ABC INOAC Exterior Systems, LLC Retirement Savings & Profit Sharing Plan

Fremont, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of ABC INOAC Exterior Systems, LLC Retirement Savings & Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Vanguard Fiduciary Trust Company, as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant

ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than it agreed to or is derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is a defined contribution plan covering all full-time and part-time employees of ABC INOAC Exterior Systems, LLC (“Company”), the Plan Sponsor, who meet the hours of service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

On May 11, 2021, the Plan submitted, under Revenue Procedure 2019-19 Employee Plans Compliance Resolution System, for correction under the Voluntary Compliance Program (“VCP”). The nature of the VCP is to correct an operational failure of implementing the automatic contribution arrangement and Qualified Deferral Investment Arrangement (“QDIA”), which were effective January 4, 2016 without a timely plan amendment having been filed first. The Plan Sponsor requested to retroactively amend the Plan document for all periods on and after January 4, 2016 to include the automatic contribution and QDIA. The Plan Sponsor restated the Plan (via adoption agreement) in accordance with this approach, effective January 1, 2021. This restatement also brought the Plan into compliance with the requirements for Cycle 3 Pre-Approved Plans, pursuant to Revenue Procedure 2017-41.

Eligibility:

All full-time and part-time employees who work three consecutive months of eligibility service requirement are eligible to participate in the Plan.

The Plan has an automatic elective deferrals feature. Employees hired on or after January 1, 2016 are enrolled into the Plan at an elective deferral of 4%. There is also an automatic elective deferral increase of 1% of payroll once a year with a maximum up to 10%.

Contributions:

Employee Deferral - Participants may contribute up to 50% of their compensation to the Plan in increments of 1%. Catch-up contributions are allowed in accordance with Internal Revenue Service guidelines.

Employer Matching Contributions - The Plan matches the first 2% of the employees' voluntary salary deferral contributions and 50% of any contributions in excess of 2% with a maximum matching percentage of 3%.

Employer Discretionary Contributions - The Company may contribute a yearly profit sharing amount to the account of each eligible Plan participant. The annual profit sharing percentage is based on the annual operating margin performance of the Company. Each participant's profit sharing amount is determined by multiplying their eligible annual compensation by the profit sharing percentage.

1 Description of Plan, Continued

Contributions, Continued:

Profit sharing contributions totaled \$0 (2022) and \$0 (2021).

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code, as defined in the Plan agreement.

Rollover contributions from other Plans are also accepted, providing certain specified conditions are met.

Participants' Accounts:

Each participant's account is credited with the participant's elective contributions, employer matching contributions, employer discretionary contributions, earnings and losses thereon.

Vesting:

Participants are immediately vested in their elective deferral contributions, employer matching, and rollover amounts, plus actual earnings thereon. Vesting in the discretionary profit sharing contribution is based on years of continuous service, with full vesting occurring after four years of credited service.

Forfeitures:

Forfeitures due to termination from the Plan before a participant is 100% vested shall be used to reduce future employer profit sharing contributions. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$127,183 and \$143,519, respectively.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions on at least a quarterly basis.

Loans are valued at unpaid principal plus any accrued, but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Other Plan Provisions:

Normal retirement age is 65, however, a participant may elect early retirement on or after age 55. The Plan also provides for early payment of benefits after reaching age 59-1/2.

Hardship Withdrawals:

Hardship withdrawals are permitted in accordance with Internal Revenue Service ("IRS") guidelines.

Investment Options:

Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan (in multiples of 1%).

Payment of Benefits:

On termination of service, a participant is entitled to receive a lump sum amount equal to the vested value of his or her account. Upon termination of employment due to retirement, total and permanent disability or death, a participant or their beneficiary will be entitled to receive a distribution of his or her entire account without regard to the Plan's vesting rules: (i) in one lump sum amount; or (ii) in monthly installments of a fixed amount or over a specific period of time in an amount of at least \$100 per month. If the value of a participant's account is less than \$5,000, the Plan Administrator will distribute the participant's entire interest in one lump sum payment. Benefit payments are recorded when paid.

2 Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's transactions are reported on the accrual basis of accounting.

Valuation of Investments:

Investments held in the Plan are stated at fair value. Marketable securities are reported at fair market value as of the balance sheet date. Fair market values represent quoted market prices or, if quoted market prices are not available, estimated fair values as determined by the Plan's investment broker. The fair value of the collective investment trust is valued based on the underlying investments which are generally a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts backed by bond funds and trust that are selected by the Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments purchased and sold as held during the year.

2 Summary of Significant Accounting Policies, Continued

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Fees:

Expenses of the Plan are borne by the participants. In addition, loan fees are paid by the participant requesting the loan.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Risks and Uncertainties:

The Plan's investment portfolio includes investments in mutual funds, money market funds, and a collective investment trust holding investment contracts with varying degrees of risk, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statement of Net Assets Available for Plan Benefits.

Subsequent Events:

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements.

Subsequent events have been evaluated through October 10, 2023, which is the date the financial statements were available to be issued.

3 Tax Status

The Plan adopted a pre-approved prototype plan from The Vanguard Group. On June 30, 2020, the IRS stated that the pre-approved prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been restated; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

NOTES TO FINANCIAL STATEMENTS

ABC INOAC Exterior Systems, LLC Retirement Savings & Profit Sharing Plan

3 Tax Status, Continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

4 Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Trustee:

	<u>2022</u>	<u>2021</u>
Investments, at Fair Value	\$ 59,688,809	\$ 74,798,543
Notes receivable from participants	\$ 703,375	\$ 864,793
Interest and dividend income	\$ 1,868,314	\$ 4,744,607
Participant loan interest	\$ 68,101	\$ 81,684
Net unrealized/realized appreciation/(depreciation)	\$ (14,079,811)	\$ 3,346,409

5 Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Vanguard Fiduciary Trust Company, the Trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest. Usual and customary fees were paid by the mutual fund for the investment management services. In addition, the Plan has arrangements with various service providers and these arrangements qualify as party-in-interest transactions.

6 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

* Quoted prices for similar assets or liabilities in active markets.

NOTES TO FINANCIAL STATEMENTS

ABC INOAC Exterior Systems, LLC Retirement Savings & Profit Sharing Plan

6 Fair Value Measurements, Continued

- * Quoted prices for identical or similar assets or liabilities in inactive markets.
- * Inputs other than quoted prices that are observable for the asset or liability.
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds:

The fair value of the mutual funds are based on quoted market prices. These fall into the Level 1 category of the valuation hierarchy.

Money Market Fund:

The fair value of the fund investments is based on amortized cost. Amortized cost approximates current value, but since the value is not determined by observable inputs in an active market, the fund falls into the Level 2 category of the valuation hierarchy.

Collective Investment Trust:

The fair value of the Vanguard Retirement Savings Trust is based on the underlying assets of the contract. The fair value is expressed in units. This fund is classified in the Level 2 category of the valuation hierarchy.

Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective investment trust, the investment adviser reserves the right to temporarily delay from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. Withdrawals may be initiated by the Unitholder for the primary purposes of funding an authorized distribution, withdrawal or loan disbursement, pay a participating profit-sharing plan to an employee or beneficiary covered thereunder, or for the purpose of the participating plan making an employee-directed transfer to another investment election.
