Independent Auditors' Report

Plan Administrator and Plan Administrative Committee
Catalina Marketing Corporation 401(k) Savings and Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Catalina Marketing Corporation 401(k) Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AND RETIREMENT PLAN**

Notes to Financial Statements

December 31, 2022 and 2021

(1) Description of Plan

The following description of Catalina Marketing Corporation 401(k) Savings and Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

(a) General

Catalina Marketing Corporation and Subsidiaries (the “Company,” “Plan Sponsor” or the “Employer”) adopted the Catalina Marketing Corporation 401(k) Savings and Retirement Plan effective June 1, 1992. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan Sponsor amended and restated the plan document effective July 1, 2022.

Employees are eligible to participate in the Plan upon attaining age 19 and upon completing one hour of service.

(b) Contributions

The Plan permits each participant to make contributions of between 1% and 50% of the participant’s compensation (as defined) for the year, not to exceed the dollar limitation in effect under Section 415(c)(1)(A) of the Internal Revenue Code of \$20,500 for 2022. “Compensation” does not take into consideration annual compensation over \$305,000 (as required by law) and does not include the following bonuses and special compensation programs: Education Assistance program, Hats Off program, and miscellaneous awards programs. The Plan also provides for “catch up” contributions subject to Internal Revenue Service limitations (\$6,500 for the year ended December 31, 2022).

For each plan year, the Company may contribute to the Plan, on behalf of each eligible participant, a matching contribution equal to a percentage of the eligible participant’s compensation. For the year ended December 31, 2022, eligible participants received a match on 100% of employee deferrals up to 4% of employee’s eligible compensation. When elected, participants begin receiving matching contributions upon commencement of their contributions to the Plan.

The Company may make “qualified non-elective contributions” to a limited number of non-highly compensated employees each plan year as determined by the board of Directors of the Company. There were no qualified non-elective contributions in 2022.

The Plan accepts rollovers and direct transfers from other tax qualified plans.

AND RETIREMENT PLAN**

(1) Description of Plan - Continued

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Employer's matching and additional discretionary contributions, if any. Plan earnings and losses are allocated to each participant's account based upon the ratio of their account to the total of all participants' accounts. The Plan allows participants to direct their contributions to any investment option available to the Plan.

(d) Vesting

Participants are always 100% vested in their own salary deferral contributions and rollover contributions. Participants with one hour of service on or after April 2, 2018, are 100% vested in matching contributions and employer discretionary contributions.

(e) Forfeitures

Non-vested benefits of terminated participants are forfeited on the date the participant receives a complete distribution of vested benefits. Forfeitures are used to reduce future employer contributions or administrative expenses. During 2022, there were no forfeitures used to reduce employer contributions or administrative expenses of the Plan. At December 31, 2022 and 2021 the Company had approximately \$101,500 and \$85,800, respectively, of forfeited non-vested accounts available to reduce future employer contributions or administrative expenses of the Plan.

(f) Payment of Benefits

A participant's vested account balance becomes distributable only in the case of termination of employment, normal retirement, disability, or death. The distribution shall normally be made to the participant or a designated beneficiary in a single lump-sum payment.

(g) Hardship Withdrawals

The Plan allows participants to withdraw a portion of their account balance in the event of immediate and heavy financial need. Any hardship withdrawal is limited to the amount needed to meet the financial need and must qualify with respect to plan provisions.

AND RETIREMENT PLAN**

(1) Description of Plan - Continued

(h) Notes Receivable from Participants

Participants are restricted to two outstanding loans at any given time. The amount of participants' loans may not be less than \$1,000 and may not exceed the lesser of 50% of the vested interest in their account or \$50,000. The \$50,000 limit is subject to reduction by the amount of certain previously outstanding loans. Any out-of-pocket legal and administrative costs incurred as a result of a loan or application for a loan must be paid by the participant. For loans outstanding at December 31, 2022, the prevailing interest rates were between 4.25% and 9.25%. Principal and interest are paid ratably through bi-weekly payroll deductions. Loans must be repaid within 5 years or 15 years in the case of a loan issued for the purchase of a primary residence.

(i) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting and present the net assets available for benefits and changes in net assets available for benefits.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(c) Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the Plan at year end.

The BNY Mellon Stock Index Fund, BNY Mellon ACWI ex-U.S. Fund, BNY Mellon Aggregate Bond Index Fund, and BNY Mellon Market Completion Fund (the "BNY Mellon Funds") are common/collective trust funds. The BNY Mellon Funds invest in securities, exchange-traded/mutual funds, and a combination of other collective funds. The BNY Mellon Funds are valued based on the net asset value as determined by The Bank of New York Mellon, the trustee of the BNY Mellon Funds, calculated at the end of each day. There are no unfunded commitments, and the units may be redeemed on a daily basis.

(c) Investment Valuation and Income Recognition - Continued

The Wellington Trust Company CIF II Small Cap Opportunities Portfolio (the “Wellington Trust Fund”) is a common/collective trust fund. The Wellington Trust Fund invests in common stocks, exchange traded funds, limited partnership units, and affiliated short-term investment funds. The Wellington Trust Fund is valued based on the net asset value as determined by The Wellington Trust Company, National Association, the trustee of the Wellington Trust Fund, calculated at the end of each day. There are no unfunded commitments, and the units may be redeemed on a daily basis.

The Harding Loevner International Equity Collect Portfolio (the “Harding Loevner Fund”) is a common/collective trust fund. The Harding Loevner Fund invests in foreign emerging market equity securities. The Harding Loevner Fund is valued based on the net asset value as determined by the fund administrators calculated at the end of each day. There are no unfunded commitments, and the units may be redeemed on a daily basis.

