INDEPENDENT AUDITORS' REPORT

Moreau Physical Therapy 401(K) Plan
Baton Rouge, LA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Moreau Physical Therapy 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Moreau Physical Therapy 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Moreau Physical Therapy 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Moreau Physical Therapy 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statement are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Moreau Physical Therapy 401(K) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Moreau Physical Therapy 401(K) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H - Schedule of Assets and Schedule H – Schedule of Delinquent Contributions as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule is presented, in all material respects, in conformity to the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Moreau Physical Therapy 401(K) Plan
Notes to the Financial Statements
For the years ended December 31, 2022 and 2021

Note A – Description of The Plan

The following description of the Moreau Physical Therapy (the "Company") 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The original effective date of the Plan was January 1, 2017. It has since been amended and restated effective January 1, 2021. The Plan is subject to the Employee Retirement Income Act of 1974 (ERISA). Company management oversees the governance of the Plan and believes it is operating in compliance with the most recent rules and regulations.

The Plan is a defined contribution 401(K) plan covering substantially all employees of the company who have attained age of twenty-one years and have completed one year of service. Entry dates for the Plan are the first day of the month coinciding with the date that requirements are met or the next following month.

Contributions

Each year, participants may contribute a portion of their eligible compensation, as defined in the Plan, subject to maximum amounts and percentages as prescribed in the Internal Revenue Code (the Code). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts from another qualified retirement plan or IRA. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company will match 50% of the participants contributions up to 5%. Both employee and employer contributions are invested directly in the investment options chosen by the participant. Contributions are subject to certain IRS limitations.

Participant accounts

Each participant's account is credited with the participant's contributions, any rollover contribution, the Company's matching or discretionary contribution, and the earnings thereon. Each participant directs his or her own individual account and may redirect or exchange his or her account balance at any time. The benefit to which a participant is entitled is the vested portion of a participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is immediate as well.

Payments of benefits

Benefits under this Plan shall be paid only upon death, total and permanent disability, normal or early retirement, termination of employment, or termination of the Plan. There is also a provision for hardship withdrawals. All benefits are paid in lump sum regardless of the amount.

Moreau Physical Therapy 401(K) Plan
Notes to the Financial Statements
For the years ended December 31, 2022 and 2021

Note A – Description of The Plan (continued)

Forfeited accounts

At December 31, 2022 and 2021 forfeited non-vested accounts totaled \$0. These accounts may be used to reduce future employer contributions or pay plan expenses. In 2022 and 2021, employer contributions were reduced by \$0.

Notes Receivable from Participants

Loans to participants are not permitted under this plan.

Secure 2.0 Act

On December 29, 2022, President Biden signed the Consolidated Appropriations Act, 2023 (CAA 2023) into law. The CAA 2023 includes the package of retirement provisions described as SECURE 2.0. These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system, enabling them to accumulate more assets, and connecting them with those assets when they retire. The required changes in the SECURE 2.0 Act are effective for Plan years beginning on or after January 1, 2024 and fully implemented with Plan years beginning on or after January 1, 2026.

Note B – Summary of Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments in pooled separate accounts are stated at fair market value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in pooled separate accounts are valued on each business day for which there is an established market based upon quoted market prices as of that date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of benefits

Benefits are recorded when paid.

Moreau Physical Therapy 401(K) Plan
Notes to the Financial Statements
For the years ended December 31, 2022 and 2021

Note B – Summary of Accounting Policies (continued)

Operating expenses

All expenses of operating, reporting, compliance, and administration of the Plan are paid by the Company and are therefore excluded from these financial statements.

Date of Management's Review

In preparing these financial statements the Plan has evaluated events and transactions for potential recognition or disclosure through the date of the independent auditors' report, which is the date the financial statements were available to be issued.

Note C – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note D – Certified Investments

Unaudited Information Certified by the Plan Trustee.

Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedules, including investments held at December 31, 2022 and 2021 and net changes in fair value of investments and interest for the year ended December 31, 2022 and 2021 was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company.

The information certified includes total investments of \$3,064,641 and \$3,210,770 at December 31, 2022 and 2021 and related investment gains/(losses) of (\$607,157) and \$372,599 for the years ended December 31, 2022 and 2021.

Note E – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Note E – Fair Value Measurements (continued)

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Pooled separate accounts : Each pooled separate account invests its assets solely in the shares or units of an underlying mutual fund, and the investment objective of each subaccount corresponds to the investment objective of the underlying fund. The value of each pooled separate account is determined using various inputs, such as net asset value (NAV) of the shares of the underlying mutual fund held at year end adjusted for administrative expenses and other charges. As of December 31, 2022 and 2021, there are no unfunded commitments related to these investments and the investor may redeem these assets daily.

The fair value of the pooled separate accounts as of December 31, 2022 and 2021 were \$3,064,641 and \$3,210,770, respectively.

Note F – Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note G – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note H – Related Party Transactions

Certain Plan investments are shares of mutual funds that are managed by John Hancock. John Hancock is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administration fees paid by the Plan to John Hancock Insurance Company were \$38,766 and \$37,666 for the years ended December 31, 2022 and 2021, respectively.

Other costs associated with the operation, reporting, compliance, and administration of the Plan are paid for by the Company.

All of the party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

For the years ended December 31, 2022 and 2021

Note I - Prohibited Transactions

As described in the schedule of delinquent participant contributions (included in the supplemental information), The Employer did not remit certain contributions to the Plan in a timely manner, as defined by ERISA. The Employer has corrected such instances and has reimbursed affected participants for any lost income associated with the delay in contributions. These contributions are considered non-exempt party-in-interest transaction, which may result in an imposition of a 15% excise tax on the amount of the transactions. The tax status of the Plan is not affected by these non-exempt transactions and the Employer intends to pay any and all fines that may be imposed.
