Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Jeg's Group Employees 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JEG'S GROUP EMPLOYEES 401(k) PROFIT SHARING PLAN

Notes to Financial Statements December 31, 2022 and 2021

Plan Description

The following description of Jeg's Group Employees 401(k) Profit Sharing Plan (the Plan) provides only general information. The Plan sponsor is Jeg's Automotive, LLC (the Company). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

During 2021, Greenbriar Equity Group acquired a majority ownership of the Company. Subsequent to this transaction, in 2022 the Company determined it was in the best interest of the Plan's participants to spin-off the Coughlin Brothers Racing, LLC (CBR) portion of the Plan into a separate plan. Contributions to the Plan from CBR participants ceased effective April 1, 2022 and all related plan assets totaling \$10,618,327 were transferred into the new CBR Employees 401(k) Plan in December 2022.

General

The Plan is a defined contribution plan covering all eligible employees of the Company who have completed 30 days of continuous employment with the Company and who are age 21 or older. Once eligible, participants are automatically enrolled in the Plan on the date on which eligibility requirement is satisfied, unless they specifically opt-out. However, employees must have completed one year of continuous employment to be eligible for the Company's year end discretionary contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 50% of their compensation to the Plan on a pre-tax basis through payroll deduction, not to exceed IRS limitations, as defined in the Plan agreement. The Plan also offers a Roth 401(k) option to participants. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company is required to make a matching contribution to the plan equal to 25% of the participants' elective deferrals, up to and including 15% of their qualifying wages, during the year. Additionally, a year-end discretionary contribution may be made by the Company. This discretionary contribution is allocated to participants based on an integrated allocation formula. During 2021, this discretionary contribution was \$225,000. There were no discretionary contributions made during 2022.

Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (i) the Company's contribution, (ii) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Description (continued)

Vesting

Participants are immediately vested in their salary deferrals, including catch-up contributions, and rollover contributions plus actual earnings thereon. Vesting in the Company's contributions and earnings thereon is based on years of continuous service according to the following vesting schedule:

Years of Service	Vesting Percentage
Less than 1	0%
1	33%
2	66%
3	100%

Investment Options

Participants may allocate their contributions and the corresponding Company matching contributions to any of the various investment options offered by the Plan. The participants are responsible for allocating their entire balance including the portion relating to the Company discretionary contribution.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the participant's vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator, ranging between 4.25% and 8.00%. Principal and interest is paid ratably through weekly payroll deductions. Loan repayment terms are not to exceed five years, unless the loan will be used by the participant to acquire the participant's principal residence.

Payment of Benefits

A participant may receive the value of his or her vested account upon retirement, disability or termination. Upon death of a participant, the beneficiary shall be entitled to the full value of the account. Distributions are made in either a lump-sum or equal installments not to exceed the life expectancy of the participant. Hardship withdrawals, as defined in the Plan, are also available to participants.

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$153,375 and \$98,456, respectively. These accounts may be used to pay administrative expenses of the Plan. During 2022 and 2021,

Plan Description (continued)

SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Summary of Significant Accounting Policies (continued)

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan, the Company or terminated participants, as provided by the Plan agreement.

Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Bank of America, N.A., the trustee of the Plan.

	2022	2021
Mutual funds	\$ 18,251,518	\$ 35,972,920
Common collective trust	3,527,526	3,490,013
Notes receivable from participants	321,828	413,778
	\$ 22,100,872	\$ 39,876,711

The trustee also certified the completeness and accuracy of the following related to the aforementioned assets for the years ended December 31:

	2022	2021
Net (depreciation) appreciation in fair value of investments	\$(5,111,148)	\$ 2,804,204
Interest and dividend income	895,996	2,131,463
Interest on notes receivable from participants	16,881	21,364

Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.

JEG'S GROUP EMPLOYEES 401(k) PROFIT SHARING PLAN

Notes to Financial Statements December 31, 2022 and 2021

Fair Value Measurements (continued)

Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.

Level 3 Level 3 are significant unobservable inputs for the asset or liability.

The level of the fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 or 2021.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Common Collective Trust: Valued at the NAV provided by the administrator of the fund. Issues and redemptions of units are recorded upon receipt of unit holder's instructions based on the determined NAV per unit, which is determined daily. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For this fund, there are no unfunded commitments, redemption restrictions, and participants can transact daily. The Plan's investment in common collective trusts consists of the Federated Capital Preservation Fund whose investment objective is the stability of principal and high current income.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

JEG'S GROUP EMPLOYEES 401(k) PROFIT SHARING PLAN

Notes to Financial Statements December 31, 2022 and 2021

Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds in the fair value hierarchy	\$ 18,251,518	\$ -	\$ -	\$ 18,251,518
Common collective trust measured at net asset value*	-	-	-	3,527,526
Total assets at fair value	\$ 18,251,518	\$ -	\$ -	\$ 21,779,044

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds in the fair value hierarchy	\$ 35,972,920	\$ -	\$ -	\$ 35,972,920
Common collective trust measured at net asset value*	-	-	-	3,490,013
Total assets at fair value	\$ 35,972,920	\$ -	\$ -	\$ 39,462,933

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

Notes to Financial Statements December 31, 2022 and 2021

Reconciliation of Financial Statements to Form 5500 (continued)

The following is a reconciliation of changes within net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31:

	2022	2021
Net (decrease) increase per the financial statements	\$(18,003,858)	\$ 2,280,746
Add: transfers from the Plan	10,618,327	-
Plus prior year contribution receivable	248,354	225,000
Less current year contributions receivable	(20,318)	(248,354)
Miscellaneous	(21,463)	21,463
Net income per Form 5500	\$(7,178,958)	\$ 2,278,855

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Tax Status

The Company has adopted a non-standardized prototype defined contribution plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain Plan investments are shares of mutual funds managed by the trustee. Porter Wright Morris & Arthur LLP is the legal counsel for the Plan and CBiz Retirement Plan Services is the investment advisor for the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative expenses were \$10,146 and \$37,255 in 2022 and 2021, respectively.

JEG'S GROUP EMPLOYEES 401(k) PROFIT SHARING PLAN

Notes to Financial Statements December 31, 2022 and 2021

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying 2022 statement of net assets available for benefits.

Subsequent Events – Date of Management's Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the financial statements were available to be issued.
