INDEPENDENT AUDITOR'S REPORT

Board of Trustees
ITR America, LLC Profit Sharing 401(k) Plan
Hobart, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of ITR America, LLC Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended December 31, 2022 and 2021, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the financial statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplement schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ITR AMERICA, LLC PROFIT SHARING 401(k) PLAN
Year Ended December 31, 2022 and 2021

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of ITR America, LLC Profit Sharing 401(k) Plan (the "Plan") is provided for general information only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to all full-time employees of ITR America (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Members of a collective bargaining unit where retirement benefits were the subject of good faith bargaining and non-resident aliens with no U.S. source income are ineligible to participate in the Plan.

Contributions

Participants may elect to contribute up to the maximum allowable by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of a Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Company contributes safe harbor matching contributions equal to 100 percent of participant salary deferrals up to 3 percent of eligible compensation plus 50 percent of the next 2 percent of participant salary deferrals. The Company may elect to contribute an additional discretionary amount to each participant's account. No such discretionary contributions were made in 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company's matching contributions, allocations of the Company's discretionary contributions and Plan earnings or losses and is charged with an allocation of administrative expenses. Allocations are based on participants' annual compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and Company safe harbor matching contributions plus actual earnings or losses thereon. Participants' interest in the Company's discretionary contributions and allocated earnings or losses thereon are vested as follows:

<u>Years of Service</u>	<u>Interest Vested</u>
Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six or more years	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50 percent of their vested account balance. Note terms range from 1 to 5 years or possibly longer if borrowed for the purchase of a primary residence, which is determined at the time of the loan. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus two percent at inception of the loan. The interest rates on participant loans range from 4.25 to 9.00 percent and 4.25 to 7.50 percent for the years ended December 31, 2022 and 2021, respectively. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Benefits are generally payable on termination, retirement, death, or disability. Benefits may be paid by (a) lump-sum, (b) purchase of a joint and survivor annuity or (c) by any other method requested by the participant and approved by the Company's Board of Directors.

Participants may receive distributions from the Plan prior to their termination of employment under certain conditions. After attaining age 59 ½, participants may elect to receive a pre-retirement distribution for all or a portion of their vested balance. In addition, hardship distributions are also available from elective deferral accounts, subject to regulatory requirements.

Forfeited Accounts

Forfeitures, which generally result from participants withdrawing from the Plan prior to vesting in Company discretionary contributions and earnings or losses thereon, may first be used to pay administrative expenses of the Plan and then to reduce future employer contributions.

There were \$7,997 and \$0 related to forfeited nonvested accounts as of December 31, 2022 and 2021, respectively. Employer contributions were reduced by \$4,344 and \$0 during 2022 and 2021, respectively.

Note 2. Summary of Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

ITR AMERICA, LLC PROFIT SHARING 401(k) PLAN
Year Ended December 31, 2022 and 2021

NOTES TO FINANCIAL STATEMENTS

Note 2. Continued

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the Plan's fixed annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Defaulted notes receivable from participants are recorded as deemed distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the Plan. All remaining expenses are paid by the Company. The total administrative expenses charged to the Plan was \$47,030 and \$48,591 during 2022 and 2021, respectively.

Note 3. Information Certified and Provided by Empower and Annuity Insurance Company and Empower Trust Company, LLC (collectively, "Empower" or the "Custodians")

Information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Custodians of the Plan. The contract value of the fixed annuity contract was also certified by the Custodians.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification Topic 820 are described as follows:

ITR AMERICA, LLC PROFIT SHARING 401(k) PLAN
Year Ended December 31, 2022 and 2021

NOTES TO FINANCIAL STATEMENTS

Note 4. Continued

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2022:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,100,037	\$ -	\$ -	\$ 11,100,037
Total investments at fair value	\$ 11,100,037	\$ -	\$ -	\$ 11,100,037

ITR AMERICA, LLC PROFIT SHARING 401(k) PLAN
Year Ended December 31, 2022 and 2021

NOTES TO FINANCIAL STATEMENTS

Note 5. Group Annuity Contract with Empower

The Plan maintains a traditional fully benefit-responsive guaranteed investment contract with Empower totaling \$1,515,633 and \$1,214,092 as of December 31, 2022 and 2021, respectively. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or depletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation and (4) a material amendment to the agreement without the consent of the issuer.

Note 6. Related Party and Party-In-Interest Transactions

Certain Plan investments are managed by Empower. Empower is the custodian of the Plan and, therefore, administrative fees paid to Empower for such services qualify as party-in-interest transactions. These fees paid by the Plan totaled \$47,030 and \$48,591 for the year ended December 31, 2022 and 2021, respectively.

ITR AMERICA, LLC PROFIT SHARING 401(k) PLAN
Year Ended December 31, 2022 and 2021

NOTES TO FINANCIAL STATEMENTS

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the accounts of all participants would become fully vested and the assets of the Plan, after payment of expenses, would be distributed to the participants.

Note 8. Income Tax Status

The IRS issued an opinion letter on the prototype plan document dated March 31, 2014, indicating the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("Code"). Although the Plan has been amended from the original prototype document, the Plan administrator believes that the Plan is currently being operated in accordance with the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Subsequent Events

The Plan has evaluated subsequent events through October 12, 2023, the date these financial statements were available to be issued. No subsequent events have occurred that require recognition or disclosure, other than the matters described above.
