Independent Auditors' Report

To the Trustees
Middleburg 401(k) Plan
Vienna, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Middleburg 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Middleburg 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Middleburg 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditors' Report (Continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Middleburg 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Middleburg 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Middleburg 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Independent Auditors' Report (Concluded)

Auditors' Responsibilities for the Audit of the Financial Statements (Concluded)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions, as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MIDDLEBURG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

Note 1. Description of Plan

The following description of Middleburg 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement or to information provided by AdvisorTrust, Inc. for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established for eligible employees of Middleburg Management, LLC, Middleburg Real Estate Partners, Middleburg Construction, LLC, MidHudson Asset Management, LLC, Middleburg Communities, LLC, Woodrow Farm, LLC, and Aisling Building & Restoration, LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees who are age twenty-one or older and have completed six months of service are eligible to participate in the Plan. Part-time, temporary or seasonal employees (employees whose regularly scheduled service is less than 1,000 hours of service per computation period) are excluded from the Plan. However, if as a part-time employee, one (1) year of service in any year of employment is completed, the employee will then enter the plan on the next entry date. Employees are eligible to participate in the Plan on the first day of the quarter following the satisfaction of eligibility requirements.

Contributions: Participants may elect to contribute up to 75% of pretax annual compensation, as defined in the Plan, subject to the maximum limit under Section 415 of the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan. In 2022, the Company contributed safe harbor matching amounts equal to 100% of elective deferrals, up to a maximum of 3% of eligible earnings plus 50% of salary deferrals between 3% and 5% of eligible earnings.

With the permission of the Plan administrator, a participant may contribute any rollover contributions from another qualified trust or other pretax retirement savings plan. Such rollover contributions are deposited in the participant's rollover account.

Participant Accounts: Each participant's account is credited with the participant's contributions and investment results and charged for withdrawals and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in both their contributions and Company safe harbor matching contributions plus actual earnings thereon. Any discretionary profit sharing or matching contributions are 100% vested after 3 years of service.

Investment Options: Upon enrollment in the Plan, a participant may direct both employee and employer contributions to a variety of investment options. Participants should refer to information provided by AdvisorTrust, Inc. for a complete description of investment alternatives. At any time, participants may also elect to reallocate existing account balances between investment alternatives or to change their investment elections for future contributions. The Plan administrator and sponsor periodically review and may make changes to the investment choices available.

MIDDLEBURG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2022

Note 1. Description of Plan (Concluded)

Benefits: The Plan provides for benefit payments upon termination, death, disability, or normal retirement at the age of 65, based on the vested balance in the participant's account. Benefits are paid in a single lump sum payment. Hardship withdrawals are also permitted, if certain conditions are met, as outlined in the plan document. The Plan has adopted automatic rollover provisions for distributions greater than \$1,000 and less than \$5,000.

Participant Loans: Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear an interest rate equal to 1% above the prime rate. No loan less than \$1,000 will be made.

Forfeitures: Forfeited nonvested accounts are used to pay plan expenses and reduce employer contributions. At December 31, 2022 forfeited non-vested accounts totaled \$1,697.

Note 2. Summary of Accounting Policies

Basis of Accounting:

The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition:

Mutual funds are valued at fair value, which is the closing market price.

The MetLife Stable Value Solutions Fund J is a common collective trust valued at the net asset value per share practical expedient.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded as earned and dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, and investments held during the year.

Notes Receivable from Participants:

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participant's account balance.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2022

Note 2. **Summary of Accounting Policies (Concluded)**

Benefit Payments:

Benefits are recorded when paid.

Administrative Expenses:

Significant administrative expenses of the Plan are paid directly by the Company. Certain fees are deducted from participants' accounts. Investment management fees are charged to the Plan as a reduction of investment return and are included in the investment income (loss) reported by the Plan.

Note 3. **Certified Investments**

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income (loss) and interest earned on notes receivable from participants, was obtained or derived from data that has been certified as complete and accurate by the plan administrator, AdvisorTrust, Inc., the trustee of the Plan. This information has not been audited.

