INDEPENDENT AUDITORS' REPORT

Retirement Committee
**Masonic Health System of Massachusetts, Inc. and
Grand Lodge of Masons in Massachusetts Defined Contribution Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Masonic Health System of Massachusetts, Inc. and Grand Lodge of Masons in Massachusetts Defined Contribution Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of the years ended December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Masonic Health System of Massachusetts, Inc. and Grand Lodge of Masons in Massachusetts Defined Contribution Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Masonic Health System of Massachusetts, Inc. and Grand Lodge of Masons in Massachusetts Defined Contribution Plan's ability to continue as a going concern for one year from the financial statement issue date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Masonic Health System of Massachusetts, Inc. and Grand Lodge of Masons in Massachusetts Defined Contribution Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Masonic Health System of Massachusetts, Inc. and Grand Lodge of Masons in Massachusetts Defined Contribution Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021
AND FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Masonic Health System of Massachusetts, Inc. and Grand Lodge of Masons in Massachusetts Defined Contribution Plan (the Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

GENERAL

The Plan was established on January 1, 2000 by The Masonic Health System of Massachusetts, Inc., Overlook Masonic Health Center, Inc., Overlook Visiting Nurse Association, Inc., Overlook Communities, Inc., and the Grand Lodge of Masons in Massachusetts (collectively referred to as the Plan Sponsor, Employer or the Company). The purpose of the Plan is to accumulate retirement income for its employees that will supplement retirement benefits provided to them by Social Security Administration. The Plan is a contributory single-employer 401(k) and profit-sharing plan, under Section 401(k) of the Internal Revenue Code (the Code) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Retirement Committee of the Plan Sponsor has overall responsibility for the operation and administration of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan Sponsor is responsible for the general administration of the Plan. Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal) is the trustee and recordkeeper of the Plan.

ELIGIBILITY

Employee Elective Contributions – All non-union, non-leased employees become eligible to participate immediately upon date of hire.

Employer Discretionary Elective Contributions – All non-union, non-leased employees become eligible to participate on the first day of the month immediately following the completion of one year of service. Employee elective contributions must be made for Employer discretionary elective contributions to be effective.

Employer Discretionary Non-Elective Contributions – All non-union, non-leased employees become eligible after completing one year of service. Participants must be employed on the last day of the Plan year to participate in the current year discretionary non-elective contribution. Participants who are not actively employed at the end of the Plan year due to death, disability, or normal retirement will be eligible to participate in the discretionary non-elective contribution regardless of the above conditions.

**AS OF DECEMBER 31, 2022 AND 2021
AND FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

EMPLOYEE ELECTIVE CONTRIBUTIONS

Participants may elect to defer up to a percentage of their eligible pre-tax annual compensation, as defined, by the Plan, subject to dollar limits prescribed in the Code, which was \$20,500 in 2022. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions of \$6,500 in 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

EMPLOYER CONTRIBUTIONS

The Company, at its discretion, may make a discretionary elective contribution, equal to an amount not to exceed 50% of each participant's first 4% of eligible compensation contributed as elective deferrals. During the year ended December 31, 2022, \$251,906 of discretionary elective contributions were made.

There were no discretionary non-elective contributions for the year ended December 31, 2022.

PARTICIPANTS ACCOUNTS

Each participant's account is credited with the employee elective contributions and the Employer's discretionary elective contributions, allocations of the Company's discretionary non-elective contributions and Plan investment earnings and reduced by an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan does not allow issuance of participants' notes.

VESTING

Participants are immediately vested in all employee discretionary elective contributions, employer discretionary elective contributions, rollovers, and the Plan earnings.

**AS OF DECEMBER 31, 2022 AND 2021
AND FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING (CONTINUED)

A participant's vesting of employer discretionary non-elective contributions, and earnings thereon, is based on years of continuous service per the following schedule:

<u>Years of Credited Service</u>	<u>Vested Percentage</u>
Less than 2	0%
More than 2, but less than 3	20%
More than 3, but less than 4	40%
More than 4, but less than 5	60%
5 or more	100%

Regardless of the vesting schedule, participants shall become fully vested upon death, total and permanent disability or if the participant's termination is part of a partial Plan termination as defined by the Department of Labor.

