## INDEPENDENT AUDITOR'S REPORT

Pension Committee  
American Sugar Refining, Inc.

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Domino Foods, Inc. Savings and Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Domino Foods, Inc. Savings and Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Domino Foods, Inc. Savings and Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Domino Foods, Inc. Savings and Investment Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Domino Foods, Inc. Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Domino Foods, Inc. Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**DOMINO FOODS, INC. SAVINGS AND INVESTMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2022 and 2021**

**Note 1 - Plan Description**

The following brief description of the Domino Foods, Inc. Savings and Investment Plan (the "Plan") is provided for general information purposes only. The Plan document was changed, effective December 1, 2021. Participants should refer to the Plan agreement for more complete information.

**General**

The Plan is a deferred compensation plan (defined contribution plan) covering all eligible salary employees of Domino Foods, Inc. (the "Company") who are employed in the United States. Employees are eligible for participation in the Plan upon their date of employment. At December 31, 2022 and 2021, the assets of the Plan are held by Fidelity Management Trust Company (the "Trustee"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

**Contributions**

Participants may contribute up to 20% of their compensation, subject to maximums established by law. The Company makes matching contributions to the Plan equal to 50% of the Tax Deferred Basic contributions made to the Plan by each participant. The Company may, solely at the discretion of the Board of Directors, make a Capital Accumulation Contribution for eligible employees, who have completed one year of service and are employed on the last day of the plan year, or terminated employment prior to the last day on account of death, disability or retirement. The Capital Accumulation Contribution is equal to 5% of the Participant's Basic Compensation (as defined) for the plan year, below the Social Security Taxable Wage Base, plus 8% of the Participant's Basic Compensation (as defined) for the plan year, above the Social Security Taxable Wage Base. A Supplemental Capital Contribution of 2% of base salary may be made for employees, who were over age 40 and had at least ten years of service on October 1, 1991. Eligible employees may also make "catch up" contributions as allowed under the Internal Revenue Code. The Plan offers numerous investment fund options with the Trustee. Each participant may direct their contributions among the funds in multiples of at least 1%. The investment options are described in the summary plan description.

**December 31, 2022 and 2021**

**Note 1 - Plan Description (Continued)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions and rollover contributions and allocations of: (a) the Company's contribution, and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Effective June 2021, the method of charging participants for record keeping changed from a revenue sharing approach to a fixed dollar approach (\$16.25 per quarter). Effective July 2021, all newly hired employees will be auto enrolled in the Plan.

**Vesting**

Participant contributions are fully vested immediately, plus actual earnings/losses thereon.

Employer matching contributions shall be 100% vested after one full year of service.

The first 3% of Capital Accumulation Contributions are fully vested immediately. The remaining amounts shall be 100% vested after three years of service.

**Forfeitures**

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$276 and \$2,461, respectively. These accounts will be used to reduce future employer contributions. During 2022 and 2021, employer contributions were reduced by \$1,186 and \$207, respectively, from forfeited non-vested accounts.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts, a minimum of \$1,000 or, if less, the entire value of the participant's account, but not less than in one hundred dollar increments up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms shall not exceed five years unless the loan is used to purchase a primary residence. The notes are secured by the balance in the participant's account and bear interest at rates that ranged from 4.25% to 6.50% at December 31, 2022. Principal and interest are paid ratably through payroll deductions.

**Note 1 - Plan Description (Continued)**

**Payment of Benefits**

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or annual installments in the form of an annuity payment. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

In 2013, the Plan was amended to allow participants reaching the age of 59 1/2 to elect to withdraw up to their entire vested balance.

During 2020, the Plan adopted the provision of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") which allows qualified individuals to treat Coronavirus-related distributions up to \$100,000 made between January 1 and December 30, 2020, as exempt from the 10% additional tax on distributions that otherwise generally applies to distributions before an individual reaches age 59 1/2.

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments as of December 31, 2022 and 2021, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See notes 3 and 4 for investments in Master Trust and discussion of fair value measurements.

**December 31, 2022 and 2021**

**Note 2 - Summary of Significant Accounting Policies (Continued)**

**Investment Valuation and Income Recognition (Continued)**

The ratio of the Plan's assets to the value of all assets held in the Master Trust for the period January 1, 2021 through November 30, 2021, were used to allocate interest income, dividend income and net (depreciation) appreciation in fair value of investments on a daily basis.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Plan investment related expenses and administrative expenses are paid by the Plan to the extent that they are not paid by the Company in accordance with the Plan document.

**Subsequent Events**

The Plan has evaluated subsequent events and transactions through October 10, 2023, the date that the financial statements were available to be issued.

