INDEPENDENT AUDITORS' REPORT

To the 401(k) Investment Committee of the
Triple Ring Technologies, Inc. 401K Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the financial statements of Triple Ring Technologies, Inc. 401K Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made based on these financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we: (a) exercise professional judgment and maintain professional skepticism throughout the audit, (b) identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements, (c) obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed, (d) evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, and (e) conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRIPLE RING TECHNOLOGIES, INC. 401K PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022

Note 1 - Description of plan:

The following description of the Triple Ring Technologies, Inc. 401K Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan established by Triple Ring Technologies, Inc. (the “Company” or “Plan Sponsor”) on January 1, 2007. The Plan was restated on March 22, 2021 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan provides benefits for all eligible employees of the Company.

The Company is the Plan administrator and retains the services of third parties to assist in the administration of the Plan. Through December 31, 2022, the Plan’s trustee and third party administrator was Fidelity Management Trust Company (“Fidelity”).

Eligibility - Except for excluded employees, all employees who have reached twenty-one years of age are eligible to participate in the Plan. Eligibility requirements exclude employees covered under a collective bargaining agreement, employees who are non-resident aliens, leased employees, employees not on the Company’s payroll, and summer interns. Employees may enter the Plan on the next first day of the month after meeting eligibility requirements. An employee may elect not to participate in the Plan.

Participant contributions - Participants may elect to contribute up to 92% of their eligible compensation on a pre-tax or after-tax Roth basis subject to the maximum allowed under section 401(k) of the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the Plan year are eligible to make “catch-up” contributions, subject to statutory limits. Participants are also permitted to deposit into the Plan distributions received from other plans (rollovers). Participants direct the allocation of their contributions to various investment options offered by the Plan.

Employer contributions - The Company makes safe harbor matching contributions equal to 100% of the first 3% of the participant’s eligible compensation and 50% of the next 2% of the participant’s eligible compensation. There were approximately \$566,000 of safe harbor matching contributions for the year ended December 31, 2022. The Company may make qualified non-elective contributions to the Plan. Such discretionary contributions are allocated to eligible employees based on their percentage of eligible compensation to the total eligible compensation for the contribution period. Employees must complete 1,000 hours of service in order to be eligible to receive qualified non-elective contributions and must have at least 501 hours of service during the contribution period. There were no qualified non-elective contributions made during 2022.

TRIPLE RING TECHNOLOGIES, INC. 401K PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022

Note 1 - Description of plan (continued):

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of: (a) employer contributions, and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account at the date immediately preceding the commencement of processing the distribution.

Investment options - The Plan provides for investments to be directed by participants into a number of investment options held by the trustee. Participant investment options include a variety of mutual funds, a money market fund, and self-directed brokerage accounts. Participants may change their elections at any time.

Vesting - Participants become immediately vested in their contributions, including rollovers of funds from other qualified retirement plans and earnings thereon, and in safe harbor matching contributions. Participants become vested in the Company's discretionary qualified non-elective contributions over a six-year period at 20% per year from year two through six.

Notes receivable from participants - Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate of one percent plus the prime rate (7.50% at December 31, 2022). Loan terms range from one to five years and may not exceed five years except for notes used for the purchase of a primary residence, which may be repaid over a longer period of up to ten years. Principal and interest are paid ratably through payroll deductions.

Payment of benefits - The Plan provides for payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, death, disability, financial hardship (as defined by the Plan), or separation from service. In service distributions of a participant's vested account balance are permitted providing the participant has attained early retirement age (59 ½). Upon termination, the participants or beneficiaries may elect to leave their account balance in the Plan, receive their total benefits in a lump sum amount equal to the value of the participant's vested interest in their account, or installment payments. Unless otherwise instructed by the participant, participants with vested account balances of \$1,000 or less upon separation will receive a lump sum cash payout and participants with vested account balances ranging from \$1,000 to \$5,000 will automatically be rolled over to an individual retirement account ("IRA").

TRIPLE RING TECHNOLOGIES, INC. 401K PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022

Note 1 - Description of plan (continued):

Forfeited accounts - Forfeitures are retained in the Plan and will first be used to pay administrative expenses. Any remaining forfeitures may be used to reduce future employer contributions. Forfeitures remaining in the Plan as of December 31, 2022 and 2021 were immaterial.

Administrative expenses - The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying financial statements. Other charges and fees on investments may be assessed against the respective participant account balances.

Note 2 - Significant accounting policies:

Basis of accounting - The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Contributions from participants are recorded when withheld from the participant. Benefit payments to participants are recorded when paid.

Use of estimates - The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and schedule. Actual results could differ from those estimates.

Investment valuation and income recognition - The Plan's investments are stated at their fair value. The shares of registered investment companies (mutual funds) are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. The money market fund is valued at cost plus accrued interest, which approximates fair value. Investments held in the self-directed brokerage accounts consist of common stock, unitized investment funds, and cash and are valued based on readily determinable market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value measurements - The Plan performs fair value measurements in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*. Refer to Note 3 for the fair value measurement disclosures associated with the Plan's investments.

