INDEPENDENT AUDITOR'S REPORT

To the Plan Trustee
Premier Office Centers, LLC
dba Premier Workspaces 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Premier Office Centers, LLC dba Premier Workspaces 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all

material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued (or, when applicable, one year after the date that the financial statements are available to be issued).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – PLAN DESCRIPTION

1. General

The following description of the Premier Office Centers, LLC dba Premier Workspaces 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution Plan covering all eligible employees of the Premier Office Centers, LLC dba Premier Workspaces and Premier Commercial Real Estate (collectively the "Plan Sponsor" or "Company") Employees of the Company are eligible to participate in the Plan upon reaching the age of 21 and completion of 90 days of employment. Open enrollment occurs quarterly at which time eligible employees may begin participating in the Plan. The Plan provides for retirement benefits for its participants. The Plan is designed to qualify under Section 401(k) of the Internal Revenue Code (the "Code"), as amended. The Plan is subject to the Employment Retirement Income Security Act ("ERISA") provisions.

2. Participation and Eligibility

Participation in the Plan is voluntary. An employee is eligible to participate in the Plan after attaining the minimum age and completing a minimum number of hours of service as described in the Plan. An eligible employee may elect to participate following the satisfaction of the Plan's service requirement.

3. Contributions

Each year participants may contribute a percentage of pretax annual compensation subject to annual limitations imposed by the Internal Revenue Service ("IRS") regulations, as defined by the Plan. The participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan "Sponsor" may contribute to the Plan out of its current operating cash flow at the discretion of the Board of Directors.

4. Investment Options

The Plan maintains the retirement assets with an insurance company that provides a selection of pooled separate accounts and a guaranteed income option. Principal Life Insurance Company (the "Custodian")serves as the custodian of the Plan. Assets in the separate investment allocation account are held by the Custodian on behalf of the Plan in one or more of the Custodian's separate investment accounts.

NOTE A – PLAN DESCRIPTION (CONTINUED)

4. Investment Options (continued)

The participants direct their account balances between guaranteed income fund, stock funds, and bond funds and may change their account distribution in accordance with the terms of the Trust agreement.

5. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Plan Sponsor's contribution, (b) Plan earnings, and (c) forfeitures of terminated participant's non-vested accounts, if any, and charged with an allocation of administrative expenses. Allocations are based on the participant's earnings or account balance, as defined. The benefit which the participant is entitled is the benefit that can be provided from the participant's accumulated vested account.

6. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan's contributions is based on years of service and cliff vest after three years. Additionally, in the event of death, disability, or normal retirement, as defined in the Plan document, participants become fully vested in their account balances.

7. Forfeitures

A participant's non-vested balance is forfeited at the time of termination of employment. Forfeitures are used to reduce future employer contributions or to pay the Plan's administrative expenses. Forfeited non-vested accounts amounted to $0 for 2022 and 2021.

8. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or may defer distribution until retirement, as defined by the Plan agreement. Employees who elect to defer their distribution can continue to participate in the Plan's net investment earnings or losses. Terminated employees with a Plan vested account balance less than $5,000 will be paid in a lump-sum amount equal to the value of their account, subject to the appropriate IRS income tax withholding regulations.

NOTE A – PLAN DESCRIPTION (CONTINUED)

9. Withdrawals of Contributions

A participant demonstrating a financial hardship may withdraw any amount of their account value resulting from participant contribution.

10. Distributions

Participants can also directly request distributions from the Custodian by using the Custodian's website. As of December 31, 2022, there were excess contributions due back to participants totaling $73,879.

11. Notes Receivable from Participants

Participants may borrow from their fund account. A minimum of $1,000 up to a maximum equal to the lesser of 50% of the participant's vest account or $50,000. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 10.50%, commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through semi-monthly payroll deductions. Loans must be repaid over a period not to exceed five years, unless for the purchase of a residence or at termination of employment.

12. Administrative Expenses

The Plan and/or Company generally absorb expenses related to the administration of the plan. For the years ended December 31, 2022 and 2021, the Plan paid administrative expenses of $6,178 and $10,491, respectively. The Company paid administrative expenses of approximately $7,000 and $6,500 for the years ended December 31, 2022 and 2021, respectively.

