INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
RDV Staffing, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the RDV Staffing, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the RDV Staffing, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the RDV Staffing, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the RDV Staffing, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the RDV Staffing, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

General

The Plan is a defined contribution plan that was established on January 1, 1997 by RDV Staffing, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

The plan transfers shown on the statement of changes in net assets available for benefits represent amounts transferred to a plan administered by a related party of the Company.

Administration

The Plan Sponsor and named Plan Administrator is RDV Staffing, Inc. The Plan Administrator is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and fees, and reports to the Plan's Trustees. The Plan's Trustee and Investment Custodian is Fidelity Management Trust Company. The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions. The Company has also retained Fidelity Workplace Services LLC to provide participant recordkeeping and administration services.

Eligibility

The Plan covers all employees of the Employer, except those who are covered by a collective bargaining agreement that does not provide for participation in the Plan or non-resident aliens with no U.S. income. All eligible employees must be 18 years of age and may begin participating in the Plan after completing one year of service, with the entry date being the first day of the quarter after meeting the participation requirements.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

Contributions to the Plan

Each year, participants may contribute up to 75% of their pre-tax annual compensation, as defined in the plan document, through payroll withholdings. The Plan also allows participants to make after-tax Roth contributions. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other defined benefit or defined contribution plans (rollovers). The Plan includes an auto-enrollment provision whereby all newly eligible participants are automatically enrolled at a deferral rate of 5% unless they affirmatively elect not to participate. Auto-enrollment contributions are invested in a designated target-date fund until changed by the participant. The automatic deferral is increased each July 1 by 1% up to a maximum of 10%.

The Company contributes matching contributions equal to 50% of the first 15% of plan compensation that a participant contributes to the Plan. Total matching contributions for 2022 were \$652,068.

The Company may elect to make discretionary non-elective contributions on behalf of the participants. The Company made no non-elective contributions in 2022.

Participants direct the investment of both their individual contributions plus their share of employer contributions into the various investment options offered by the Plan. The Company's contributions are allocated in the same manner as that of the participant's elective contributions.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance, subject to certain Department of Labor and IRS requirements. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1% above the prime rate, as defined in the plan document. Principal and interest is paid ratably through payroll deductions each pay period.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

Distribution of Benefits

On termination of service, participants with vested account balances of \$5,000 or less are subject to involuntary cash-outs, in which automatic distribution of their account balance will occur without direct consent unless they elect a rollover. Participants whose vested account balances exceed \$5,000 may elect a lump sum distribution, periodic equal installment payments, a partial withdrawal, or a rollover of their account balance to another qualified account. Additionally, they may also elect to defer the distribution of their plan balance. Participants who elect to have their benefit payments deferred continue to share in allocations of investment income and losses, but do not share in subsequent allocations of employer contributions. Special rules apply to distributions due to death, disability and retirement. Participants should refer to the full plan document for details.

The Plan allows for in-service distributions upon attainment of age 59½ for all deferral contributions, discretionary employer matching contributions, and rollover contributions for any reason. The Plan also allows for in-service distributions prior to attainment of the Plan's normal retirement age due to financial hardship, as defined in the plan document, from vested account balances.

Vesting

Participants are immediately vested in their contributions (deferrals and rollovers), any safe-harbor employer contributions and earnings thereon. Vesting in company contributions other than safe-harbor contributions is based on years of continuous service. A participant is 100% vested after 5 years of credited service. Participants also become 100% vested upon death, disability, or attainment of normal retirement age.

Forfeitures

Forfeitures can be used to offset plan administration expenses and reduce employer contributions. There were no unallocated forfeiture balances as of December 31, 2022 and 2021. Forfeitures of \$-0- were used to offset plan administrative expenses and \$25,564 were used to reduce employer contributions during the year ended December 31, 2022.

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

Payment of Benefits

Benefits are recorded when paid.

Fees and Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 10, 2023, which is the date the financial statements were available to be issued.

See Note 7 for subsequent event.

NOTE 3 - UNAUDITED INVESTMENT INFORMATION CERTIFIED BY THE TRUSTEE

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Fidelity Management Trust Company as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

- All investment balances reflected in the accompanying statements of net assets available for plan benefits as of December 31, 2022 and 2021,
- All investment activity reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022,
- All investment-related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, and
- Notes receivable from participants as of December 31, 2022 and 2021 and the related income on notes receivable from participants for the year ended December 31, 2022.

December 31, 2022 and 2021

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methods used for assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds: Valued at fair value based on the Net Asset Value (NAV) of units held of the collective fund. The NAV, as provided by the Trustee/Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the observable market prices of the underlying investments within the fund less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,101,091	\$ -	\$ -	\$ 4,101,091
Total assets in the fair value hierarchy	4,101,091	-	-	4,101,091
Investments measured at net asset value ^(a)	-	-	-	14,532,078
Investments at fair value	\$ 4,101,091	\$ -	\$ -	\$ 18,633,169

(a) The common/collective trust funds are measured by using NAV as a practical expedient. These investments have not been classified in the fair value hierarchy table. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

As of December 31, 2021, all Plan investments are presented at fair value and are considered level 1 in the fair value hierarchy.

Fair Value of Investments in Certain Entities That Calculate Net Asset Value Per Share

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021:

	As of December 31,		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2022 Fair Value	2021 Fair Value			
Common/collective trust funds	\$ 14,532,078	\$ -	\$ -	Daily	Daily

December 31, 2022 and 2021

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Fidelity Management Trust Company, who is the Plan's Trustee and Investment Custodian. During the year ended December 31, 2022, the Plan paid direct compensation to the Investment Custodian for services rendered. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Investment Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. Upon termination, all participant accounts become 100% vested.

NOTE 7 - PLAN AMENDMENT AND TAX STATUS

The Plan is utilizing a non-standardized pre-approved plan, which has been filed with the IRS and has received a favorable opinion dated June 30, 2020 from the IRS. The Plan Sponsor has not elected to apply for an individual IRS Determination Letter upon adoption of the Plan nor on any subsequent amendments. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of December 31, 2022.

The plan document was most recently amended, effective August 8, 2022, to adopt in-plan Roth rollover contributions and conversions and modify loan disbursement fees. The plan has been amended once subsequent to December 31, 2022 regarding investments.

Certain IRS coverage and nondiscrimination tests have not been completed as of the date these financial statements were issued. The Plan Sponsor has indicated that all such tests will be completed no later than December 31, 2023 and any necessary corrective actions needed to maintain the Plan's qualified status will likely be made by such date.

**RDV STAFFING, INC.
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
