## **INDEPENDENT AUDITORS' REPORT**

### **To the Complete Discovery Source 401(k) Plan & Trust:**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Complete Discovery Source 401(k) Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Complete Discovery Source 401(k) Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

### ***Opinion (Continued)***

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Complete Discovery Source 401(k) Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Complete Discovery Source 401(k) Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## ***Auditors' Responsibilities for the Audit of the Financial Statements (Continued)***

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Complete Discovery Source 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Complete Discovery Source 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

***Other Matter - Supplemental Schedules Required by ERISA (Continued)***

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTES TO THE FINANCIAL STATEMENTS**

---

### **NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Complete Discovery Source 401(k) Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan was established effective January 1, 2004. The Plan is a defined contribution plan with salary reduction features covering employees of Complete Discovery Source, Inc. (“CDS”) and its affiliates, Metropolitan Office & Computer Supplies, Inc. (“MOCS”) and Metropolitan Duplicating & Imaging Inc. (“MDI”) (collectively the “Sponsor”) who have satisfied eligibility requirements. In July 2018, all employees of MDI were transferred to CDS and MDI is in the process of winding down and will be subsequently formally dissolved. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

As a result of the IRS plan restatement cycle requirements, the Sponsor, while with John Hancock Life Insurance Company (“John Hancock”), adopted a volume-submitter plan document effective August 1, 2015. This change did not have a significant impact on the Plan and its participants.

Effective July 1, 2022, the Plan changed from a John Hancock volume submitter plan to a Transamerica Retirement Solutions LLC (“Transamerica”) pre-approved plan (see Note 8), and total assets of \$12,639,868 were transferred.

#### **Contributions**

Participants may contribute a portion of their annual compensation, in accordance with the provisions defined by the Plan on a tax deferred basis, and limited to the maximum allowable in accordance with the applicable sections of the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. In addition, participants may make rollover and transfer contributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective January 1, 2016, participants may stop an election to contribute at any time.

### **NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

#### **Contributions (Continued)**

Effective January 1, 2014, the Plan Sponsor adopted safe harbor provisions, whereby the Plan Sponsor will make a matching contribution to eligible non-highly compensated participants, determined by their rate of elective deferrals (including catch-up contributions) up to 3% of eligible compensation and an additional 50% of the elective deferrals that exceed 3% of eligible compensation not to exceed 5%.

The Plan provides for discretionary employer profit sharing contributions. There were no discretionary profit sharing contributions in 2022.

#### **Participant Accounts**

Separate accounts are established and maintained under the Plan for each participant.

Each participant's account is credited with the participant's contribution, the Sponsor's safe harbor contribution, the Sponsor's discretionary profit sharing contribution, if any, and an allocation of the Plan earnings and charged with an allocation of Plan losses and administrative expenses.

#### **Eligibility and Vesting**

An employee is eligible to participate in the plan upon attainment of the age of 21 years and after completing 3 consecutive months of eligibility service (at least 250 hours in a 3 month period). Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

Participants who have completed one year of eligibility service and 1,000 hours within the eligibility computation period are eligible for employer safe harbor matching contributions, which vest immediately. Participants who have completed 1,000 hours of service during the plan year and are employed by the Sponsor on the last day of the plan year are eligible for employer profit sharing contributions, which vest on a 2-6 year grading schedule.

**NOTES TO THE FINANCIAL STATEMENTS**

---

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

**Notes Receivable from Participants**

Participants are permitted to borrow from their accounts up to a maximum equal to the lesser of \$50,000 or one half of their account balance. The term of each loan may generally not exceed five years, unless the proceeds of the loan are to be used to acquire a principal dwelling unit which has a maximum loan term of 15 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined at the time of the loan application. Loans outstanding during the year had interest rates ranging from 4.25% to 8%, respectively, per annum. Loan payments are generally made through payroll deductions or directly from the borrower and any expenses related to loan set-up and maintenance are charged directly against the appropriate participant's account.

**Payment of Benefits**

Upon termination of service or disability, a participant may receive a lump sum distribution or rollover into a qualified plan, or combination thereof, in the amount of the participant's account greater than \$5,000. If the participant's account is less than \$5,000, the participant's distribution automatically shall be made in the form of a lump sum payment as soon as practical. In-service withdrawals are permitted once a participant has attained age 59 1/2. No installment payments are allowed.

Through adoption of the amended and restated Plan document, participants no longer need to take Plan loans before taking a hardship distribution and hardship distributions no longer trigger a suspension of elective deferrals for six months.

**Administrative Expenses**

The Plan permits the payment of administrative expenses to be made from the Plan's assets. However, substantially all of the administrative expenses of the Plan are paid by the Sponsor without charge to the Plan.

Certain administrative functions are performed by employees of the Sponsor. No such employee receives compensation from the Plan.

### **NOTES TO THE FINANCIAL STATEMENTS**

---

#### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### **Basis of Accounting**

The accompanying financial statements are prepared under the accrual basis of accounting.

##### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, see next note). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### **Fully Benefit Responsive Investment Contract**

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statement of net assets available for benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. Contract value, as reported to the Plan by the custodian, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The statement of changes in net assets available for benefits is prepared on a contract value basis.

## **NOTES TO THE FINANCIAL STATEMENTS**

---

### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

#### **Payment of Benefits**

Benefit payments are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan and investment expenses are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

### **NOTE 3 - UNAUDITED INFORMATION**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the six months ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the current custodian of the Plan), who utilizes Transamerica as their recordkeeper. Transamerica provides statements related to the Plan.

Certain information related to net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the six months ended June 30, 2022, as well as certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements at December 31, 2021 was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock, the former custodian of the Plan.

#### **NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED)**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The Plan also utilizes a practical expedient to estimate the fair value of investments that have calculated net asset value ("NAV") per share. Accordingly, the Plan estimates the fair value of an investment using the NAV of the investment (or its equivalent) without further adjustment unless the Plan determines that the NAV is deemed to be not reflective of fair value.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In evaluating the level at which the Plan's investments have been classified, the Plan has assessed factors including, but not limited to price transparency, the ability to redeem at net asset value at the year-end and the existence or absence of certain restrictions at year-end.

**NOTES TO THE FINANCIAL STATEMENTS**

---

**NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

***Mutual funds and money market fund:*** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

***Pooled separate accounts:*** Valued at the net asset value (NAV) of the shares held by the Plan. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The pooled separate accounts are not available in an exchange or active market, however the fair value is determined based on the pro-rata share of the underlying investments in the pooled separate account. Generally, there are no restrictions on a participant's ability to redeem their investment in the pooled separate accounts. There are no unfunded commitments.

Pooled separate accounts consist of the following:

**Fixed Income Funds**

Fixed income funds include a money market fund and bond funds that seek preservation of capital while providing for a fixed income amount with low risk.

**Growth Funds**

Growth funds seek long term capital growth through capital appreciation while providing for current income.

**Index Funds**

Index funds seek long term capital growth through replication of the performance of a benchmark index.

### NOTES TO THE FINANCIAL STATEMENTS

---

#### NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

##### Target Age Funds

Target age funds seek a strategy that is consistent with the age of the investor and the mix of investments become more conservative as the participant ages.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

|                        | <u>Total</u>         | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> |
|------------------------|----------------------|----------------------|----------------|----------------|
| Mutual Funds and Money |                      |                      |                |                |
| Market Fund            | <u>\$ 10,925,521</u> | <u>\$ 10,925,521</u> | <u>\$ -</u>    | <u>\$ -</u>    |

As a result of adopting ASU 2015-07 in a prior year, investments in funds with fair value of \$13,823,521 are excluded from the fair value hierarchy as of December 31, 2021.

#### NOTE 5 - FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT

Effective July 1, 2022, the Plan entered into an investment contract related option, the Transamerica Stable Value Option, issued by Transamerica Financial Life Insurance Company ("TFLIC"). The contract underlying this investment option is considered to be fully benefit-responsive and therefore it is reported at contract value, which approximates fair value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus interest, less participant withdrawals, and administrative expenses.

**NOTE 5 - FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT (CONTINUED)**

TFLIC is contractually obligated to repay the principal and interest at a specified crediting interest rate that is guaranteed for six months. There is no minimum crediting interest rate. The crediting interest rate to participants for the contract as of December 31, 2022 was 0.90%. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on TFLIC's ability to meet its financial obligations. TFLIC's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with TFLIC. A market value adjustment may apply to withdrawals, other than benefits as defined in the contract, at the request of the Plan. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC.
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Employer

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the TFLIC and that also would limit the ability of the Plan to transact at contract value with the participants.

**NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS**

Plan investments are managed by Transamerica. Transamerica is and John Hancock was the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments as well as in administrative expenses.

#### **NOTE 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA and the terms of the Plan. In the event of termination of the Plan, participants' accounts remain fully vested and non-forfeitable. The Sponsor determines the date and manner in which participants' accounts will be distributed in accordance with ERISA.

#### **NOTE 8 - TAX STATUS**

Effective August 1, 2015, the Plan adopted an approved plan under the volume submitter program with John Hancock. The Internal Revenue Service has determined and informed the plan administrator, by a letter dated March 31, 2014, that the form of the volume submitter plan is acceptable under the applicable sections of the IRC. The plan has been amended since receiving the opinion letter. However, the plan administrator believes that the volume submitter plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the plan is qualified and the related trust is tax exempt.

Effective July 1, 2022, the Plan adopted a pre-approved plan with Transamerica. The IRS has determined and informed the Plan administrator, by a letter dated June 30, 2020, that the form of the pre-approved plan is acceptable under the applicable sections of the IRC. The plan has been amended since receiving the advisory letter. However, the Plan administrator believes that the pre-approved plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. However, the Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
