \$93,561 was used to reduce Company discretionary matching contributions. No forfeitures were used to pay Plan administrative expenses in 2022.

### **Administrative Expenses**

Administrative expenses paid by participants include distribution fees, loan fees and other transaction fees as well as certain recordkeeping fees. Fees incurred by the Plan for investment management services are included in net decrease in fair value of investments as they are paid through revenue sharing, rather than a direct payment. These expenses are paid to service providers of the Plan and, therefore, qualify as party-in-interest transactions. The Plan Sponsor pays for administrative expenses not paid by the Plan which included the Plan's audit fee and certain advisory expenses. The Plan Sponsor does not expect reimbursement from the Plan for payment of these administrative expenses.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### **Contributions**

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The Plan Sponsor discretionary matching contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan and approved by the Plan Sponsor. The Plan Sponsor discretionary profit sharing contributions are payable to the Plan once approved by the Plan Sponsor. Any unfunded participant or Plan Sponsor contributions are included in the participant or Plan Sponsor

contributions receivable on the statements of net assets available for benefits as of December 31, 2022 and 2021.

### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability and a reduction to contributions in the year the original contribution was made. The Plan distributed the required excess contributions to the applicable participants in accordance with IRS regulations.

### **Valuation of Investments and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net decrease in fair value of investments includes interest, dividends, and realized and unrealized gains and losses on those investments. Interest income is recorded when received.

### **Notes Receivable from Participants**

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make notes receivable repayments and the plan administrator deems the participant notes receivable to be in default, the participant notes receivable balance is reduced and a benefit payment is recorded. Notes receivable from participants also qualify as party-in-interest transactions.

### **Payment of Benefits**

Benefits are recorded when paid.

### **Subsequent Events**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 4, 2023, which is the date the financial statements were available to be issued.

### 4. Investments

Plan investments include shares of mutual funds and a money market fund managed by Vanguard, Inc. Vanguard, Inc. is a service provider of the Plan; therefore, transactions in these investments qualify as party-in-interest transactions.

Investments are exposed to various risks such as interest rate, currency, market, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cybersecurity attacks, etc. It is at least reasonably possible that changes in their fair value will occur in the near term and that such changes could materially affect participants' account balances.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Investments in mutual funds and the money market fund are stated at quoted market prices for the identical security in an active market (Level 1).

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

### Income Tax Status

The Plan operates under a non-standardized plan created by Ascensus LLC. The Internal Revenue Service has determined and informed Ascensus LLC by a letter dated June 30, 2020, that the volume submitter plan is designed in accordance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has not received an individual determination letter and has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and could change upon examination.
