INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Community Memorial Health System 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Community Memorial Health System 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of Community Memorial Health System 403(b) Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As discussed in Note D, the Plan has excluded from investments in the accompanying statement of net assets available for benefits as of December 31, 2022 and 2021, certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022. At December 31, 2022 and 2021, the amount of these excluded annuity and custodial accounts is approximately \$19,000,000 and \$21,000,000, respectively. Accounting principles generally accepted in

the United States of America require that these accounts and related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Memorial Health System 403(b) Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Community Memorial Health System 403(b) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Community Memorial Health System 403(b) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

COMMUNITY MEMORIAL HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Community Memorial Health System 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan is a defined contribution profit sharing plan, referred to as a 403(b) tax deferred annuity plan, sponsored and administered by Community Memorial Health System (the “Organization”). The Plan was established for the benefit of substantially all employees of the Organization. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Eligibility

An employee is eligible to make salary deferrals to the Plan on their first day of employment. An employee is eligible for a discretionary matching contribution and a discretionary non-elective contribution on the first day of each quarter upon completion of 500 hours of service in either: 1) a 6-month period from their initial date of employment or 2) in any two consecutive calendar quarters thereafter, or after completion of 1,000 hours of service in a plan year. Employees covered under a collective bargaining agreement are not eligible to receive discretionary matching or non-elective contributions. Non-resident aliens are excluded from participation in the Plan.

3. Contributions

Participants may elect to defer on a pre-tax basis or make Roth contributions up to the maximum deferral limit per Section 402(g)(1) of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make additional “catch-up” contributions. The Plan also has an automatic enrollment provision that allows the Organization to withhold 6% from an eligible employee’s compensation as an employee contribution after two months of employment, unless a contrary election is made by the participant. Each year on July 1, the auto-enrollment percentage will increase by 1% for those participants subject to this provision as of that date, until the automatic deferral is 10%. Participants may stop or change their deferral election at any time.

The Organization made matching contributions totaling \$5,712,097 (net of applied forfeitures totaling \$291,309) for the year ended December 31, 2022. In addition, the Organization made discretionary non-elective contributions equal to 1% of eligible compensation totaling \$2,042,143 (net of applied forfeitures totaling \$107,857) for the year ended December 31, 2022.

4. Investment Options

Participants may direct employee and Organization contributions, as desired, in any of a variety of investment options held by Fidelity Management Trust Company (“Fidelity”), as chosen by the Organization. Participants may change their investment options daily.

COMMUNITY MEMORIAL HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF THE PLAN (Continued)

5. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, the Organization's matching contribution, and allocations of the Organization's non-elective contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, specific transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

6. Vesting

Participants are immediately vested in their deferral contributions and rollover contributions plus actual earnings thereon. Vesting in the Organization's non-elective and matching contribution portion of their accounts is based on years of continuous service. After three years of service, participants are 100% vested in the Organization's non-elective and matching contribution portion of their accounts plus actual earnings thereon. Prior to attainment of three years of service, participants are not vested in these contributions.

7. Notes Receivable from Participants

Participants may borrow from their account up to a maximum of 50% of their vested account balance, not to exceed \$50,000, adjusted for previous loan balances taken in the twelve months prior to the new loan. Loans must be repaid within five years of the date of issuance or over a longer period if for the purchase of a principal residence, in accordance with terms established by the plan administrator. Loans shall bear a reasonable interest rate as determined by the Organization.

8. Benefit Payments

Upon termination of service, participants are entitled to receive a benefit payment of their vested account balance. Upon retirement, disability or death while working for the Organization, a participant or a participant's beneficiary is entitled to receive a benefit payment equal to the total value of the participant's account balance. In-service and hardship distributions are permitted if certain criteria are met. Benefit payments may be made in the form of a lump sum, installments, or as an annuity.

9. Plan Termination

Although it has not expressed such intent, the Organization reserves the right, at any time, to amend or terminate the Plan by action of its Board of Directors subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan would cease and the assets of the Plan would be distributed to the participants based on each individual participant's interest in the Plan.

