REPORT OF INDEPENDENT AUDITORS

To the Investment Committee and Plan Administrator of the
Elbit Systems of America Consolidated 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Elbit Systems of America Consolidated 401(k) Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

A. Description of the Plan

General

The following brief description of the Elbit Systems of America Consolidated 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by Elbit Systems of America, LLC, and participating affiliates include: EFW, Inc. (“EFW”), Kollsman, Inc., KMC Systems, Inc., Advanced Defense Systems, Inc., International Enterprises, Inc., ELMEC, Inc., M7 Aerospace, Elbit Systems of America - Night Vision LLC (collectively referred to as the “Company”). Participants should refer to the Plan document for more complete information.

The Plan was effective May 30, 2012, and most recently restated effective January 1, 2022, and is a defined contribution plan covering substantially all employees of the Company who are 18 years of age, except leased employees, non-resident aliens, and interns who do not complete one year of service. Eligible employees may enter the Plan on the first day of the month coinciding with or following the date on which an employee meets the eligibility requirements. The Plan has an automatic enrollment feature whereby employees that do not make a pre-tax salary deferral election prior to their eligibility date will be automatically enrolled in the Plan beginning thirty days after the employees’ eligibility date. The automatic pre-tax contribution will be established at 6% of an employee’s eligible compensation, as defined by the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants may contribute up to 92% of their annual compensation, as defined by the Plan, on a pre-tax and/or after-tax basis, subject to limitations on total annual additions and other limitations imposed by the Internal Revenue Code (the “Code”), as defined by the Plan document. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, as well as voluntary non-deductible rollover contributions.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the end of the year are permitted to make catch-up contributions in accordance with, and subject to, the annual limitations imposed by the Code.

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Contributions – continued

Company matching contributions are discretionary, equal a percentage of the salary deferral contributions chosen by the participant, and are based on the participating employer's matching contribution formula. Matching contributions are also dependent on certain other provisions such as the employee's date of hire, years of employment, vesting level, and whether or not the participant is a represented or non-represented employee. Each participating company may contribute an additional matching contribution and profit sharing contribution to participants at the discretion of the participating affiliated company. Additionally, the Company makes employer contributions to the Plan based on whether certain employees are participating or not participating in a separate defined benefit pension plan sponsored by the Company. These Company contributions are based on a percentage of the employee's eligible compensation, and the percentage received is determined based on the employee's years of service. See the Plan document for further information.

Participant Accounts

Each participant account is credited with the participant's contributions, Company matching and profit sharing contributions, and Plan earnings. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company contributions, plus actual earnings thereon, is as follows for all participating affiliates with the exception of Innovative Concepts, Inc.:

Number of Completed Years of Service	Vesting Percentage
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Participant accounts from Innovative Concepts, Inc. are 100% vested at all times. Participants become fully vested in their employer contribution account if, while employed by the Company, they attain age 65, die, or become disabled. Participants from EFW are 100% vested at age 55.

NOTES TO FINANCIAL STATEMENTS (*continued*)

A. Description of the Plan – continued

Notes Receivable from Participants

Participants may borrow from their account balances a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms range from one to five years, or longer for the purchase of a primary residence. The loans are secured by the balances in the participants' accounts. As stated in the loan policy, new or renewed loans bear interest at the Prime Rate as published in the *Wall Street Journal* plus one percent. As of December 31, 2022 and 2021, interest rates on outstanding loans range from 4.25% to 8.00% and 4.25% to 8.25%, respectively. Principal and interest are paid ratably through payroll deductions.

Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balances. Benefits are distributed in the form of rollovers, installment payments, or lump-sum payments. If withdrawing participants are not entitled to their entire account balances, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of his/her vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payments for burial or funeral expenses for the participant's parent, spouse, children or dependents; (6) expenses for the repair of damage to the participant's principal residence; or, (7) expenses and losses incurred for the participant on account of a disaster declared by the Federal Emergency Management Agency.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts can be used to pay administrative expenses incurred by the Plan or to offset Company matching contributions for the year. Approximately \$106,000 and \$165,000 was used to offset employer contributions during 2022 and 2021, respectively. Net assets available for benefits included approximately \$370,000 and \$177,000 of unallocated forfeitures as of December 31, 2022 and 2021, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of all contributions to the Plan among the investment alternatives made available by the Company under the Plan, which vary in degree of risk. Participants may change their investment options daily.

