Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Detroit Free Press, Inc. Newspaper Guild of Detroit Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the years then ended and the statement of accumulated plan benefits as of January 1, 2022 and the related statement of changes in accumulated plan benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator
Detroit Free Press, Inc. Newspaper Guild of
Detroit Pension Plan

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year as of December 31, 2022 and reportable transactions for the year ended December 31, 2022 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Plan Description

The following description of Detroit Free Press, Inc. Newspaper Guild of Detroit Pension Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined benefit plan covering all full-time employees of Detroit Free Press, Inc. (the "Company") who are represented by the Newspaper Guild of Detroit (the "Guild"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility and Vesting

Employees of the Company become participants in the Plan upon commencing employment with the Company. Participants are fully vested for normal retirement benefits after five years of service. Participants who terminate service before becoming fully vested forfeit all benefits under the Plan.

Pension Benefits

Normal retirement benefits are provided for participants who have achieved age 62 and whose eligibility service includes a period of service prior to January 1, 1976. If the eligibility service does not include a period prior to January 1, 1976, normal retirement benefits are provided at the later of age 62 or the fifth anniversary date of the participant's date of hire.

Death Benefits

In certain circumstances, if an active or terminated employee who has a vested interest in the Plan dies prior to his or her normal retirement age, the surviving spouse or designated beneficiary shall receive a survivor benefit, as defined in the Plan.

Funding Policy

Contributions are made by the Company in actuarially determined amounts. The Company's policy is to make contributions necessary to satisfy ERISA funding standards. In addition, contributions are made in accordance with the terms of the collective bargaining agreement. There were no contributions made during the 2022 and 2021 plan years.

Party-in-interest Transactions

Certain plan assets are in investment funds managed by PNC Bank, National Association, the Plan's custodian, or its affiliates. Therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation

The Plan's investments are stated at fair value.

The unregistered commingled trust vehicles, bank collective trust, and open-end investment fund are valued at net asset value per share (NAV) (or its equivalent) of the funds, which is based on the fair value of the funds' underlying assets or based on audited financial statements of the funds, where available. Corporate stocks and the money market fund are valued based on quoted market prices. See Note 4 for additional information.

Notes to Financial Statements

December 31, 2022 and 2021

Note 2 - Summary of Significant Accounting Policies (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Administrative Expenses

The Plan's expenses are paid from the assets of the Plan.

Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future periodic payments that are attributable, under the Plan's provisions, to the service that employees have rendered. The actuarial present value of accumulated plan benefits has been determined by an independent actuary, Watkins Ross, and is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements, such as for death, disability, and retirement) between the benefit information date and the expected payment dates. The effect of plan amendments on accumulated plan benefits is recognized during the plan year in which such amendments become effective. The valuation was made as of January 1, 2022.

Actuarial Assumptions

The significant actuarial assumptions used in the valuation of the Plan at January 1, 2022 are summarized as follows:

Actuarial cost method	Traditional unit credit
Assumed rate of return	2.65 percent per annum
Mortality basis	Pri-2012 Total Database Amount-weighted Mortality Tables with MP-2021 Improvement Factors

The increase in actuarial present value of accumulated plan benefits for change in actuarial assumptions resulted from changing the discount rate from 2.30 percent in the 2021 valuation to 2.65 percent in the 2022 valuation and changing mortality tables from Pri-2012 Total Database Amount-weighted Mortality Tables with MP-2020 improvement factors in the 2021 valuation to Pri-2012 Total Database Amount-weighted Mortality Tables with MP-2021 improvement factors in the 2022 valuation.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

December 31, 2022 and 2021

Note 2 - Summary of Significant Accounting Policies (Continued)

Risks and Uncertainties

Contributions to the Plan and the accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics. Due to the changing nature of these assumptions, it is at least reasonably possible that changes in these assumptions will occur in the near term and, due to the uncertainties inherent in setting assumptions, that the effect of such changes could be material to the financial statements. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. It is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the statement of net assets available for benefits.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 9, 2023, which is the date the financial statements were available to be issued.

Note 3 - Certified Information

PNC Bank, National Association (the "Custodian") holds the Plan's investments, except as noted below, and executes all related investment transactions. The investment balances and related investment results included in the accompanying financial statements, supplemental schedule of assets held at end of year, and supplemental schedule of reportable transactions, other than those described below, are based solely on information certified by the Custodian.

Investments in unregistered commingled trust vehicles totaling \$25,657,753 and \$23,384,434 at December 31, 2022 and 2021, respectively; the open-end investment fund totaling \$6,303,668 and \$5,371,947 at December 31, 2022 and 2021, respectively; and the bank collective trust totaling \$5,073,389 and \$5,303,189 at December 31, 2022 and 2021, respectively, were not certified by the Custodian. The investment (losses) gains on these investments, totaling \$(1,964,552) and \$2,181,122 for the years ended December 31, 2022 and 2021, respectively, were also not certified by the Custodian.

Note 4 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

Notes to Financial Statements

December 31, 2022 and 2021

Note 4 - Fair Value Measurements (Continued)

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2022 and 2021:

Notes to Financial Statements

December 31, 2022 and 2021

Note 4 - Fair Value Measurements (Continued)

- (4) This class represents an investment in an actively managed unregistered commingled trust vehicle that invests primarily in debt securities, which may include corporate bonds and U.S. and non-U.S. municipal securities.
- (5) This class represents an investment in an actively managed unregistered commingled trust vehicle with investments in both equity and debt securities. The investments may include common stock, corporate bonds, U.S. and non-U.S. municipal securities, interest rate swaps, options, and futures.

