Independent Auditor's Report

Plan Administrator
Campbell, Cunningham & Taylor, P.C. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Campbell, Cunningham & Taylor, P.C. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Plan Administrator
Campbell, Cunningham & Taylor, P.C. 401(k) Profit Sharing Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

Plan Administrator
Campbell, Cunningham & Taylor, P.C. 401(k) Profit Sharing Plan

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Plan Administrator
Campbell, Cunningham & Taylor, P.C. 401(k) Profit Sharing Plan

Other Matter – Supplemental Schedules Required by ERISA (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022

1. Description of the Plan

The following description of Campbell, Cunningham & Taylor, P.C. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan's Adoption Agreement for a more complete description of the Plan's provisions. Copies of this document are available from Campbell, Cunningham, Taylor, & Haun, P.C., Knoxville Ophthalmology Association, LLC, and Campbell Cunningham Laser Surgery Center, PLLC (collectively referred to as the "Plan Sponsor").

General

The Plan is a controlled group defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Plan Sponsor who have attained age 21 and completed one year of service are eligible to become participants in the Plan, effective on January 1 or July 1 after the eligibility requirements are met. Effective January 1, 2023, the Plan was amended to allow eligible employees to enter the Plan on the first day of the month following meeting all other eligibility requirements.

Contributions

Participating employees may elect to defer their full compensation, subject to Internal Revenue Service (IRS) limitations. In addition, participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change the investment options previously elected at any time.

Each payroll period, the Plan Sponsor contributes to the Plan a safe harbor nonelective contribution of 3% of a participant's compensation, as defined in the Adoption Agreement. The Plan Sponsor may also make a discretionary nonelective contribution to participants employed on the last day of the plan year. The Plan Sponsor did not make any discretionary nonelective contributions for 2022.

Receivables for these contributions, if any, are unsecured.

Participant Accounts

Each participant's account is credited with the participant's contributions, Plan Sponsor contributions, investment earnings and losses that are allocated daily based on each participant's relative account balance within the respective fund, and an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of the Plan (continued)

Vesting

Participants are immediately vested in their elective salary deferral contributions, rollover contributions from other qualified plans, and related earnings thereon.

Vesting in the Plan Sponsor's safe harbor nonelective contributions and the Plan Sponsor's discretionary nonelective contributions, plus related earnings thereon, is based on years of service as follows:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures of terminated participants' non-vested accounts may be used to reduce future Plan Sponsor contributions to the Plan or plan expenses. If a terminated participant is rehired by the Plan Sponsor, the participant may be entitled to a restoration of certain amounts forfeited, based on provisions in the Plan Agreement. Forfeitures totaled $3,626 during 2022. As of December 31, 2022 and 2021, there was $458 and $232, respectively, in the forfeiture account, which is included in the Plan's assets. Forfeited nonvested accounts used to reduce plan expenses totaled $3,678 in 2022.

Notes Receivables from Participants

Subject to approval by management of the Plan, participants may borrow from their fund accounts. The minimum amount of the loan is $1,000, and the maximum amount is the lesser of one-half of the participant's vested account balance or $50,000. Up to two loans for each participant can be outstanding at any time, and the loans bear interest at prime plus 1%. The loans are repayable in level periodic payments over various terms of up to five years. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

1. Description of the Plan (continued)

Payment of Benefits

At any time on or after the age of 59½ or upon termination of service due to death, disability, or retirement, a participant (or his or her beneficiaries) may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in installments. For termination of service for other reasons, a participant (or his or her beneficiaries) may receive the value of the vested interest in his or her account as a lump sum distribution.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts in the Plan's financial statements. Accordingly, actual results may differ from those estimates.

Investments

Empower Trust Company, LLC (the "Custodian") holds the Plan's investments, which are measured at fair value; accordingly, net depreciation in the fair value of investments is reflected in the statement of changes in net assets available for benefits. This includes all investments bought or sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Generally, the Plan's investments are collateralized by the proportionate share of the respective fund's underlying net assets. The maximum loss, if any, incurred by the Plan if the counterparties to the Plan's investments failed to perform and any collateral was insufficient, would be the recorded amount of such investment.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

2. Significant Accounting Policies (continued)

Notes Receivable from Participants (continued)

Upon default of notes receivable from participants, the entire outstanding principal and interest shall be immediately due and payable. If a distributable event, as defined by the Internal Revenue Code (IRC), has occurred, the note receivable will be foreclosed on and be offset against the participant's account balance. If a participant's note receivable is in default, the participant shall be treated as having a taxable deemed distribution whether or not a distribution event has occurred.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain plan administrative expenses are paid by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net realized and unrealized appreciation in the fair value of investments.

Subsequent Events

Management of the Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

3. Tax Status

The Plan Sponsor adopted a prototype plan sponsored by Great-West Trust Company, LLC (Great-West) that received a favorable opinion letter from the IRS dated June 30, 2020, which states the form of the prototype plan is acceptable for use under applicable sections of the IRC.

The Plan has been amended since the latest opinion letter date; however, the Plan Administrator believes the Plan is being operated in accordance with applicable requirements of the IRC and, accordingly, remains exempt from income taxes.

4. Certified Information (Unaudited)

Great-West holds the Plan's investments assets and executes transactions therein. Financial information relating to those assets disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held as of December 31, 2022 and 2021, net realized and unrealized depreciation in the fair value of investments, interest and dividend income, and interest income on notes receivable from participants, is based on information provided to the Plan Administrator and agreed to or derived from information certified as complete and accurate by Great-West.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 Inputs to the methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level for the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

5. Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds: Valued daily at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds are deemed to be actively traded.

Self-directed brokerage accounts: Comprised substantially of common stocks, which are valued at the closing price reported on the active market on which the shares are actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31:

	Level 1	Level 2	Level 3	Total
2022:				
Mutual funds	**$10,535,299**	**$ –**	**$ –**	**$10,535,299**
Self-directed brokerage accounts	**678,920**	**–**	**–**	**678,920**
Total investments at fair value	**$11,214,219**	**$ –**	**$ –**	**$11,214,219**
2021:				
Mutual funds	$12,095,216	$ –	$ –	$12,095,216
Self-directed brokerage accounts	917,302	–	–	917,302
Total investments at fair value	$13,012,518	$ –	$ –	$13,012,518

6. Party-in-Interest Transactions

Certain investments are held and managed by Great-West; therefore, these transactions qualify as party-in-interest transactions.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Delinquent Participant Contributions

Defined contribution plans are required to remit participant contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. Contributions totaling $180,941, $52,492, and $12,627 were not remitted within the required time period during 2022, 2021, and 2020, respectively. As of October 13, 2023, the Plan Sponsor is in the process of correcting these delinquent participant contributions, including remitting the associated lost earnings to the Plan.