Note 2 - Significant accounting policies (continued):

Net depreciation in fair value of investments - The earnings, expenses, realized gains and losses, and unrealized appreciation (depreciation) in registered investment companies and other investments are recorded in the accompanying financial statements as net depreciation in fair value of investments.

Subsequent events - The Plan has evaluated subsequent events through the date that the financial statements were made available to be issued which is the date of the independent auditors' report.

Note 3 - Fair value:

The Plan performs fair value measurement in accordance with ASC 820. ASC 820 defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. The accounting guidance for fair value measurement requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard establishes a fair value hierarchy based on the level of independent, objective evidence surrounding the inputs used to measure fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The fair value hierarchy is as follows:

- Level 1: quoted prices in active markets for identical assets or liabilities;
- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3 - Fair value (continued):

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2022 and 2021 and have all been determined to be Level 1, by the Plan administrator.

	2022	2021
Mutual funds	\$ 16,098,472	\$ 19,100,131
Money market fund	1,184,227	1,782,682
Self-directed brokerage accounts	416,292	445,279
Total investments measured at fair value	\$ 17,698,991	\$ 21,328,092

The Plan's valuation methodology used to measure the fair value of investments were derived from quoted market prices as substantially all of these instruments have active markets.

Note 4 - Investments:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity, the trustee of the Plan, as complete and accurate, except for comparing such information to information included in the Plan's financial statements and supplemental schedule.

The following information included in the financial statements and supplemental schedule was provided by and certified by the Plan's trustee as complete and accurate:

- Investments as shown in the Statement of Net Assets Available for Benefits as of December 31, 2022 and 2021.
- Notes receivable from participants as shown in the Statement of Net Assets Available for Benefits as of December 31, 2022 and 2021.
- Investment income (loss) and interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022.

Notes to Financial Statements

December 31, 2022

Note 5 - Party-in-interest transactions:

At December 31, 2022 and 2021, the Plan held investments of approximately \$3,130,000 and \$3,558,000, respectively, in funds managed by Fidelity. Fidelity is the Plan's investment broker and has custodial responsibility for investments held in the Fidelity accounts.

Note 6 - Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer account balances.

Note 7 - Income tax status:

The prototype plan adopted by the Plan sponsor obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has not received a separate letter however the Plan administrator believes that the prototype plan, as adopted by the sponsor, is operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8 - Risks and uncertainties:

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participant account balances.

Note 9 - Reconciliation of financial statements to Schedule H of form 5500:

The third party administrator prepared the Form 5500 for 2022 and 2021 on the cash basis.

The following is a reconciliation of net assets per the financial statements to Schedule H of the Form 5500 at December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per financial statements	\$ 17,845,514	\$ 21,505,422

INDEPENDENT AUDITORS' REPORT

To the 401(k) Investment Committee of the
Triple Ring Technologies, Inc. 401K Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the financial statements of Triple Ring Technologies, Inc. 401K Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made based on these financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we: (a) exercise professional judgment and maintain professional skepticism throughout the audit, (b) identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements, (c) obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed, (d) evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, and (e) conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRIPLE RING TECHNOLOGIES, INC. 401K PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022

Note 1 - Description of plan:

The following description of the Triple Ring Technologies, Inc. 401K Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan established by Triple Ring Technologies, Inc. (the “Company” or “Plan Sponsor”) on January 1, 2007. The Plan was restated on March 22, 2021 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan provides benefits for all eligible employees of the Company.

The Company is the Plan administrator and retains the services of third parties to assist in the administration of the Plan. Through December 31, 2022, the Plan’s trustee and third party administrator was Fidelity Management Trust Company (“Fidelity”).

Eligibility - Except for excluded employees, all employees who have reached twenty-one years of age are eligible to participate in the Plan. Eligibility requirements exclude employees covered under a collective bargaining agreement, employees who are non-resident aliens, leased employees, employees not on the Company’s payroll, and summer interns. Employees may enter the Plan on the next first day of the month after meeting eligibility requirements. An employee may elect not to participate in the Plan.

Participant contributions - Participants may elect to contribute up to 92% of their eligible compensation on a pre-tax or after-tax Roth basis subject to the maximum allowed under section 401(k) of the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the Plan year are eligible to make “catch-up” contributions, subject to statutory limits. Participants are also permitted to deposit into the Plan distributions received from other plans (rollovers). Participants direct the allocation of their contributions to various investment options offered by the Plan.

Employer contributions - The Company makes safe harbor matching contributions equal to 100% of the first 3% of the participant’s eligible compensation and 50% of the next 2% of the participant’s eligible compensation. There were approximately \$566,000 of safe harbor matching contributions for the year ended December 31, 2022. The Company may make qualified non-elective contributions to the Plan. Such discretionary contributions are allocated to eligible employees based on their percentage of eligible compensation to the total eligible compensation for the contribution period. Employees must complete 1,000 hours of service in order to be eligible to receive qualified non-elective contributions and must have at least 501 hours of service during the contribution period. There were no qualified non-elective contributions made during 2022.