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Plan Expenses

Employees of the Company perform certain administrative functions of the Plan with no compensation from the Plan. In accordance with Plan provisions, the Plan pays substantially all costs relating to asset charges and record keeping. Any administrative expenses, if any, that are paid by the Company are not reflected in the accompanying financial statements except for those expenses paid by Plan participants.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with U.S. GAAP, which defines fair value, establishes a framework for measuring fair value, and requires certain disclosures about assets and liabilities measured at fair value.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year-end. Interest income and losses are recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the plan administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

B. Summary of Significant Accounting Policies – continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Cash and Cash Equivalents

All highly liquid investments with a maturity of three months or less when purchased are treated as cash equivalents. At December 31, 2022 and 2021, the Plan held such investments primarily in one financial institution, which at times may have exceeded amounts covered by insurance provided by the U.S. Federal Deposit Insurance Corporation (“FDIC”). The Plan has not experienced any losses related to amounts in excess of FDIC limits.

C. Fair Value Measurements

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined in U.S. GAAP are as follows:

- Level 1 – Inputs are unadjusted, quoted prices in active markets for identical assets or liabilities at the measurement date.
- Level 2 – Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the assets or liabilities through correlation with market data at the measurement date and for the duration of the instruments’ anticipated life.
- Level 3 – Inputs reflect the best estimate of what market participants would use in pricing the assets or liabilities at the measurement date. Consideration is given to the risk inherent in the valuation technique and the risk inherent in the inputs to the model.

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

C. Fair Value Measurements – continued

U.S. GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan’s investments are as follows:

- Mutual funds are valued at the published per share net asset value (“NAV”) of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at NAV.
- Money market fund is valued based on the short-term cash component as of the measurement date and classified within Level 1 of the valuation hierarchy.
- Self-directed accounts in which participants invest in publicly traded securities are valued at the published per share NAV of shares held by the Plan and are considered Level 1 in the valuation hierarchy.
- Stable value collective trust fund is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

There have been no changes in the methodologies used at December 31, 2022 or 2021. The following table details the Plan’s investments at fair value by level in the fair value hierarchy as of December 31, 2022 and 2021. The Plan has no investments classified within Level 2 or Level 3 of the valuation hierarchy.

	December 31, 2022	
	Level 1	Total
Mutual funds	\$ 254,262,943	\$ 254,262,943

NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

	December 31, 2021	
	Level 1	Total
Mutual funds	\$ 311,490,763	\$ 311,490,763
Money market fund	95,711	95,711
Self-directed accounts	9,871,119	9,871,119
Total investments in the fair value hierarchy	<u>\$ 321,457,593</u>	<u>321,457,593</u>
Investments measured at NAV ^(a)		<u>33,766,850</u>
Total investments at fair value		<u>\$ 355,224,443</u>

(a) In accordance with U.S. GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable value collective trust fund	\$ 36,688,372	N/A	Daily	12 months

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable value collective trust fund	\$ 33,766,850	N/A	Daily	12 months

NOTES TO FINANCIAL STATEMENTS *(continued)*

D. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net realized and unrealized gains (losses) on investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Bank of America, N.A. (the trustee of the Plan).

E. Tax Status

Effective January 1, 2022, the Plan was amended and restated by the adoption of the Merrill Lynch, Pierce, Fenner & Smith Inc. Defined Contribution Pre-Approved Plan with CODA, which has a favorable opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

During 2021, Plan utilized the Continental Benefits Group, Inc. Volume Submitter Profit Sharing Plan with CODA, which has a favorable opinion letter from the IRS dated September 30, 2014. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan subject to the provisions set forth in ERISA. In the event the Company terminates the Plan, all amounts credited to participant accounts will become 100% vested.

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

H. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of mutual funds managed by affiliates of Bank of America, N.A., which acts as trustee. Transactions in such investments, as well as notes receivable from participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2022, per the accompanying financial statements to the Form 5500. There were no reconciling items as of December 31, 2021.

	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 306,223,821
Certain loans deemed as distributions	<u>(29,250)</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 306,194,571</u></u>

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

I. Reconciliation of Financial Statements to Form 5500 – continued

The following is a reconciliation of the net decrease in net assets available for benefits for the year ended December 31, 2022, per the accompanying financial statements to the Form 5500. There were no reconciling items for the year ended December 31, 2021.

	<u>2022</u>
Net decrease in net assets available for benefits per the financial statements	\$ (53,811,262)
Certain deemed distributions	<u>(29,250)</u>
Net decrease in net assets available for benefits per the Form 5500	<u>\$ (53,840,512)</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements.

J. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through October 12, 2023, the date the financial statements were available for issuance.

Effective January 1, 2023, the Plan was amended to include a condition for in-service distributions. The condition states, for employees of EFW hired prior to May 30, 2012, in-service distributions of employer contribution accounts are available upon attainment of normal retirement age of 55 years of age.

Effective April 1, 2023, the Plan was amended and restated in connection with a change in trustee from Bank of America, N.A to Principal Trust Company. There were no significant changes to the Plan provisions.

