ASR Analytics LLC 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of ASR Analytics, LLC 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 30, 2022 (date of termination) and December 31, 2021, and the related statement of changes in net assets available for benefits for the period January 1, 2022 to December 30, 2022 (date of termination), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended December 30, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 – PLAN DESCRIPTION

Plan Description

The following description of the ASR Analytics, LLC 401(K) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan is a defined contribution plan covering the employees of ASR Analytics, LLC (the “Company”).

General

The Plan is a defined contribution profit sharing plan covering substantially all employees over 21 years of age of the Plan sponsors. Employees are eligible to enter the plan at the beginning of the first month of service. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Economic Growth and Tax Relief Reconciliation Act of 2001 (“EGTRRA”). The Board of Trustees is responsible for oversight of the Plan. The Board of Trustees determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

The Plan terminated on December 30, 2022 and all assets were transferred to GCOM Software LLC 401(k) Plan (“GCOM Plan”) (See Note 10 for more details).

Contributions

Participants may contribute pretax annual compensation as defined by the Plan, up to a maximum of \$20,500 during the 2022 plan year. Participants over the age of 50 are also allowed additional catch-up contributions up to \$6,500 for 2022.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the plan. The Company shall make matching employer contributions on behalf of each of its eligible participants as provided in Company’s contribution plan. The plan offers 401(k) Safe Harbor Matching Employer Contributions that include 100% of the first 3% of the eligible participant's compensation contributed to the Plan and 50% of the next 2% of the eligible participant's compensation contributed to the Plan. The Company may make discretionary profit-sharing contributions. This contribution, if any, is determined by the Company with respect to each Plan year. There were no discretionary profit-sharing contributions made during 2022. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 30, 2022 (Date of Termination) and December 31, 2021

NOTE 1 – PLAN DESCRIPTION (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, safe harbor matching contributions, discretionary profit-sharing contributions and an allocation of net Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferral, safe harbor matching contributions, rollover contributions, and related earnings. Participants who retire, die, or become totally and permanently disabled are entitled to the full amount in their account. Participants who terminate employment prior to 100% vested are entitled to a percentage of their Company profit sharing contributions account depending on their years of service. A participant will be vested 20% in the matching and discretionary contributions per year beginning after two years of service and is 100% vested after six years of service. Vesting in the matching and discretionary contributions and the related earnings are based on years of continuous service. Participants with less than two years of service are not vested. Upon two years of service, participants are 20% vested, with the percentage increasing 20% each year until the participant is 100% vested after six years of service.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the investment options sponsored by Fidelity Management Trust Company, the Plan's custodian. Participants may change their investment options daily through an electronic voice activation system or through website interaction provided by the custodian.

Notes Receivable from Participants

Participant loans are allowed in accordance with the basic plan document. Except as otherwise provided below, if a participant has an outstanding loan balance at the time his employment terminates, the entire outstanding principal and accrued interest shall be due and payable by the end of the cure period specified in the separate loan procedures. Notwithstanding the foregoing, if a participant with an outstanding loan balance terminates employment with the employer and all related employers in conjunction with a transfer of employees and employer assets to an entity unrelated to the employer, such participant may elect, within 90 days of such termination, to roll over the outstanding loan to an eligible retirement plan, as defined in the basic plan document, that accepts such rollovers. Principal and interest are paid ratably through payroll deductions.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 30, 2022 (Date of Termination) and December 31, 2021

NOTE 1 – PLAN DESCRIPTION (Continued)

Payment of Benefits

Participants may make hardship withdrawals prior to termination of employment in accordance with the basic Plan document, subject to a \$500 minimum amount. Hardship withdrawals are permitted from a participant's deferral contributions sub-account only. The Plan Administrator may set a limit on the number of hardship withdrawals per year which shall be uniform and non-discriminatory with respect to all Participants.

Participants should be entitled to receive all vested sub-account balances or any portion of sub-accounts upon attainment of age 59½. Participants who continue in employment after reaching Normal Retirement Age shall have a continuing right to elect to receive distribution of all or any portion of their Account in accordance with the provisions of the basic Plan document.

The Plan recognizes Active Military Distributions (HEART Act) where certain contributions restricted from distribution may be withdrawn by participants performing military service at any time.

Forfeitures

Forfeitures of the non-vested portion of a participant's employer matching account are primarily used to pay plan administrative costs or to reduce the employer's matching contribution. Alternatively, forfeitures may be allocated to participants as an additional matching contribution. There were no forfeitures utilized in 2022.

Plan Administrative Costs

Most administrative costs of the Plan are paid by the Plan sponsors. Plan participants paid \$325 of administrative costs for the period ended December 30, 2022.

Basis of Accounting

The accompanying financial statements have been prepared in accordance with U.S. generally accepted accounting principles (GAAP) on the accrual basis.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 30, 2022.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 30, 2022 (Date of Termination) and December 31, 2021

NOTE 2 –SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. At December 30, 2022, the Plan did not hold any investments and therefore does not have fair value disclosures.

Deferred Payment of Benefits

Net assets available for plan benefits include \$0 at December 30, 2022, which represent deferred vested benefits for participants who have withdrawn from the Plan but have not been paid. Benefit deductions are recognized when paid.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles of the United States requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Subsequent Events

Events that occurred subsequent to December 30, 2022 have been evaluated by the Company's management for potential recognition or disclosure in the financial statements through the date of the independent auditor's report, which is the date the financial statements were available to be issued.
