INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Miceli Dairy Products Company 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Miceli Dairy Products Company 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Miceli Dairy Products Company 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Miceli Dairy Products Company 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Miceli Dairy Products Company 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Miceli Dairy Products Company 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i, Schedule of Assets (Held at end of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MICELI DAIRY PRODUCTS COMPANY 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Miceli Dairy Products Co. 401(k) Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of Miceli Dairy Products Company (the Company) who have completed one year of service and have attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan administrator is responsible for oversight of the Plan, determining the appropriateness of the Plan's investments offerings and monitoring investment performance.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

The Plan was amended and restated effective March 11, 2022 to comply with all applicable, recently adopted laws and regulations.

CONTRIBUTIONS

Each year eligible participants may elect to have up to 100% of their compensation contributed to the Plan through payroll reductions on a pre-tax basis, as defined by the Plan, up to the maximum dollar amount allowed by law (\$20,500 and \$19,500 for 2022 and 2021, respectively), plus catch up contributions as defined in the Plan document. The Plan provides for an Automatic Contribution Arrangement (ACA). Under the ACA provisions of the Plan, the Company will automatically withhold a deferral amount of 1% of compensation for each pay period for eligible participants unless participants elect different deferral rates or elect not to participate in the Plan. The automatic elective deferral contribution shall increase by 1% on or after each subsequent yearly date up to a maximum automatic elective deferral contribution of 10%. Rollover contributions are permitted as described in the Plan document. Participants are able to direct contributions into a variety of investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Company may make, at its discretion, matching contributions determined on an annual basis by a Board of Directors resolution specifying percentage and amount of the match. The Company made matching contributions to participants' accounts equal to 40% of their payroll reduction contributions up to 5% of compensation during the years ended December 31, 2022 and 2021. The Company may also make discretionary profit sharing contributions. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the Internal Revenue Code (IRC).

Company matching contributions were \$136,481 and \$136,028 for the years ended December 31, 2022 and 2021, respectively. Company matching contributions are calculated from participants' eligible wages which excludes bonuses earned. The Company made discretionary profit sharing contributions of \$200,000 and \$100,000 for the years ended December 31, 2022 and 2021, respectively.

PARTICIPANT ACCOUNTS

Each participant's account is credited with his or her payroll reduction contributions, rollovers, the Company's matching contributions and an allocation of discretionary profit sharing contributions and investment earnings, and charged with an allocation of administrative expenses. The Company's discretionary profit sharing contributions are allocated to participant accounts based on the participant's proportionate share of total compensation paid to all participants. Allocations of any Company discretionary profit sharing contributions are to be made based upon the last day of the Plan year for which the discretionary profit sharing contribution is granted. Administrative expenses are allocated based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FORFEITURES

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. Forfeitures are used to reduce employer matching contributions and any excess is allocated as an additional matching contribution in the Plan year following the Plan year in which the forfeiture occurs to all participants eligible to share in the allocations of profit sharing contributions. At December 31, 2022 and 2021, there were no forfeited, non-vested accounts. In 2022 and 2021, the Company used \$4,672 and \$6,322, respectively, of forfeitures to reduce the employer matching contributions.

VESTING

2 years but less than 3	20%
3 years but less than 4	40%
4 years but less than 5	60%

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, or due to separation of service from the Company, a participant is entitled to receive a distribution of his or her vested account balance in the form of a lump-sum payment. The Plan will automatically make a lump-sum distribution to participants who are separated from service and have an account balance less than \$5,000. Participants terminated are entitled to receive their benefits as soon as administratively feasible. A participant may also receive an in-service distribution if he or she experiences undue financial hardship or upon attainment of age requirements (59 ½ or any later age), as defined by the Plan document. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS). The Plan, in line with the IRS rules, also requires the participants to receive required minimum distributions upon attainment of age 72.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account balance, from \$1,000 up to a maximum of \$50,000, subject to the approval of the Plan Administrator and the Plan Trustee. Only two notes receivable may be outstanding to a participant at any time. Notes receivable terms range from one to five years or up to 30 years for the purchase of a primary residence. Notes receivable are secured by the balance in the participant's account and bear interest at 1% above the prime rate at the time of issuance. Generally, principal and interest are repaid ratably through payroll deductions. Interest income of \$16,763 and \$18,973 for the years ended December 31, 2022 and 2021, respectively, has been recorded as interest on notes receivable from participants in the accompanying Statements of Changes in Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for credit losses was recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, delinquent participant notes receivable are reclassified as distributions based upon the terms of the Plan document.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by its investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains (losses) on the investments purchased and sold, as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

Administrative expenses are paid by the Company, at the discretion of the Company. Fees related to distributions and administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation in fair value of investments. Expenses paid by the Company are excluded from these financial statements.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 9, 2023, the date these financial statements were available to be issued. Other than the matter noted below, there were no events identified that required recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs used in valuation models (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily close price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at fair value of the underlying investments, which represents the NAV of the investments. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Assets valued using the net asset value practical expedient are not required to be reported within the hierarchy.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Collective trusts: Valued at NAV per share as of the close of business on the valuation date. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Assets valued using the net asset value practical expedient are not required to be reported within the hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Total
Mutual funds	<u>\$ 5,070,334</u>	\$ 5,070,334
Investments at NAV^(a)		
Pooled separate accounts		1,073,104
Collective trusts		<u>4,168,139</u>
Total Assets at Fair Value		<u>\$10,311,577</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Total
Mutual funds	<u>\$ 7,130,276</u>	\$ 7,130,276
Investments at NAV^(a)		
Pooled separate accounts		1,162,070
Collective trusts		<u>5,138,199</u>
Total Assets at Fair Value		<u>\$13,430,545</u>

^(a)In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled separate accounts	\$ 1,073,104	N/A	Daily	Daily

The following table sets forth investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021:

	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled separate accounts	\$ 1,162,070	N/A	Daily	Daily
Collective trusts	\$ 5,138,199	N/A	Daily	Daily

There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 5 – TAX STATUS

The Company adopted a Prototype Non-Standardized Profit Sharing Plan with a cash or deferral arrangement. The Prototype Non-Standardized Profit Sharing Plan obtained its latest opinion letter on March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Effective March 11, 2022, the Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan. The Non-Standardized Pre-Approved Profit Sharing Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 5 – TAX STATUS (CONTINUED)

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their account balances.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of collective trusts and pooled separate accounts, managed by Principal Trust Company, the Plan trustee and, therefore, these transactions are considered party-in-interest transactions. The Plan allows participants to take loans against their account balances which are also considered to be parties-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net (depreciation) appreciation in fair value of investments.

The refunds represent amounts payable to active participants to return to them excess deferrals, as required to satisfy the relevant nondiscrimination provision of the Plan for the years ended 2022 and 2021. These amounts have been included in excess contributions payable in the accompanying Statements of Net Assets Available for Benefits.