REPORT OF INDEPENDENT AUDITORS

To the Investment Committee and Plan Administrator of the
Elbit Systems of America Consolidated 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Elbit Systems of America Consolidated 401(k) Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

A. Description of the Plan

General

The following brief description of the Elbit Systems of America Consolidated 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by Elbit Systems of America, LLC, and participating affiliates include: EFW, Inc. (“EFW”), Kollsman, Inc., KMC Systems, Inc., Advanced Defense Systems, Inc., International Enterprises, Inc., ELMEC, Inc., M7 Aerospace, Elbit Systems of America - Night Vision LLC (collectively referred to as the “Company”). Participants should refer to the Plan document for more complete information.

The Plan was effective May 30, 2012, and most recently restated effective January 1, 2022, and is a defined contribution plan covering substantially all employees of the Company who are 18 years of age, except leased employees, non-resident aliens, and interns who do not complete one year of service. Eligible employees may enter the Plan on the first day of the month coinciding with or following the date on which an employee meets the eligibility requirements. The Plan has an automatic enrollment feature whereby employees that do not make a pre-tax salary deferral election prior to their eligibility date will be automatically enrolled in the Plan beginning thirty days after the employees’ eligibility date. The automatic pre-tax contribution will be established at 6% of an employee’s eligible compensation, as defined by the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants may contribute up to 92% of their annual compensation, as defined by the Plan, on a pre-tax and/or after-tax basis, subject to limitations on total annual additions and other limitations imposed by the Internal Revenue Code (the “Code”), as defined by the Plan document. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, as well as voluntary non-deductible rollover contributions.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the end of the year are permitted to make catch-up contributions in accordance with, and subject to, the annual limitations imposed by the Code.

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Contributions – continued

Company matching contributions are discretionary, equal a percentage of the salary deferral contributions chosen by the participant, and are based on the participating employer's matching contribution formula. Matching contributions are also dependent on certain other provisions such as the employee's date of hire, years of employment, vesting level, and whether or not the participant is a represented or non-represented employee. Each participating company may contribute an additional matching contribution and profit sharing contribution to participants at the discretion of the participating affiliated company. Additionally, the Company makes employer contributions to the Plan based on whether certain employees are participating or not participating in a separate defined benefit pension plan sponsored by the Company. These Company contributions are based on a percentage of the employee's eligible compensation, and the percentage received is determined based on the employee's years of service. See the Plan document for further information.

Participant Accounts

Each participant account is credited with the participant's contributions, Company matching and profit sharing contributions, and Plan earnings. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company contributions, plus actual earnings thereon, is as follows for all participating affiliates with the exception of Innovative Concepts, Inc.:

Number of Completed Years of Service	Vesting Percentage
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Participant accounts from Innovative Concepts, Inc. are 100% vested at all times. Participants become fully vested in their employer contribution account if, while employed by the Company, they attain age 65, die, or become disabled. Participants from EFW are 100% vested at age 55.

NOTES TO FINANCIAL STATEMENTS (*continued*)

A. Description of the Plan – continued

Notes Receivable from Participants

Participants may borrow from their account balances a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms range from one to five years, or longer for the purchase of a primary residence. The loans are secured by the balances in the participants' accounts. As stated in the loan policy, new or renewed loans bear interest at the Prime Rate as published in the *Wall Street Journal* plus one percent. As of December 31, 2022 and 2021, interest rates on outstanding loans range from 4.25% to 8.00% and 4.25% to 8.25%, respectively. Principal and interest are paid ratably through payroll deductions.

Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balances. Benefits are distributed in the form of rollovers, installment payments, or lump-sum payments. If withdrawing participants are not entitled to their entire account balances, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of his/her vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payments for burial or funeral expenses for the participant's parent, spouse, children or dependents; (6) expenses for the repair of damage to the participant's principal residence; or, (7) expenses and losses incurred for the participant on account of a disaster declared by the Federal Emergency Management Agency.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts can be used to pay administrative expenses incurred by the Plan or to offset Company matching contributions for the year. Approximately \$106,000 and \$165,000 was used to offset employer contributions during 2022 and 2021, respectively. Net assets available for benefits included approximately \$370,000 and \$177,000 of unallocated forfeitures as of December 31, 2022 and 2021, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of all contributions to the Plan among the investment alternatives made available by the Company under the Plan, which vary in degree of risk. Participants may change their investment options daily.