The Invesco Stable Value Fund (the “Stable Value Fund”) is a common/collective trust fund. The Stable Return Fund invests principally in investment contracts, including traditional Guaranteed Investment Contracts (“GICs”) and security-based contracts issued by insurance companies and other financial institutions. The Stable Value Fund is valued by Invesco, based on the unit value of the funds. This common/collective trust has underlying investments in investment contracts which are valued at estimated fair value of the underlying investments and then adjusted to contract value. There are no unfunded commitments, and the units may be redeemed on a daily basis.

T. Rowe Price Retirement Trusts comprise 14 common trust funds formed under the T. Rowe Price Strategic Common Trust Fund. The Retirement Trusts are operated by T. Rowe Price Trust Company (the trust company or trustee). Each Retirement Trust is structured as a trust of trusts and invests in other trusts offered by the trust company (the underlying trusts); the underlying trusts invest directly in securities. Each Retirement Trust’s financial instruments are valued at the close of the NYSE and are valued based on the net asset value as determined by the trust company calculated at the end of each day.

The Artisan Mid Cap Institutional Fund is a collective investment fund. The Artisan Mid Cap Institutional Fund invests primarily in US Mid-cap growth companies. The Artisan Mid Cap Institutional Fund is valued based on the net asset value as determined by the fund Trustee calculated at the end of each day. There are no unfunded commitments, and the units may be redeemed on a daily basis.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net depreciation in fair value of investments includes both realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at the end of the year.

(d) Administrative Expenses

Administrative costs related to the Plan are shared by the Company and the Plan. The Plan's portion of these costs is reflected in the operations of the Plan. During 2022, all administrative fees were paid to Principal Trust.

(e) Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

(3) Trustee Certification of Plan Investments

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments:

- Total investments, at fair value
- Notes receivable from participants
- Net depreciation in fair value of investments
- Dividend and interest income
- Interest income from notes receivable from participants
- Schedule of Assets (Held at End of Year)

The Plan's independent auditors' did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Tax Status

The Plan has adopted a non-standardized pre-approved plan which received an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated the non-standardized pre-approved plan is qualified under Section 401(k) of the Internal Revenue Code. The non-standardized pre-approved plan has been amended since the date of the opinion letter, however the plan administrator and Plan's tax counsel believe that the Plan is designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

**CATALINA MARKETING CORPORATION 401(K) SAVINGS
AND RETIREMENT PLAN**

Notes to Financial Statements - Continued

(4) Tax Status - Continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(5) Fair Value Measurements

The Plan applies the provisions provided by the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*, which provides guidance for using fair value to measure assets and liabilities, defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles, and expands disclosure about fair value measurements.

ASC Topic 820 establishes a three tier fair value hierarchy which prioritizes the inputs used in measuring fair value as follows:

Level 1: Observable inputs such as quoted prices in active markets;

Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly;

Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds

Mutual funds are valued at quoted market prices in an active market, which represent the net asset values of shares held by the Plan at year end and are classified as Level 1 investments.

AND RETIREMENT PLAN**

Notes to Financial Statements - Continued

(5) Fair Value Measurements - Continued

As of December 31, 2022 and 2021, the Plan's investments measured at fair value on a recurring basis were as follows:

<u>Description</u>	<u>Assets Measured at Fair Value at December 31, 2022</u>	<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Mutual funds	\$ 35,762,752	35,762,752	-	-
Total assets in fair value hierarchy	35,762,752	<u>35,762,752</u>	<u>-</u>	<u>-</u>
Investments measured at NAV	<u>75,715,738 (a)</u>			
Total investments, at fair value	<u>\$ 111,478,490</u>			

<u>Description</u>	<u>Assets Measured at Fair Value at December 31, 2021</u>	<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Mutual funds	\$ 55,741,978	55,741,978	-	-
Total assets in fair value hierarchy	55,741,978	<u>55,741,978</u>	<u>-</u>	<u>-</u>
Investments measured at NAV	<u>88,889,475 (a)</u>			
Total investments, at fair value	<u>\$ 144,631,453</u>			

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(6) Parties-in-Interest

Certain plan investments are shares of common collective trusts managed by Principal Trust. Principal Trust is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Participant loans are considered party-in-interest transactions, because they are transacted with plan participants. These transactions qualify as party-in-interest transactions, as defined in Section 3(14) of ERISA. They are, however, expressly exempted from the prohibited transaction rule.

(7) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 112,061,264	145,668,922
Contract value adjustment for common collective trusts	<u>(653,134)</u>	<u>179,598</u>
Net assets available for benefits per Form 5500	<u>\$ 111,408,130</u>	<u>145,848,520</u>

The following is a reconciliation of net decrease in net assets available for benefits per the financial statements for the year ended December 31, 2022 to net loss per Form 5500:

Net decrease in net assets available for benefits per the financial statements	\$ (33,607,658)
Change in contract value adjustment for common collective trusts	<u>(832,732)</u>
Net loss per Form 5500	<u>\$ (34,440,390)</u>

(8) Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2023, the date the financial statements were available to be issued. No significant matters were identified for disclosure during the evaluation.

On March 8, 2023, the Plan Sponsor filed for Chapter 11 bankruptcy. The bankruptcy did not have any effect on the Plan as the Plan Sponsor received approval from the court that payroll related items, including the Plan, continue as usual. On May 10, 2023, the Plan Sponsor emerged from bankruptcy and there has been no effect on the financial statements.
