INDEPENDENT AUDITORS' REPORT

The Directing Parties
Stratolaunch 401(k) Plan
Mojave, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Stratolaunch 401(k) Plan (the Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

P.O. Box 3068
Wenatchee, WA 98807

175 E Penny Rd Suite 1
Wenatchee, WA 98801

- Identify and assess the risks of material misstatement on the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STRATOLAUNCH 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1 - GENERAL INFORMATION

A. General

The Plan is a defined contribution plan in accordance with Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers all employees of the Stratolaunch, LLC (Plan Sponsor) who are age eighteen. Participants must be employed on the last day of the Plan year and have completed 1,000 hours of service during the Plan year to receive discretionary profit sharing contributions. This description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

B. Contributions

Participants may contribute up to the maximum percentage allowable by the applicable IRC of pretax annual compensation, up to a maximum of \$20,500 as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor may make matching contributions equal to a uniform percentage of salary deferrals at its discretion, to be determined annually. It may also make discretionary profit sharing contributions, to be determined annually. The Plan Sponsor authorized an employer match equal to fifty percent of the base compensation that a participant contributed to the Plan for the Plan year ending December 31, 2022.

C. Participant accounts

Each participant's self-directed account is credited with the participant's contribution and allocations of the Plan Sponsor's contribution and Plan earnings and expenses. Allocations are based on participant weighted account balances, as directed in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is vested 40 percent after one year, and 100 percent after two years of credited service.

E. Notes receivable from participants

The Plan allows participants to borrow up to 50% of the vested balance of their account, up to a maximum of \$50,000. Additionally, loan payments were suspended thru January 1, 2021, for new loans taken through September 23, 2020. The loans are secured by the balance in the participant's account and bear interest between 3.25% and 6.25%, which is commensurate with local prevailing rates as determined periodically by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1 - GENERAL INFORMATION (continued)

F. Plan expenses

Plan expenses are paid by the Plan or the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

G. Payment of benefits

On termination of service due to death, disability, retirement or other reasons, a participant may receive a lump sum amount equal to the value of the participant's vested interest in their account or installments for required minimum distributions only.

H. Forfeited accounts

Upon a participants termination from the Plan, nonvested account balances are forfeited and used to reduce future employer contributions or to pay any administrative expenses. For the year ended December 31, 2022, the Plan incurred \$68,411 in forfeitures and used \$109,021 of forfeitures to offset employer contributions. The balance of unused forfeitures at December 31, 2022, was \$72,417.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of accounting

The financial statements of the Plan are prepared utilizing the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

B. Investment valuation and income recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value (NAV) of shares held by the Plan at year end. Units in the common/collective trust (the Trust) are valued at the NAV of the Trust. The Trust determines the NAV based on the fair value of the assets and liabilities held by the Trust. See Note 4 for discussion of fair value measurements.

Cash and money market mutual funds held with brokers are considered to be investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan presents in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the investment income, the realized gains or losses and the unrealized net appreciation (depreciation) on Plan investments.

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

C. Payment of benefits

Benefit payments are recorded when paid.

D. Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

NOTE 3 - INVESTMENTS

During the year ended December 31, 2022, the Plan's mutual funds and Trust investments (including dividends, gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$(2,736,996).

NOTE 4 - FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

STRATOLAUNCH 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds and the Trust investments are valued at the NAV of shares or units held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,286,232	\$ -	\$ -	\$ 14,286,232
Common/collective trust	-	225,375	-	225,375
Total assets at fair value	<u>\$ 14,286,232</u>	<u>\$ 225,375</u>	<u>\$ -</u>	<u>\$ 14,511,607</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,226,120	\$ -	\$ -	\$ 14,226,120
Common/collective trust	-	167,270	-	167,270
Total assets at fair value	<u>\$ 14,226,120</u>	<u>\$ 167,270</u>	<u>\$ -</u>	<u>\$ 14,393,390</u>

NOTE 5 - INVESTMENT IN COMMON/COLLECTIVE TRUST

The Goldman Sachs Stable Value Collective Investment Trust (the Trust) is a collective trust fund that invests in investment contracts and security-backed contracts. The Plans' investment is valued at the NAV of units of the collective Trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Please refer to the Trust's audited financial statements for more information about the Trust, which are not presented herein.

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 6 - RELATED-PARTY TRANSACTIONS

Fidelity Investments acts as the Third Party Administrator of the Plan and Fidelity Management Trust Company acts as the custodian of the Plan's assets. Therefore, transactions with Fidelity Investments and Fidelity Management Trust Company constitute party-in-interest transactions as defined by ERISA.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 8 - INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined, and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019, which is the standard statute of limitations look-back period.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options, including mutual funds and investment in a common/collective trust. The underlying investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and investment contracts and the level of uncertainty related to changes in the value of the investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - INFORMATION CERTIFIED BY CUSTODIAN

Information contained in the accompanying financial statements that was certified by the custodian, Fidelity Management Trust Company, is as follows:

- Details (cost and fair value) of investment assets held at December 31, 2022 and 2021;
- Summaries of investment transactions for the year ended December 31, 2022;
- Investment income, including net appreciation (depreciation) in fair value of investments, for the year ended December 31, 2022.
