Independent Auditor's Report

To the Administrative Committee
Planned Property Management In 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Planned Property Management In 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Planned Property Management In 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Planned Property Management In 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Property Management In 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Planned Property Management In 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Property Management In 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description provides only general information on the provisions of the of Planned Property Management In 401(k) Profit Sharing Plan and Trust (the "Plan"), Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan established by Planned Property Management, Inc. (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan was restated effective May 20, 2022 in order to comply with required legislative updates. There were no significant changes to the plan provisions as a result of the restatement.

ELIGIBILITY AND PARTICIPATION

All Company employees, except for employees covered by the terms of a collective bargaining agreement (unless the collective bargaining agreement specifies that the employees must be covered by the Plan), employees who are nonresident aliens and receive no earned income from the Company within the United States, and employees who became employees due to an asset or stock acquisition, merger, or similar transaction involving a change in the employer of a trade of business, are eligible to participate in the Plan as follows:

With respect to a participant's voluntary contributions for the Plan year, employees are eligible to participate immediately following attainment of age 21 and 90 days of service.

CONTRIBUTIONS

Each year, participants may contribute up to 92 percent of pretax annual compensation, through Pre-tax or Roth deferrals as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions to the Plan are not compulsory; if a Participant fails to follow election procedures the Participant is not enrolled in the Plan as a contributing Participant. Participants may elect to contribute a percentage or a flat dollar amount of their eligible compensation subject to certain overall limitations. At the discretion of the Company, employees employed on the last day of the Plan year may receive a pro rata allocation of Employer Profit Sharing Contributions.

PARTICIPANT ACCOUNTS

Individual accounts are maintained for each participant to reflect the participant's contributions, as well as the investment income and any administrative expenses. Any required allocations are based on the proportion that each participant's account balance has to the total of all participants' account balances or compensation during the Plan year.

VESTING

Participants are fully vested in their pre-tax and Roth contributions, rollover and transfer contributions, safe harbor basic matching contributions, safe harbor non-elective contributions and qualified nonelective contributions. Employer profit sharing contributions are vested 20% after year two, 40% after year three, 60% after year four, 80% after year five and are fully vested after six years of employment.

PAYMENT OF BENEFITS

Participants can withdraw their individual account if employment is terminated before the normal retirement age, the employee becomes disabled, or the employee reaches normal retirement age, 65 years old, but continues to work. In addition, employees can request a distribution of their elective deferrals, qualified non-elective contributions and safe harbor contributions from the Plan if they are still working and reach the age of 59 ½. Unless one of the situations listed in the plan document exists, a participant cannot withdraw their individual account attributable to Employer profit sharing, rollover contributions, or transfer contributions unless the participant is over age 59 ½ and 100% vested. Benefits are recorded when paid. During the period ended December 31, 2022, there were no participants who elected to withdraw from the Plan but were not yet paid at December 31, 2022.

NOTES RECEIVABLE FROM PARTICIPANTS

A participant may borrow the lesser of $50,000 or 50% of his or her vested account balance. Loans shall be required to provide for level amortization with payments to be made not less frequently than quarterly, over a period not to exceed five years. The total participant loan balance outstanding as of December 31, 2022 and 2021 was $2,488 and $4,872, respectively. The interest rate is determined by the Plan Administrator based on prevailing market conditions and is fixed over the life of the loan. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

ADMINISTRATIVE EXPENSES

Certain expenses incurred in the administration of the Plan are paid directly by the Company and are excluded from these financial statements.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments were stated at fair value based on quoted market prices of the underlying investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

NOTE 3 - FAIR VALUE MEASUREMENTS

FASB guidance on fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. All assets held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Money Market Funds: Valued at the closing price reported by the fund sponsor from an actively traded exchange. These are included in Cash and cash equivalents as Level 1 in the Fair Value Hierarchy below.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 2,084	$ -	$ -	$ 2,084
Registered Investment Companies	188,512	-	-	188,512
Total Investments	$ 190,596	$ -	$ -	$ 190,596

