Independent Auditor's Report

Board of Directors of Franklin Sports, Inc. and Plan Participants
Franklin Sports, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Franklin Sports, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, line 4(i)—schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Franklin Sports, Inc. 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Franklin Sports, Inc. 401(k) Plan (the Plan) of Franklin Sports, Inc. (the Company) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by the Company on July 27, 1994.

The Plan was most recently amended at various points throughout 2019. The amendments updated eligibility requirements for matching employer contributions, automatic enrollment into the plan once eligibility requirements are met, Roth 401(k) contributions and investment options for the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Under a trust agreement dated July 27, 1994, the Employee Benefits Committee (the Committee) was appointed by the Company's Board of Directors as the Plan's trustee. The Committee transferred its responsibilities as plan trustee to the Fidelity Management Trust Company as of July 1, 2000. The Committee retains fiduciary responsibility for the Plan.

Eligibility requirements: The Plan allows for initial participation by any employee, excluding specific groups of employees, as defined in the plan document, who has attained the age of 21 years. Eligible employees can immediately enter the Plan upon hire.

To become eligible for the nonelective employer contribution, if made by the Company, an eligible participant must complete one year of service with the Company and have 1,000 hours of service in the plan year for which the contribution is made. To become eligible for the matching employer contribution, eligible employees must complete three months of service with the Company.

Contributions: Eligible employees can contribute an amount up to 60% of compensation, as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). The Company provides a matching contribution equal to 25% of each participant's deferral contribution, limited to 4% of eligible compensation which has been deferred upon. For the years ended December 31, 2022 and 2021, gross matching contributions amounted to \$150,483 and \$137,328, respectively. These matching contributions were recorded net of forfeiture funds applied in the amount of \$8,932 and \$4,533, respectively, with the net matching contributions amounting to \$141,620 and \$132,795 for the years ended December 31, 2022 and 2021, respectively.

The Company amended the Plan in September 2021, effective January 1, 2021, to provide a non-elective safe-harbor contribution of 3% of employee's eligible annual compensation.

The Company also provides an elective contribution, based on a percentage of an employee's eligible annual compensation, at the Company's discretion. The contribution percentage is determined by a sliding scale based on four population groups. These population groups are ordered by years of service, as detailed in the table below. The percentages used to determine the contribution within each population group are subject to annual compliance testing requirements. The elective contribution for the 2022 and 2021 plan years was based on the following table:

If the Participants Have the Following Years of Vesting	The Employer Shall Make the Following Contribution	
	2022	2021
0-10	1%	1%
11-15	2%	2%
16-20	2.5%	2.5%
21+	3%	3%

Note 1. Description of Plan (Continued)

Eligible compensation is also subject to certain limitations under the IRC. For the year ended December 31, 2022, elective and non-elective employer contributions amounted to \$269,437 and 530,251, respectively. For the year ended December 31, 2021, elective and non-elective employer contributions amounted to \$242,978 and \$480,306, respectively. The contributions are reported as employer contributions receivable of \$799,688 and \$723,284 at December 31, 2022 and 2021, respectively. No forfeiture funds were applied against the employer contributions receivable at December 31, 2022 and 2021.

Participant accounts: Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer elective and non-elective contributions, as well as the participant's share of the Plan's earnings and any related investment expenses. The allocations are based upon each participant's account balance in relation to all participant account balances within each investment fund.

Vesting and forfeitures: Participants are fully vested in their contributions and the earnings thereon. The employer match and discretionary employer contribution vest ratably at 20% per year over a five-year period starting with the employee's first year of eligibility. Forfeitures represent non-vested portion of participants' accounts at the time of termination. For the years ended December 31, 2022 and 2021, total forfeitures amounted to \$18,880 and \$26,305, respectively. Unallocated forfeitures are used to pay administrative expenses or to reduce employer contributions. For the years ended December 31, 2022 and 2021, no forfeitures were used to pay administrative expenses. Forfeitures used to reduce matching contributions during 2022 and 2021 were \$8,932 and \$4,533, respectively. No forfeitures were used to reduce elective employer contributions during 2022 and 2021. As of December 31, 2022 and 2021, there was \$33,016 and \$21,026 of unallocated forfeitures, respectively.