10. Forfeitures

Forfeitures may be used to reduce future Organization contributions. Outstanding forfeitures available at December 31, 2022 and 2021 were \$34,223 and \$29,151, respectively.

COMMUNITY MEMORIAL HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

2. Plan Administration

The Organization is the plan sponsor and the plan administrator. The administrator of the Plan is responsible for carrying out the duties imposed under ERISA.

3. Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value (except for the fully benefit-responsive investment contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation in fair value of investments.

5. Payment of Benefits

Benefits are recorded when paid.

6. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

COMMUNITY MEMORIAL HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

8. Subsequent Events

Plan management has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued.

NOTE C - INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity, the custodian, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule:

- Investments and notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021
- Net investment income (loss) and interest income on notes receivable from participants reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022
- Investments and notes receivable from participants reflected on the Schedule of Assets (Held at End of Year)

NOTE D - EXCLUDED CONTRACTS

Plan management has identified certain annuity and custodial accounts ("Excludable Contracts") with Lincoln National Life Insurance Company and Great American Insurance Group, which were issued to current and former employees prior to January 1, 2009. As permitted by the Department of Labor's Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for 403(b) Plans*, these Excludable Contracts are not required to be reported in the Plan's financial statements and supplementary information. The known amounts of these Excludable Contracts totaled approximately \$19,000,000 and \$21,000,000 for the years ended December 31, 2022 and 2021, respectively.

NOTE E - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of cash and mutual funds that are valued on the basis of readily determinable market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

Investments at fair value	<u>\$ 291,645,312</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 291,645,312</u>

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:				
Mutual funds	\$ 356,008,422	\$ -	\$ -	\$ 356,008,422

Investments at fair value	<u>\$ 360,456,684</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 360,456,684</u>

NOTE F - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment in a group annuity contract that meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the traditional investment contract held by the Plan.

	December 31,
	<u>2022</u> <u>2021</u>
Met Life Stable Value Fund	<u>\$ 23,422,603</u> <u>\$ 19,534,757</u>

The contract issuer will guarantee principal and accrued interest, based on credited interest rates. Interest is credited to the contract at interest rates that reflect the performance of the underlying portfolio. The minimum crediting rate is 1%. The contract issuer may reset the guaranteed interest rate annually. Participants will receive the principal and accrued earnings credited to their accounts on withdrawal for allowed events. These events include transfers to other Plan investment options, and payments because of retirement, termination of employment, disability, death and in-service withdrawals as permitted by the Plan.

COMMUNITY MEMORIAL HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE F - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

In order to maintain the contract issuer's promise to pay such withdrawals and exchanges at book value, the contract subjects the fund and its participants to certain restrictions. For example, withdrawals prompted by certain events (layoffs, early retirement windows, spin-offs, sale of a division, facility closings, plan terminations, partial plan terminations, changes in laws or regulations) may be paid at the market value of the fund's securities, which may be less than the book value, or the contract issuer may restrict withdrawals for these events. However, the Plan administrator does not believe such events are probable. Certain investment options offered by the Plan may be deemed by the contract issuers to "compete" with this fund. The terms of the contract prohibit a direct exchange from this fund to such competing funds.

NOTE G - PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Fidelity is the custodian and record-keeper of the Plan. Plan investments are managed and held by the custodian and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants and the related interest income are also considered party-in-interest transactions.

The record-keeper receives revenue from mutual fund service providers for services. This revenue is used to offset plan expenses incurred by the record-keeper, custodian, and other service providers of the Plan. Revenue and expenses received and paid during the plan year totaled \$579,292 and \$534,512, respectively. During the year ended December 31, 2022, excess revenue credits totaling \$200,000 were allocated to participants' accounts.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE I - TAX STATUS

The Organization is a tax-exempt organization under IRC Section 501(c)(3), and adopted a 403(b) Volume Submitter Plan (VSP). The VSP received a favorable opinion letter from the Internal Revenue Service (IRS) dated August 7, 2017, which stated that the VSP is designed in accordance with applicable sections of the IRC. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction programs. Therefore, the plan administrator believes that the Plan was qualified and no provision for income taxes has been reflected in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