13. ERISA Bonding Requirement

The Plan was in compliance with the fidelity bonding requirements of ERISA as of December 31, 2022 and 2021.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

1. Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

1. Basis of Presentation (continued

The contract value is the relevant measure for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. Investments Valuation and Income Recognition

Pooled separate accounts investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note E for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value, also referred to as book value, is equal to total contributions allocated to the investment, less withdrawals and expenses, plus accrued interest. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net realized and unrealized appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

5. Payment of Benefits

Benefits are recorded when paid.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

6. Expenses

Certain expenses of the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

7. Subsequent Events

Plan management has evaluated subsequent events through the date that the financial statements were available to be issued on October 12, 2023.

NOTE C – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 103(a)(3)(C) and 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the financial statements and supplemental schedule of assets held at end of the year as of December 31, 2022 and 2021 and for the years then ended was certified as complete and accurate. This includes the cost and market values of the investments, the activity therein and the unrealized appreciation (depreciation). The following is a summary of the information included in the Plan's financial statements that was prepared by the Custodian and furnished to the Plan administrator.

Assets available for Plan benefits at December 31, 2022:	
Pooled separate accounts	$ 2,083,071
Guaranteed investment contract	$ 85,021
Notes receivable from participants	$ 131,129
Additions (deductions) to assets:	
Interest and dividend income	$ 10,254
Net realized and unrealized gain (loss) on investments	$ (425,747)
Assets available for Plan benefits at December 31, 2021:	
Pooled separate accounts	$ 2,363,042
Guaranteed investment contract	$ 78,744
Notes receivable from participants	$ 150,845
Additions to assets:	
Interest and dividend income	$ 11,764
Net realized and unrealized gain (loss) on investments	$ 335,906

NOTE D – GUARANTEED INVESTMENT CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY

Principal Life maintains the contributions in a general account. The account is credited with earnings based on the specified crediting rate and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is full benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed investment contract. As of December 31, 2022 and 2021, the guaranteed investment contract is presented as a separate line item in the statements of net assets available for plan benefits in contract value.

Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, fewer withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawals or transfer all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates ranged from approximately .15% to 1.91% for 2022 and .15% to 1.44% for 2021. The crediting interest rate is based on an agreed-upon formula with the issuer but cannot be less than zero. Such interest rates are reviewed on a quarterly basis for resetting.

NOTE E – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") ASC 820, *Fair Value Measurements and Disclosures,* established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE E – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

- *Pooled Separate Accounts*: Valued at the NAV or equivalent based on units of the pooled separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is general based on the fair value of the underlying investment held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled sperate account will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan presents in the statements of changes in net assets available for plan benefits the net depreciation/appreciation in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are recorded on trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is accrued when earned.

NOTE E – FAIR VALUE MEASUREMENTS (CONTINUED)

The following summarizes the classification of investments and method of valuation in accordance with requirements of FASB ASC 820 for 2022:

		Fair Value Measurements at Reporting Date Using		
	2022	Quoted prices in Active Markets for Identical Assets (Level 1)	Significat Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled separate accounts	$ 2,083,071	$ -	$ 2,083,071	$ -
Total	$ 2,083,071	$ -	$ 2,083,071	$ -

The following summarizes the classification of investments and method of valuation in accordance with requirements of FASB ASC 820 for 2021:

		Fair Value Measurements at Reporting Date Using		
	2021	Quoted prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled separate accounts	$ 2,363,042	$ -	$ 2,363,042	$ -
Total	$ 2,363,042	$ -	$ 2,363,042	$ -

NOTE F – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Life Insurance Company. Principal Life Insurance Company is the Custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

NOTE H – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE I – TAX STATUS

The Plan has received its determination letter from the IRS stating that the Plan, when designed, was in compliance with the applicable requirements of the IRC. The Trustee believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt as of the financial statement dates.

Accounting principles generally accepted in the Unites States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure within the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there is currently no audit for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE – J RECONCILIATION

The following is a reconciliation of net assets available for the Plan benefits per the financial statements to the Form 5500 at December 31, 2022:

	2022
Net ending assets available for benefits per the financial statements	$ 2,233,007
Corrective distributions	73,879
Net ending assets available for benefits per the form 5500	$ 2,306,886