	<u>2022</u>	<u>2021</u>
Mutual funds	\$ 4,244,621	\$ 4,766,300
Metlife Stable Value Solutions Fund	46,327	51,415
Cash	50,007	47,282
Notes receivable from participants	9,291	22,316
Investment income (loss)	(887,043)	678,157
Interest from participant notes receivable	582	576

Note 4. **Fair Value Measurements**

The Plan uses fair value measurements to record fair value adjustments to Plan assets and to determine fair value disclosures. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan groups its assets at fair value in three levels, based on the markets in which the assets are traded and the reliability of the assumptions used to determine fair value. These levels are:

Level 1: Valuation is based on quoted prices for identical instruments traded in active markets.

Level 2: Valuation is based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuation techniques for which all significant assumptions are observable in the market.

Level 3: Valuation is generated from model-based techniques that use significant assumptions not observable in the market (i.e., supported by little or no market activity).

The asset or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

MIDDLEBURG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2022

Note 4. Fair Value Measurements (Concluded)

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: The fair values of mutual fund investments are obtained from a quoted market price in an active market. These investments are classified as Level 1.

Collective Investment Trust: Valued using the net asset value (NAV) as a practical expedient, provided by the administrator of the fund based on the valuation of the underlying investments. Accordingly, investments meeting this requirement have not been classified in the fair value hierarchy.

Fair values of assets measured on a recurring basis at December 31, 2022 and 2021, were as follows:

2022	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 4,244,621	\$ 4,244,621	\$ -	\$ -
Investments at fair value	\$ 4,244,621	\$ 4,244,621	\$ -	\$ -
Collective investment trusts at NAV	46,327	-	-	-
	<u>\$ 4,290,948</u>	<u>\$ 4,244,621</u>	<u>\$ -</u>	<u>\$ -</u>
2021	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 4,766,300	\$ 4,766,300	\$ -	\$ -
Investments at fair value	\$ 4,766,300	\$ 4,766,300	\$ -	\$ -
Collective investment trusts at NAV	51,415	-	-	-
	<u>\$ 4,817,715</u>	<u>\$ 4,766,300</u>	<u>\$ -</u>	<u>\$ -</u>

For the years ended December 31, 2022 and 2021, there were no transfers between any of the fair value hierarchy levels during the year.

Note 5. MetLife Stable Value Solutions Fund

The MetLife Stable Value Solutions Fund seeks to preserve principal investment while earning interest income. The fund is valued at NAV based on the contract value of the fund's underlying investments, using information reported by the issuer. The NAV is equal to the accumulated cash contributions and interest credited less any withdrawals or transfers. The Stable Value Fund is not available for sale or transfer on any securities exchange. The fund allows for daily redemption and investments and does not have a holding period. The average yield earned by the fund for the year ended December 31, 2022 was 1.8%.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

MIDDLEBURG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONCLUDED)

DECEMBER 31, 2022

Note 7. Income Tax Status

The Plan has adopted a prototype non-standardized profit sharing plan which received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the prototype was designed in accordance with the applicable section of the Internal Revenue Code (IRC). No determination letter specifically for the Plan has been requested, however, the Plan sponsor believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code and is exempt from federal income taxes.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The plan administrator has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken.

Note 8. Party-In-Interest Transactions

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan holds cash with AdvisorTrust, Inc. AdvisorTrust, Inc. is the custodian of the Plan and, therefore, these transactions and the Plan's payment of fees to AdvisorTrust, Inc. qualify as party-in-interest transactions. Notes receivable from participants are considered party-in-interest transactions.

Note 9. Risks and Uncertainties

The Plan provides for investments in various securities that, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. COVID-19 Impact and CARES Act

In March 2020 the World Health Organization declared the outbreak of the novel coronavirus (COVID-19) a global pandemic. On March 27, 2020, the CARES Act was signed into law and included new relief provisions to tax-qualified retirement plans and participants affected by the COVID-19 pandemic. As permitted by the CARES Act, the Plan allowed for the availability of certain coronavirus-related distributions and loan relief provisions.

Note 11. Subsequent Events

Plan management has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.