Investments in Entities that Calculate Net Asset Value per Share

The Plan holds shares or interests in investment companies at year end where the fair value of the investment held is estimated based on net asset value per share (or its equivalent) of the investment company.

At year end, the fair value, unfunded commitments, and redemption rules of those investments are as follows:

Investments Held at December 31, 2022			
Fair Value	Unfunded Commitments	Redemption Frequency, if Eligible	Redemption Notice Period (in Business Days)
Unregistered commingled trust vehicles:			
Equity investments	\$ 36,099,724	\$ - Daily	0
Fixed-income investment	32,843,900	- Daily	0
Balanced investment	4,936,755	- Daily	0
Bank collective trust	5,073,389	- Quarterly	30
Open-end investment fund	6,303,668	- Quarterly	10
Total	<u>\$ 85,257,436</u>	<u>\$ -</u>	

Investments Held at December 31, 2021			
Fair Value	Unfunded Commitments	Redemption Frequency, if Eligible	Redemption Notice Period (in Business Days)
Unregistered commingled trust vehicles:			
Equity investments	\$ 53,385,170	\$ - Daily	0
Fixed-income investment	41,744,665	- Daily	0
Balanced investment	5,716,984	- Daily	0
Bank collective trust	5,303,189	- Quarterly	30
Open-end investment fund	5,371,947	- Quarterly	10
Total	<u>\$ 111,521,955</u>	<u>\$ -</u>	

Note 5 - Plan Termination

Should the Plan terminate at some future time, its net assets generally will not be available on a pro rata basis to provide participants' benefits. Whether a particular participant's accumulated plan benefits will be paid depends on both the priority of those benefits and the level of benefits guaranteed by the Pension Benefit Guaranty Corporation (PBGC) at that time. Some benefits may be fully or partially provided for by the then-existing assets and the PBGC guarantee, while other benefits may not be provided for at all.

December 31, 2022 and 2021

Note 6 - Tax Status

The Plan has received a determination letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Mandated Discount Rates – IRC §430 Unadjusted Rates

	Current Year	Prior Year
Segment 1 – Payments within 5 years	0.88%	1.75%
Segment 2 – Payments between 5 and 20 years	2.61%	3.04%
Segment 3 – Payments after 20 years	3.27%	3.65%
Effective Rate	2.82%	3.25%

Salary Scale - 2% per year was assumed; salaries at normal retirement age expressed as a percent of the salary at sample ages are as follows:

Age	Increase Rate
20	230%
25	208%
30	188%
35	181%
40	164%
45	149%
50	135%
55	115%
60	104%
62	100%

Rationale - The plan sponsor has provided the average expected rate of salary increases for the valuation year

Taxable Wage Base Increase Assumption - Increases to the taxable wage base were not assumed

Retirement Rates – Participants are assumed to retire in accordance with the rates shown below:

Age	Males	Females
55	0.10	0.10
56	0.05	0.05
57	0.05	0.05
58	0.05	0.05
59	0.07	0.07
60	0.10	0.10
61	0.10	0.10
62	1.00	1.00

Rationale - The rates were chosen based on this plan's historical experience and the expectations inherent in the retirement provisions of the plan

Termination Rates – See table of sample rates listed below

Age	Males	Females
20	25.0%	29.8%
25	23.9%	28.0%
30	17.2%	19.6%
35	7.9%	8.6%
40	3.8%	4.0%
45	1.7%	1.8%
50	0.9%	0.9%
55	0.4%	0.4%
60	0.1%	0.1%

Rationale - The rates were chosen based on this plan's historical experience and industry standards

Static Mortality Tables (as prescribed by law) – RP-2014 adjusted to 2006 base mortality rates (separate annuitant and non-annuitant tables), projected from the valuation date with improvement scale MP-2019 (projection period is 8 years for males, 9 years for females, increased by 1 year for each year below age 80 and decreased by 1/3 year for each year above 80)

Administrative Expenses – 3 year average of actual administrative expenses.

Rationale – The assumption was chosen based on recent plan experience.

Percent Married - 100% of males and 100% of females were assumed to be married.

Rationale – This is a conservative estimate to limit risk.

Age of Spouse - The female spouse is assumed to be 3 years younger than the male spouse.

Rationale – This is the actuary's best estimate.

The Detroit Free Press, Inc. - Newspaper Guild of Detroit Pension Plan

35	0.05%	0.05%
45	0.10%	0.10%
55	0.36%	0.36%

Post-Disablement Mortality – Revenue Ruling 96-7 male/female disability rates after 1994.
 Rationale – This is the actuary’s best estimate of future rates.

Probability of Payment Form

Form of Payment	Single Life Annuity	Joint and 50% Survivor	Joint and 100% Survivor
Active retirements	50%	0%	50%
Future deferred vested	50%	0%	50%
Future disabilities	100%	0%	0%
Future deaths	0%	100%	0%
Current deferred vested	50%	0%	50%

Rationale – These assumptions were chosen based on historical participant retirement elections.