HARDSHIP WITHDRAWALS

Upon qualification for financial hardship, a participant is entitled to the value of his or her deferral and the vested portion of the Company's contributions, determined as of the valuation date, which is payable immediately in a lump-sum distribution. Due to changes in legislation, effective January 1, 2019, the minimum six-month suspension of employee pre-tax, Roth, and post-tax contributions previously imposed following a hardship withdrawal was no longer required for hardship withdrawals and, effective January 1, 2020, the minimum six-month suspension of employee pre-tax, Roth, and post-tax contributions was no longer allowed for hardship withdrawals. The Plan was amended effective January 1, 2019 in accordance with the Bipartisan Budget Act of 2018 to remove the restriction that prohibited participants receiving hardship withdrawals from making contributions into the Plan for six months. The Plan was formally amended in April 2021.

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant will be entitled to an amount equal to the vested value of his or her account.

**AS OF DECEMBER 31, 2022 AND 2021
AND FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

Benefits less than or equal to \$5,000 must be distributed in a single lump-sum payment. Benefits over \$5,000 are payable either by a single lump-sum payment or periodic installments (subject to minimum distribution rules) over a period of not more than the participant's life expectancy. Distributions to Plan participants turning 70 ½ (72 if 70th birthday is on or after July 1, 2019) are required in accordance with the Code and the Plan document. Additionally, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) waived minimum required distributions for 2020.

The Plan elected to allow for coronavirus-related distributions made available under the CARES Act, which was signed into law on March 27, 2020. A coronavirus-related distribution is a distribution that is made from an eligible retirement plan to a qualified individual between January 1, 2020 and December 30, 2020, up to an aggregate limit of \$100,000. The Consolidated Appropriations Act of 2021 provided similar withdrawal exemptions and extended the timeline for penalty-free distributions through June 25, 2021. Participants must be 100% vested in their account balance at the time of the distribution and considered to be affected by the coronavirus pandemic in accordance with the guidelines set forth under the CARES Act.

The adoption of the provision by the Plan was effective May 15, 2020. As of December 31, 2022, the Plan has not been formally amended, as a formal amendment is not required until the plan year ending December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

FORFEITED ACCOUNTS

If a participant terminates employment with the Company at a time when the participant does not have a fully vested interest, the nonvested Company contributions and actual earnings thereon are forfeited. Forfeitures are left in the Plan to pay administrative expenses of the Plan and reduce Plan Sponsor contributions. At December 31, 2022, the amount of cumulative forfeited nonvested accounts was \$0. During the 2022 plan year, there were no amounts forfeited available to be used to reduce Plan Sponsor contributions and administrative expenses.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

ADMINISTRATIVE EXPENSES

Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan uses the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

USE OF ESTIMATES

The preparation of the accompanying financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. The Plan defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor and Retirement Committee determines the Plan's valuation policies and procedures utilizing information provided by the trustee and the Plan Sponsor's investment advisors. See Note 4 for discussion of fair value of investments.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

BENEFIT PAYMENTS

Benefits are recorded when paid.

NOTE 3 - CERTIFICATION OF INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**MASONIC HEALTH SYSTEM OF MASSACHUSETTS, INC. AND
GRAND LODGE OF MASONS IN MASSACHUSETTS
DEFINED CONTRIBUTION PLAN**

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021
AND FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Fund – Valued at NAV per unit of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 - TAX STATUS

The Plan has adopted a non-standardized prototype plan that received a favorable opinion letter dated June 30, 2020, from the Internal Revenue Service (IRS) stating that it was in compliance with the applicable requirements of the Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2022 and 2021, the Plan had taken no uncertain tax positions. The Plan's information returns are subject to examination by federal and state taxing authorities. Management has stated there are currently no examinations pending or in progress.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Principal is the trustee of the Plan and the Plan invests primarily in mutual funds and a common collective trust fund managed by Principal, which are considered to be party-in-interest transactions. In addition, the Plan Sponsor paid certain expenses related to plan operations and investment activity to the Plan, and such expenses are excluded from these financial statements.

NOTE 8 - NON-COMPLIANCE

It was determined that as of December 31, 2021, an employee's Roth elective deferrals were not being withheld and remitted to the trustee from the time the election was made in August 2017. The Plan Sponsor performed a corrective action by remitting a qualified non-elective contribution (QNEC) to the participant's account, as well as interest and lost earnings. The corrective contribution of \$6,348, which was included as a corrective contribution receivable on the accompanying statement of net assets available for benefits as of December 31, 2021, was remitted to the Plan by the Plan Sponsor on behalf of the effected participant and credited to the participant's account during the year ended December 31, 2022.

NOTE 9 - SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated, for potential recognition or disclosure, events and transactions through October 12, 2023, the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the plan.