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Plan Expenses

Employees of the Company perform certain administrative functions of the Plan with no compensation from the Plan. In accordance with Plan provisions, the Plan pays substantially all costs relating to asset charges and record keeping. Any administrative expenses, if any, that are paid by the Company are not reflected in the accompanying financial statements except for those expenses paid by Plan participants.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with U.S. GAAP, which defines fair value, establishes a framework for measuring fair value, and requires certain disclosures about assets and liabilities measured at fair value.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year-end. Interest income and losses are recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the plan administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (*continued*)

B. Summary of Significant Accounting Policies – continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Cash and Cash Equivalents

All highly liquid investments with a maturity of three months or less when purchased are treated as cash equivalents. At December 31, 2022 and 2021, the Plan held such investments primarily in one financial institution, which at times may have exceeded amounts covered by insurance provided by the U.S. Federal Deposit Insurance Corporation (“FDIC”). The Plan has not experienced any losses related to amounts in excess of FDIC limits.

C. Fair Value Measurements

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined in U.S. GAAP are as follows:

- Level 1 – Inputs are unadjusted, quoted prices in active markets for identical assets or liabilities at the measurement date.
- Level 2 – Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the assets or liabilities through correlation with market data at the measurement date and for the duration of the instruments’ anticipated life.
- Level 3 – Inputs reflect the best estimate of what market participants would use in pricing the assets or liabilities at the measurement date. Consideration is given to the risk inherent in the valuation technique and the risk inherent in the inputs to the model.

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

C. Fair Value Measurements – continued

U.S. GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan’s investments are as follows:

- Mutual funds are valued at the published per share net asset value (“NAV”) of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at NAV.
- Money market fund is valued based on the short-term cash component as of the measurement date and classified within Level 1 of the valuation hierarchy.
- Self-directed accounts in which participants invest in publicly traded securities are valued at the published per share NAV of shares held by the Plan and are considered Level 1 in the valuation hierarchy.
- Stable value collective trust fund is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

There have been no changes in the methodologies used at December 31, 2022 or 2021. The following table details the Plan’s investments at fair value by level in the fair value hierarchy as of December 31, 2022 and 2021. The Plan has no investments classified within Level 2 or Level 3 of the valuation hierarchy.

	December 31, 2022	
	Level 1	Total
Mutual funds	\$ 254,262,943	\$ 254,262,943
Money market fund	2,367,255	2,367,255
Self-directed accounts	7,769,883	7,769,883

Total investments at fair value		<u>\$ 301,088,453</u>

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

	December 31, 2021	
	Level 1	Total
Mutual funds	\$ 311,490,763	\$ 311,490,763
Money market fund	95,711	95,711
Self-directed accounts	9,871,119	9,871,119
Total investments in the fair value hierarchy	<u>\$ 321,457,593</u>	<u>321,457,593</u>
Investments measured at NAV ^(a)		<u>33,766,850</u>
Total investments at fair value		<u>\$ 355,224,443</u>

(a) In accordance with U.S. GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable value collective trust fund	\$ 36,688,372	N/A	Daily	12 months

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable value collective trust fund	\$ 33,766,850	N/A	Daily	12 months

ELBIT SYSTEMS OF AMERICA CONSOLIDATED 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

D. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net realized and unrealized gains (losses) on investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Bank of America, N.A. (the trustee of the Plan).

E. Tax Status

Effective January 1, 2022, the Plan was amended and restated by the adoption of the Merrill Lynch, Pierce, Fenner & Smith Inc. Defined Contribution Pre-Approved Plan with CODA, which has a favorable opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

During 2021, Plan utilized the Continental Benefits Group, Inc. Volume Submitter Profit Sharing Plan with CODA, which has a favorable opinion letter from the IRS dated September 30, 2014. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan subject to the provisions set forth in ERISA. In the event the Company terminates the Plan, all amounts credited to participant accounts will become 100% vested.

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

H. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of mutual funds managed by affiliates of Bank of America, N.A., which acts as trustee. Transactions in such investments, as well as notes receivable from participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

I. Reconciliation of Financial Statements to Form 5500

I. Reconciliation of Financial Statements to Form 5500 – continued

The following is a reconciliation of the net decrease in net assets available for benefits for the year ended December 31, 2022, per the accompanying financial statements to the Form 5500. There were no reconciling items for the year ended December 31, 2021.

	<u>2022</u>
Net decrease in net assets available for benefits per the financial statements	\$ (53,811,262)
Certain deemed distributions	<u>(29,250)</u>
Net decrease in net assets available for benefits per the Form 5500	<u>\$ (53,840,512)</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements.

J. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through October 12, 2023, the date the financial statements were available for issuance.

Effective January 1, 2023, the Plan was amended to include a condition for in-service distributions. The condition states, for employees of EFW hired prior to May 30, 2012, in-service distributions of employer contribution accounts are available upon attainment of normal retirement age of 55 years of age.

Effective April 1, 2023, the Plan was amended and restated in connection with a change in trustee from Bank of America, N.A to Principal Trust Company. There were no significant changes to the Plan provisions.