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 7,594	$ -	$ -	$ 7,594
Registered Investment Companies	155,507	-	-	155,507
Total Investments	$ 163,101	$ -	$ -	$ 163,101

NOTE 4 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Management has elected the method of compliance permitted by ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by the Mid-Atlantic Trust Company and was not subject to any auditing procedures performed by the independent public accountants:

a. Total investments as shown in the accompanying Statements of Net Assets Available for Benefits of $190,596 as of December 31, 2022 and $163,101 as of December 31, 2021.

b. Net investment earnings of $4,793, and net depreciation in fair value of investments of $32,861 as shown in the accompanying Statement of Changes in Net Assets Available for Benefits for the period ended December 31, 2022.

c. All investment-related information in the accompanying supplemental Schedule H, Line 4i — Schedule of Assets (Held at End of Year) as of December 31, 2022.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Mid Atlantic Trust Company which is the Trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - TAX STATUS

The Company has adopted an approved prototype plan, selecting only options permitted under the terms of the approved plan. The prototype plan was determined to be acceptable under section 401 of the IRC by an Internal Revenue Service letter dated August 31, 2020. While the Plan has not applied for a separate determination letter, and the plan has been amended since adopting the approved prototype plan, the Plan Administrator believed that the Plan is currently designed and being operated in compliance with the applicable sections of the IRC.

The Plan has adopted recently issued accounting principles related to uncertain tax positions and has evaluated its tax positions taken for all open tax years.

Based on evaluation of the Plan's tax positions, the Plan Administrator believes all positions taken would be upheld under an examination. Therefore, no provision for the effects of uncertain tax positions has been recorded for the period ended December 31, 2022.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the Statement of Net Assets Available for Benefits.

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated events subsequent to December 31, 2022, for possible adjustment or disclosure to the accompanying financial statements. This evaluation was done through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued.

Independent Auditor's Report

To the Administrative Committee
Planned Property Management In 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Planned Property Management In 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Planned Property Management In 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Planned Property Management In 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Property Management In 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Planned Property Management In 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Property Management In 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description provides only general information on the provisions of the of Planned Property Management In 401(k) Profit Sharing Plan and Trust (the "Plan"), Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan established by Planned Property Management, Inc. (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan was restated effective May 20, 2022 in order to comply with required legislative updates. There were no significant changes to the plan provisions as a result of the restatement.

ELIGIBILITY AND PARTICIPATION

All Company employees, except for employees covered by the terms of a collective bargaining agreement (unless the collective bargaining agreement specifies that the employees must be covered by the Plan), employees who are nonresident aliens and receive no earned income from the Company within the United States, and employees who became employees due to an asset or stock acquisition, merger, or similar transaction involving a change in the employer of a trade of business, are eligible to participate in the Plan as follows:

With respect to a participant's voluntary contributions for the Plan year, employees are eligible to participate immediately following attainment of age 21 and 90 days of service.

CONTRIBUTIONS

Each year, participants may contribute up to 92 percent of pretax annual compensation, through Pre-tax or Roth deferrals as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions to the Plan are not compulsory; if a Participant fails to follow election procedures the Participant is not enrolled in the Plan as a contributing Participant. Participants may elect to contribute a percentage or a flat dollar amount of their eligible compensation subject to certain overall limitations. At the discretion of the Company, employees employed on the last day of the Plan year may receive a pro rata allocation of Employer Profit Sharing Contributions.

PARTICIPANT ACCOUNTS

Individual accounts are maintained for each participant to reflect the participant's contributions, as well as the investment income and any administrative expenses. Any required allocations are based on the proportion that each participant's account balance has to the total of all participants' account balances or compensation during the Plan year.