TRIPLE RING TECHNOLOGIES, INC. 401K PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022

Note 1 - Description of plan (continued):

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of: (a) employer contributions, and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account at the date immediately preceding the commencement of processing the distribution.

Investment options - The Plan provides for investments to be directed by participants into a number of investment options held by the trustee. Participant investment options include a variety of mutual funds, a money market fund, and self-directed brokerage accounts. Participants may change their elections at any time.

Vesting - Participants become immediately vested in their contributions, including rollovers of funds from other qualified retirement plans and earnings thereon, and in safe harbor matching contributions. Participants become vested in the Company's discretionary qualified non-elective contributions over a six-year period at 20% per year from year two through six.

Notes receivable from participants - Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate of one percent plus the prime rate (7.50% at December 31, 2022). Loan terms range from one to five years and may not exceed five years except for notes used for the purchase of a primary residence, which may be repaid over a longer period of up to ten years. Principal and interest are paid ratably through payroll deductions.

Payment of benefits - The Plan provides for payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, death, disability, financial hardship (as defined by the Plan), or separation from service. In service distributions of a participant's vested account balance are permitted providing the participant has attained early retirement age (59 ½). Upon termination, the participants or beneficiaries may elect to leave their account balance in the Plan, receive their total benefits in a lump sum amount equal to the value of the participant's vested interest in their account, or installment payments. Unless otherwise instructed by the participant, participants with vested account balances of \$1,000 or less upon separation will receive a lump sum cash payout and participants with vested account balances ranging from \$1,000 to \$5,000 will automatically be rolled over to an individual retirement account ("IRA").

TRIPLE RING TECHNOLOGIES, INC. 401K PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022

Note 1 - Description of plan (continued):

Forfeited accounts - Forfeitures are retained in the Plan and will first be used to pay administrative expenses. Any remaining forfeitures may be used to reduce future employer contributions. Forfeitures remaining in the Plan as of December 31, 2022 and 2021 were immaterial.

Administrative expenses - The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying financial statements. Other charges and fees on investments may be assessed against the respective participant account balances.

Note 2 - Significant accounting policies:

Basis of accounting - The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Contributions from participants are recorded when withheld from the participant. Benefit payments to participants are recorded when paid.

Use of estimates - The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and schedule. Actual results could differ from those estimates.

Investment valuation and income recognition - The Plan's investments are stated at their fair value. The shares of registered investment companies (mutual funds) are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. The money market fund is valued at cost plus accrued interest, which approximates fair value. Investments held in the self-directed brokerage accounts consist of common stock, unitized investment funds, and cash and are valued based on readily determinable market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value measurements - The Plan performs fair value measurements in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*. Refer to Note 3 for the fair value measurement disclosures associated with the Plan's investments.

TRIPLE RING TECHNOLOGIES, INC. 401K PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022

Note 2 - Significant accounting policies (continued):

Net depreciation in fair value of investments - The earnings, expenses, realized gains and losses, and unrealized appreciation (depreciation) in registered investment companies and other investments are recorded in the accompanying financial statements as net depreciation in fair value of investments.

Subsequent events - The Plan has evaluated subsequent events through the date that the financial statements were made available to be issued which is the date of the independent auditors' report.

Note 3 - Fair value:

The Plan performs fair value measurement in accordance with ASC 820. ASC 820 defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. The accounting guidance for fair value measurement requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard establishes a fair value hierarchy based on the level of independent, objective evidence surrounding the inputs used to measure fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The fair value hierarchy is as follows:

- Level 1: quoted prices in active markets for identical assets or liabilities;
- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3 - Fair value (continued):

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2022 and 2021 and have all been determined to be Level 1, by the Plan administrator.

	2022	2021
Mutual funds	\$ 16,098,472	\$ 19,100,131
Money market fund	1,184,227	1,782,682
Self-directed brokerage accounts	416,292	445,279
Total investments measured at fair value	\$ 17,698,991	\$ 21,328,092

The Plan's valuation methodology used to measure the fair value of investments were derived from quoted market prices as substantially all of these instruments have active markets.

Note 4 - Investments:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity, the trustee of the Plan, as complete and accurate, except for comparing such information to information included in the Plan's financial statements and supplemental schedule.

The following information included in the financial statements and supplemental schedule was provided by and certified by the Plan's trustee as complete and accurate:

- Investments as shown in the Statement of Net Assets Available for Benefits as of December 31, 2022 and 2021.
- Notes receivable from participants as shown in the Statement of Net Assets Available for Benefits as of December 31, 2022 and 2021.
- Investment income (loss) and interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022.

Note 5 - Party-in-interest transactions:

At December 31, 2022 and 2021, the Plan held investments of approximately \$3,130,000 and \$3,558,000, respectively, in funds managed by Fidelity. Fidelity is the Plan's investment broker and has custodial responsibility for investments held in the Fidelity accounts.

Note 6 - Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer account balances.

Note 7 - Income tax status:

The prototype plan adopted by the Plan sponsor obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has not received a separate letter however the Plan administrator believes that the prototype plan, as adopted by the sponsor, is operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8 - Risks and uncertainties:

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participant account balances.
