INDEPENDENT AUDITOR'S REPORT

To the Participants and Beneficiaries
Tucson Jewish Community Center, Inc.
401(k) Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Tucson Jewish Community Center, Inc. 401(k) Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Tucson Jewish Community Center, Inc. 401(k) Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Tucson Jewish Community Center, Inc. 401(k) Profit-Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT, Continued

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tucson Jewish Community Center, Inc. 401(k) Profit-Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tucson Jewish Community Center, Inc. 401(k) Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tucson Jewish Community Center, Inc. 401(k) Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT, Continued

Auditor's Responsibilities for the Audits of the Financial Statements, Continued

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2022 and 2021

1. Description of Plan

The following description of the Tucson Jewish Community Center, Inc. 401(k) Profit-Sharing Plan (Plan), sponsored by Jewish Community Center, Inc., provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a multiple employer 401(k) defined contribution plan covering all full-time and part-time employees of the Tucson Jewish Community Center, Inc. (JCC), Jewish Federation of Southern Arizona (JFSA), Jewish Community Foundation of Southern Arizona (JCF), and Jewish History Museum (JHM). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

	<u>Employee deferrals</u>	<u>Employer Match</u>
JCC	At least 21 years of age Complete at least one year of service	At least 21 years of age Complete at least one year of service *
JFSA/ JCF	At least 21 years of age No minimum service requirement	At least 21 years of age No minimum service requirement
JHM	At least 21 years of age No minimum service requirement	At least 21 years of age No minimum service requirement

* One year of service is defined by a minimum of 1,000 hours within a year.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation (subject to certain limitations), as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of pooled separate accounts as investment options for participants. Contributions are subject to certain limitations imposed by the Internal Revenue Service (IRS).

Annual base contributions are made as determined by the Board of Trustees of JCC in an amount equivalent to a percentage of each participant's salary reduction contribution, at its discretion each plan year. Annual base contributions are made as determined by the Board of Trustees of JFSA and JCF in an amount equivalent to a percentage of each eligible participant's compensation, at its discretion each plan year, through a profit-sharing contribution. JHM provides each eligible employee a matching contribution that does not exceed 4% of compensation received during the Plan year and provides for an additional discretionary base contribution as determined by the Board of Directors.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of each company's contributions and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2022 and 2021

1. Description of Plan, Continued

Vesting

Participants are immediately 100% vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. Participants of the JCC and JHM are 100% vested in each of the company's other contributions, plus actual earnings thereon, after five years of service based on a vesting schedule of 20% per year with a two-year cliff. To earn a year of service, participants must be credited with at least one hour per month during the Plan year. JFSA employees are 100% vested in each of the company's other contributions, plus actual earnings thereon, after three years of service.

Notes Receivable from Participants

Participants who are employees of the JCC may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Notes receivable from participants are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The interest rates on notes receivable from participants range from 3.25% to 8.25%. Principal and interest are paid ratably through payroll deductions and must be repaid within five years, unless the loan is taken for the purchase of a primary residence, in which case the loan may be repaid within ten years. Notes receivable from participants are limited to two outstanding loans per participant at a time.

Payment of Benefits

On termination of services due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or an annuity benefit payable under the terms of the insurance company contract. The method of payment is dependent upon the election made by the participant.

For termination of service due to other reasons, the participant will receive the value of the vested interest in his or her account as a lump-sum distribution or the participant can opt to leave their vested balance in the plan for future distribution.

Forfeitures

Forfeitures occur when a participant receives a cash-out distribution of their account balance upon termination and they are not fully vested. Forfeited amounts may be used to reduce employer contributions or pay administrative expenses in accordance with provisions of the Plan document. Unvested forfeitures available to be utilized by the plan in future years were \$8,299 and \$88,927 at December 31, 2022 and 2021, respectively. Forfeited non-vested accounts utilized by the Plan to reduce employer contributions for the years ending December 31, 2022 and 2021 totaled \$19,865 and \$85,533, respectively. There were no forfeitures used to pay administrative expenses during the years ended December 31, 2022 and 2021.

Administrative Expenses

As provided in the Plan agreement, administrative expenses may be paid either by the Plan or by the JCC. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. For the years ending December 31, 2022 and 2021, the Plan paid administrative fees of \$2,243 and \$5,892, respectively. All other administrative expenses, including professional fees, were paid by the JCC on behalf of the Plan.

1. Description of Plan, Continued

Investment Options

Participants may direct their accounts to be invested in any of the investment options offered by the Plan. Participants may change their investment options daily.

SECURE 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provision to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid. Corrective distributions are reported as a reduction of employer contributions in the statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net change includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

3. Plan Termination

Although it has not expressed any intent to do so, the JCC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account balances.

See independent auditor's report.

4. Income Tax Status

The IRS has determined and informed the JCC, by a letter dated September 10, 2002, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The IRS has issued a letter dated November 30, 2020 that the Plan, as amended, is designed in accordance with the applicable sections of the IRC. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2022, management is not aware of any uncertain tax positions that are potentially material. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits in progress for any tax periods.

5. Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

See independent auditor's report.

5. Fair Value Measurements, Continued

Pooled separate accounts: valued at the net asset value of shares held by the Plan based on the market value of the underlying investments.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value:

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 5,248,127	\$ -	\$ 5,248,127
Investments at fair value	\$ -	\$ 5,248,127	\$ -	5,248,127
Interest accumulation account - not subject to fair value measurement				472,272
				<u>\$ 5,720,399</u>

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 7,080,306	\$ -	\$ 7,080,306
Investments at fair value	\$ -	\$ 7,080,306	\$ -	7,080,306
Interest accumulation account - not subject to fair value measurement				462,128
				<u>\$ 7,542,434</u>

The fair value hierarchy does not apply to the interest accumulation account as it is liquid and is deemed comparable to a cash equivalent by the custodian.

Interest income on notes receivable from participants	<u>\$ 6,139</u>	<u>\$ 5,882</u>

7. Prohibited Transactions

During the year ended December 31, 2022, the Company inadvertently failed to deposit \$490 of participant contributions within the required timeframe as stated by the Department of Labor (DOL). The amount of \$490 was corrected during the year ended December 31, 2022. The DOL considers late deposits to be nonexempt prohibited transactions.

8. Agreements and Transactions with Parties-in-Interest

Fees paid by the JCC on behalf of the Plan for legal, accounting and other services rendered to the Plan were based upon customary and reasonable rates for such services, as determined by the Plan's trustee.

9. Subsequent Events

The JCC was unaware of any subsequent events as of October 10, 2023, the date the financial statements were available to be issued.
