## INDEPENDENT AUDITOR'S REPORT

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bituminous Paving Employee's Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520. 103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the

United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Prior Period Financial Statements**

The financial statements for the year ended December 31, 2021, were audited by HG&K LTD, who merged with Abdo as of June 1, 2023, and whose report dated October 14, 2022, expressed an unmodified ERISA Section 103(a)(3)(C) opinion on those statements.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year), as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following brief description of the Bituminous Paving Employee's Profit Sharing Plan & Trust (the Plan) is provided for general information purposes only. Participants should refer to the original Plan document as amended for a more complete description of the Plan's provisions.

General

The plan is a defined contribution plan established by Bituminous Paving, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participation in the plan is entirely voluntary. An eligible employee is any person employed by the Company, who have completed six months of service and have attained age 18 or older.

Contributions

Participants may elect to contribute a percentage of their compensation to the plan each year, subject to limitations, as defined in the documents. Participants have the option to make pre-tax contributions or Roth contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the plan. The Company may, in its sole discretion, make a profit sharing contribution to the Plan on behalf of eligible employees who have completed at least 1,000 hours of service and are employed on the last day of the plan year. Additionally, the Company may make qualified nonelective contributions for the benefit of all participants eligible to make elective deferrals. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's profit sharing contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Elections

The participant contributions and the company profit sharing contributions are allocated to the various investment options offered by the Plan as directed by the participant.

Vesting

Participants are immediately 100 percent vested in their contributions, rollover contributions, and actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION (cont.)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25 percent to 7.00 percent, which commensurate with local prevailing rates at the time of the loan. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

Benefit distributions to participants represent the amounts paid during the year to participants, upon the earliest occurrence of any of the following events: death, retirement, total and permanent disability, voluntary or involuntary termination of employment, or hardship. Benefits are distributed in the form of a lump sum amount, rollovers, transfers to annuities, or in installments over varying periods, as allowed by the Plan.

Forfeited Accounts

Generally, when a participant terminates participation in the plan, the nonvested portion of the participant's account, as defined by the plan, represents a forfeiture. Forfeitures are utilized to reduce the company profit sharing contributions or for payment of plan expenses. However, if a participant is reemployed and fulfills certain requirements, as defined in the plan, the participant's account will be reinstated.

Forfeited nonvested amounts are used to pay administrative expenses of the plan, restore unvested amounts to reemployed participants, or reduce company profit sharing contributions into the plan. Forfeited non-vested accounts totaled \$28,826 and \$1,579 at December 31, 2022 and 2021, respectively. During 2022, no forfeitures were used to pay plan expenses. During 2021, \$2,618 of forfeitures were used to pay plan expenses. Any remaining forfeitures will be allocated to participants in any year when there is a discretionary employer contribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value, except for fully benefit-responsive contracts, which are stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Payment of Benefits

Benefits are recorded when paid.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for plan benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for plan benefits during the reporting period. Actual results could differ from those estimates.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the company. Expenses that are paid by the company are excluded from these financial statements. Plan expenses may be charged pro rata to each participant in relation to the size of each participant's account balance or may be charged equally to each participant. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation (depreciation) in fair value of investments. Additionally, forfeitures may be used to pay plan expenses.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (the trustees of the plan).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS

Generally accepted accounting principles define fair value, establish a framework for measuring fair value, and establish a fair value hierarchy that prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income, or cost approach are used to measure fair value. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Plan has the ability to access.

Level 2 - Inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 - Unobservable inputs for the asset or liability rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Plan's own data.)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Pooled separate accounts are valued based upon the unit values of such pooled separate accounts held by the plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation and other means, although are not based upon quoted market priced in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled separate accounts, there are no unfunded commitments or redemption restrictions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS (cont.)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

|                           | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>        |

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan's guaranteed income fund is a fully benefit-responsive investment contract with Empower Annuity Insurance Company of America, an affiliate of the Plan Trustee. Empower Annuity Insurance Company of America maintains the contributions to the investment contract in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events initiated at the Plan-level (including but not limited to spin-offs, sales, mergers, and full or partial plan termination) could limit the ability of the Plan to transact at contract value with the contract issuer. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable of occurring.

There are no reserves against contract value for credit risk of the contract issuer that have been established. Empower is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is calculated by Empower and is reset at least quarterly and will never be less than 0%. The average yield earned by the Plan and credited to participants was 3.00% for both the years ended December 31, 2022 and 2021.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of pooled separate accounts managed by the Trustee as defined by the plan and, therefore, these transactions qualify as party in interest transactions. Fees paid by the plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative fees related to the administration of the plan were paid by the Plan or by the Company. These transactions qualify as party in interest transactions.

BITUMINOUS PAVING EMPLOYEE'S PROFIT SHARING PLAN & TRUST  
NOTES TO THE FINANCIAL STATEMENTS

NOTE 7 - FEDERAL INCOME TAX EXEMPTION

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan constitutes a qualified Plan under Section 401(a) of the Internal Revenue Code (IRC) and that the Trust created under the Plan is exempt from federal income taxes under provisions of Section 501(a). Compliance with the Employee Retirement Income Security Act of 1974 (ERISA) is required to maintain this tax status. Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognized a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the appropriate regulatory authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax projects in progress.

NOTE 8 - CONCENTRATION OF CREDIT RISK

Funds invested in the fixed account at December 31, 2022 and 2021, represent 36% and 27% of total plan assets at December 31, 2022 and 2021, respectively. A significant decline in the market value of the fixed account would significantly affect the net assets available for plan benefits.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in all accounts and all of the assets would be distributed to the participants based upon the balance in their respective accounts.

NOTE 10 - RISKS AND UNCERTAINTIES

The plan invests in various investment funds. Investment funds are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 11 - FIDELITY BOND

The plan was covered by an \$500,000 fidelity bond during 2022 and 2021.

NOTE 12 - COMMITMENTS

The Plan at December 31, 2022 and 2021, holds assets of employees that have terminated and remain in the Plan totaling approximately \$484,700 and \$612,900, respectively.

BITUMINOUS PAVING EMPLOYEE'S PROFIT SHARING PLAN & TRUST  
NOTES TO THE FINANCIAL STATEMENTS

NOTE 13 - PLAN TRUSTEE

Empower Retirement became the sole administrator of the retirement business acquired from Mass Mutual Life Insurance Company. Through this transaction, group insurance business written by Mass Mutual is reinsured by Empower Annuity Insurance Company of America and Empower Trust Company, LLC. Empower Annuity Insurance Company of America and Empower Trust Company, LLC will be the new trustees of Plan Assets for plan year ended December 31, 2022.

NOTE 14 - INVESTMENT OPTION CHANGES

The Plan Sponsor routinely reviews the investment options offered by the Plan. As a result of their review, changes are periodically made to the Plan's investment options. If an investment is changed, the participant can no longer contribute to the previous investment options. The Plan Sponsor and investment advisor complete a mapping of the previous investment options to the new investment options for Plan participants.

NOTE 15 - SECURE Act 2.0

In December 2022, Securing a Strong Retirement Act ( SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 CARES Act. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. Management has evaluated those provisions and determined there is no current impact on the Plan. Plan management will determine the optional provisions to elect in the future.

NOTE 16 - SUBSEQUENT EVENTS.

Management has evaluated subsequent events through October 10, 2023, the date which the financial statements were available to be issued.