Investment elections: Participants may direct the allocations of their accounts in whole percentages to a variety of mutual funds, common collective trust fund, and a money market fund.

Notes receivable from participants: Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 (less the highest outstanding loan balance in the previous 12 months) or 50% of their vested account balance. Loan terms are provided up to five years for the purpose of immediate and heavy financial needs, as defined, including loans which are for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the Prime Rate plus 1% at the time of the loan issuance. Principal and interest are paid through payroll deductions.

Payment of benefits: A participant, or beneficiary in the case of death, may withdraw all or a portion of their account balance upon termination of employment, attaining early retirement age of 59 1/2, attaining normal retirement age of 65, death, qualifying hardship, or permanent disability. Beginning in 2020, once a participant reaches the age of 72, the participant will receive minimum required distributions on at least an annual basis. Prior to 2020, once a participant reached the age of 70 1/2, the participant would receive minimum required distributions on at least an annual basis. Generally, the participant will be distributed their vested account balance in the form of a lump-sum payment. However, a participant may also elect to receive their vested account balance in the form of installment payments.

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Administrative costs: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The custodian has established an expense budget account, whereby any funds generated by investments under this arrangement can be used to offset plan expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair value measurements: U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that is observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Franklin Sports, Inc. 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Valuation techniques: There have been no changes in the valuation techniques used during the current period.

Mutual funds: Mutual funds are valued at the quoted market prices. These securities are categorized in Level 1 as they are actively traded and no valuation adjustments have been applied.

Money market fund: The money market fund is stated at cost, plus accrued interest, which approximates fair value. This investment is categorized as Level 1.

Common collective trust fund: Valued at Net Asset Value (NAV) per unit based on the underlying investments comprising the trust and based on audited financial statements.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits: Benefits are recorded when paid.

Income taxes: U.S. GAAP requires plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2018.

- (a) In accordance with Accounting Standards Codification 820-10, certain investments that are measured at fair value using NAV per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 4. Information Prepared and Certified by Plan's Trustee

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Fidelity Management Trust Company, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets are complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information related to the following assets:

	2022	2021
Investments, at fair value:		
Mutual funds	\$ 27,357,511	\$ 31,563,597
Money market funds	12,596	14,714
Common collective trust fund	11,658	2,710,719
	<u>\$ 27,381,765</u>	<u>\$ 34,289,030</u>
Notes receivable from participants	<u>\$ 260,076</u>	<u>\$ 229,985</u>

Fidelity Management Trust Company also certified to the completeness and accuracy of \$8,531,593 in net depreciation and \$2,246,428 in net appreciation in fair value of investments for the years ended December 31, 2022 and 2021, respectively, and \$1,751,887 and \$2,824,940 of interest and dividends related to the aforementioned assets and \$11,668 and \$6,789 of interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, respectively.

Franklin Sports, Inc. 401(k) Plan

Notes to Financial Statements

Note 5. Notes Receivable from Participants

The Plan permits its participants to obtain loans against their account balance. Loans to participants are collateralized by the respective participant's remaining account balance. Certain restrictions apply to participant loans, as defined in the plan agreement. As of December 31, 2022 and 2021, total loans outstanding were \$260,076 and \$229,985, respectively.

During the years ended December 31, 2022 and 2021, interest earned on such loans was \$11,668 and \$6,789, respectively.

Note 6. Tax Status

The Plan document is stated in accordance with the Fidelity Volume Submitter Defined Contribution Prototype Plan. This prototype plan obtained its latest advisory letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the advisory letter. The Plan Administrator believes that the Plan continues to be designed and is currently being operated in compliance with the applicable provisions of the IRC. The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Approximately 22% and 8% of the Plan's assets are held in the Putnam Stable Fund as of December 31, 2022 and 2021, respectively, which is a Common Collective Trust. As such, this is considered to be a concentration of credit risk.

Note 8. Party-in-Interest Transactions

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain plan investments are shares of various mutual funds and a money market fund which are owned and managed by Fidelity Investments Institutional Operations Company, Inc., an affiliate of Fidelity Management Trust Company, the trustee of the Plan. In addition, the Plan issues loans to participants, which are secured by the balances in the participant's account, and also constitute party-in-interest transactions.

Note 9. Subsequent Events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.