**Note 3 - Investments in Master Trust**

The Plan's investments were formerly in the Master Trust which was established for the investment of assets of the Plan and several other American Sugar Refining, Inc. sponsored retirement plans. Each participating retirement plan had an undivided interest in the Master Trust. The assets of the Master Trust were held by Fidelity Management Trust Company, the Trustee of the Plan. Investment income and administrative expenses relating to the Master Trust were allocated daily to the individual plans based upon the balances invested by each plan. Effective November 30, 2021, the Master Trust was terminated and the assets of the Master Trust were allocated to each participating plan according to their respective interest at that date.

Net investment income of the Master Trust for the period January 1, 2021 to November 30, 2021 is as follows:

|                                         | <u>2021</u>          |

**DOMINO FOODS, INC. SAVINGS AND INVESTMENT PLAN**  
**Notes to Financial Statements (Continued)**  
**December 31, 2022 and 2021**

**Note 4 - Fair Value Measurements**

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. It defines fair value as an exit price, which is the price that would be received for an asset or paid to transfer a liability in the Plan's principal or most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date.

The fair value hierarchy generally requires an entity to examine the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Observable inputs reflect the assumptions market participants would use in pricing the asset or liability and are developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the entity's own assumptions based on market data and the entity's judgments about the assumptions that market participants would use in pricing the asset or liability, and are to be developed based on the best information available in the circumstances.

The Plan determines the fair market value of its investment in securities based on the established fair value definition and hierarchy levels. The three levels within the hierarchy that may be used to measure fair value are:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs, including Level 1 prices that have been adjusted; quoted prices for similar assets or liabilities; quoted prices in markets that are less active than traded exchanges; and other inputs that are observable or can be substantially corroborated by observable market data.

Level 3: Unobservable inputs that are supported by little or no market activity and that are a significant component of the fair value of the assets or liabilities.

**DOMINO FOODS, INC. SAVINGS AND INVESTMENT PLAN**  
**Notes to Financial Statements (Continued)**  
**December 31, 2022 and 2021**

**Note 4 - Fair Value Measurements (Continued)**

The lowest level of input that is a significant component of the fair value measurements determines the placement of the entire fair value measurement in the hierarchy. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the classification of fair value assets and liabilities within the fair value hierarchy levels.

The following is a description of the valuation methodologies used for assets measured at fair value.

**Mutual funds:**

Mutual funds are valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are deemed to be actively traded.

**Collective trusts:**

Collective trusts are valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair market value of certain financial instruments could result in a different fair value measurement at the reporting date.

**DOMINO FOODS, INC. SAVINGS AND INVESTMENT PLAN**  
**Notes to Financial Statements (Continued)**  
**December 31, 2022 and 2021**

**Note 4 - Fair Value Measurements (Continued)**

- (a) Each Retirement Date trust seeks the highest total return over time consistent with an emphasis on both capital growth and income. Each trust's allocation between stock and bond investments will change over time in relation to each trust's target retirement date.
- (b) The trust seeks to provide the highest total return over time consistent with an emphasis on both capital growth and income. The trust invests in a diversified portfolio of other T.Rowe Price common trust funds that represent various asset classes and sectors.
- (c) The trust seeks the preservation of principal and to provide income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain liquidity.

**Note 5 - Related Party and Party-in-Interest Transactions**

Certain investments of the Plan as of December 31, 2022 and 2021 are shares of mutual funds managed by Fidelity Investments. Fidelity Management Trust Company (the "Trustee") is a related party to Fidelity Investments and, therefore, these transactions qualify as party-in-interest transactions.

In 2012, the Plan was amended to allow for a Participant Revenue Credit program ("PRC") with the Trustee. The PRC allows for recordkeeping revenues received by the Company in connection with plan services exceeding agreed-upon compensation to be allocated to the accounts of eligible participants. PRC funds reduce the management fees otherwise paid by the Plan. This arrangement was terminated effective June 30, 2021, and replaced effective June 1, 2021, with a fixed dollar approach. Refer to Note 1 for further discussion.

Management fees of \$10,746 and \$15,150 were paid by the Plan to Fidelity Management Trust Company, the Trustee of the Plan, for the years ended December 31, 2022 and 2021, respectively. These transactions qualify as party-in-interest transactions.

**Note 6 - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right at any time to terminate the Plan, or the Plan and Trust, by delivering to the plan administrator and the Trustee written notice of such termination.

**Note 7 - Tax Status**

The Internal Revenue Service has determined, and informed the Plan by a letter dated September 2, 2014, that the Plan is designed in accordance with Section 401(a) of the Internal Revenue Code. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Employee benefit plans are subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress for the Plan. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

**Notes to Financial Statements (Continued)**  
**December 31, 2022 and 2021**

**Note 9 - Transfer of Assets**

Transfers of assets into and out of the Plan represent changes in participants' eligibility for their respective plans.

**Note 10 - Risks and Uncertainties**

The Plan, through its interest in the Master Trust, invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