VESTING

Participants are fully vested in their pre-tax and Roth contributions, rollover and transfer contributions, safe harbor basic matching contributions, safe harbor non-elective contributions and qualified nonelective contributions. Employer profit sharing contributions are vested 20% after year two, 40% after year three, 60% after year four, 80% after year five and are fully vested after six years of employment.

PAYMENT OF BENEFITS

Participants can withdraw their individual account if employment is terminated before the normal retirement age, the employee becomes disabled, or the employee reaches normal retirement age, 65 years old, but continues to work. In addition, employees can request a distribution of their elective deferrals, qualified non-elective contributions and safe harbor contributions from the Plan if they are still working and reach the age of 59 ½. Unless one of the situations listed in the plan document exists, a participant cannot withdraw their individual account attributable to Employer profit sharing, rollover contributions, or transfer contributions unless the participant is over age 59 ½ and 100% vested. Benefits are recorded when paid. During the period ended December 31, 2022, there were no participants who elected to withdraw from the Plan but were not yet paid at December 31, 2022.

NOTES RECEIVABLE FROM PARTICIPANTS

A participant may borrow the lesser of $50,000 or 50% of his or her vested account balance. Loans shall be required to provide for level amortization with payments to be made not less frequently than quarterly, over a period not to exceed five years. The total participant loan balance outstanding as of December 31, 2022 and 2021 was $2,488 and $4,872, respectively. The interest rate is determined by the Plan Administrator based on prevailing market conditions and is fixed over the life of the loan. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

ADMINISTRATIVE EXPENSES

Certain expenses incurred in the administration of the Plan are paid directly by the Company and are excluded from these financial statements.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments were stated at fair value based on quoted market prices of the underlying investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

NOTE 3 - FAIR VALUE MEASUREMENTS

FASB guidance on fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. All assets held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Money Market Funds: Valued at the closing price reported by the fund sponsor from an actively traded exchange. These are included in Cash and cash equivalents as Level 1 in the Fair Value Hierarchy below.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 2,084	$ -	$ -	$ 2,084
Registered Investment Companies	188,512	-	-	188,512
Total Investments	$ 190,596	$ -	$ -	$ 190,596

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 7,594	$ -	$ -	$ 7,594
Registered Investment Companies	155,507	-	-	155,507
Total Investments	$ 163,101	$ -	$ -	$ 163,101

NOTE 4 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Management has elected the method of compliance permitted by ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by the Mid-Atlantic Trust Company and was not subject to any auditing procedures performed by the independent public accountants:

a. Total investments as shown in the accompanying Statements of Net Assets Available for Benefits of $190,596 as of December 31, 2022 and $163,101 as of December 31, 2021.

b. Net investment earnings of $4,793, and net depreciation in fair value of investments of $32,861 as shown in the accompanying Statement of Changes in Net Assets Available for Benefits for the period ended December 31, 2022.

c. All investment-related information in the accompanying supplemental Schedule H, Line 4i — Schedule of Assets (Held at End of Year) as of December 31, 2022.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Mid Atlantic Trust Company which is the Trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - TAX STATUS

The Company has adopted an approved prototype plan, selecting only options permitted under the terms of the approved plan. The prototype plan was determined to be acceptable under section 401 of the IRC by an Internal Revenue Service letter dated August 31, 2020. While the Plan has not applied for a separate determination letter, and the plan has been amended since adopting the approved prototype plan, the Plan Administrator believed that the Plan is currently designed and being operated in compliance with the applicable sections of the IRC.

The Plan has adopted recently issued accounting principles related to uncertain tax positions and has evaluated its tax positions taken for all open tax years.

Based on evaluation of the Plan's tax positions, the Plan Administrator believes all positions taken would be upheld under an examination. Therefore, no provision for the effects of uncertain tax positions has been recorded for the period ended December 31, 2022.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the Statement of Net Assets Available for Benefits.

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated events subsequent to December 31, 2022, for possible adjustment or disclosure to the accompanying financial statements. This evaluation was done through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued.
