Independent Auditors' Report

To the Trustees and Plan Administrator of
Design Communications, Ltd. 401(k) Plan
Avon, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Design Communications, Ltd. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Design Communications, Ltd. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Design Communications, Ltd. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Design Communications, Ltd. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Design Communications, Ltd. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Design Communications, Ltd. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a-Schedule of Delinquent Participant Contributions and Schedule H, Line 4i-Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules

that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Design Communications, Ltd. 401(k) Plan
Notes to Financial Statements
December 31, 2022

A. Description of Plan

The following description of Design Communications, Ltd. 401(k) Plan (the “Plan”) provides only general information. A more complete description of the Plan's provisions is in the Plan document.

1. General - The Plan is a qualified defined contribution plan with a cash deferral arrangement covering all eligible employees (“participants”) of Design Communications, Ltd. (the “Company”). The Plan was established on January 1, 1991 and is administered on the basis of the Plan year, which is the twelve month period commencing each January 1 and ending on December 31. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Participants are offered a selection of investments for the placement of their contributions (“participant-directed funds”). The determination of the participant-directed funds made available to participants is made by the plan administrator.

In September 2022, the Plan was retroactively amended to allow participants the ability to make in-plan Roth conversions from all available contribution sources. The effective date of the amendment was January 1, 2021.

Effective January 1, 2022, the Plan was restated to comply with the requirements of 2017 IRS Cumulative List, the American Taxpayer Relief Act of 2012, the Tax Cuts and Jobs Act of 2017 and other applicable guidance. Amendments were made to add an automatic contribution arrangement of 4% unless elected otherwise, exclude interns and temporary employees from eligibility, exempt participants who become disabled from employer contribution allocation conditions, reduce the vesting for employer and matching contributions from 6 to 4 year graded schedule, and allow in service withdrawals upon a deemed separation of service when on active duty and for qualified distributions for the birth or adoption of a child.

2. Eligibility - Employees of the Company, as defined in the Plan, are eligible to participate in the Plan upon attaining age 21 and thirty days of service. Participants may begin salary deferrals the first day of the month following the date they satisfy the eligibility requirements. Participants are eligible for discretionary employer matching contributions after completing 1,000 hours of service during the Plan year and is employed on the last day of the Plan year. Participants are eligible for profit sharing contributions after completing one year of service with at least 1,000 hours of service and is employed on the last day of the Plan year.
3. Contributions - Participants may elect to defer up to one hundred percent of their annual compensation as defined in the Plan, subject to maximum limits set by the Internal Revenue Code (“IRC”). Participants that have met requirements of age 50 may elect to defer additional amounts as catch-up contributions, subject to limits set by the IRC. Participants may also elect to defer a percentage of their after-tax compensation designated as Roth contributions, subject to maximum limits set by the IRC. Participants may also contribute distributions from other qualified retirement plans (“rollovers”). Participants are automatically enrolled in the Plan with a 4% contribution unless elected otherwise, as amended in January 2022.

A. Description of Plan (continued)

3. Contributions (continued) - The Company may make discretionary matching contributions and profit sharing contributions based upon a percentage of the participant's eligible compensation determined by the Company annually. The Company did not make any contributions to the Plan during the year ended December 31, 2021. For the year ended December 31, 2022, the Company made a discretionary matching contribution to the Plan of \$100,003.
4. Vesting - Participants are fully vested in their own contributions and related earnings. Vesting of Company matching and profit sharing contributions, and related earnings, is achieved through a four year graded vesting schedule based on continuous service, as amended in January 2022, and a six year graded vesting schedule based on continues service prior to amendment. Notwithstanding the foregoing, a participant shall be 100% vested in and have a non-forfeitable right to his or her account upon death, disability, termination of the Plan or the attainment of normal retirement age.
5. Forfeitures - Contributions made by the Company which are not vested at the time employees cease to be participants in the Plan shall be used to reduce future Company contributions or pay Plan expenses. As of December 31, 2022 and 2021, there was \$9,609 and \$4,792 in unallocated forfeitures, respectively.
6. Notes receivable from participants - Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account subject to certain IRC limitations. Participants may only have one loan outstanding at any given time. Note terms range from one to five years and are secured by the remaining vested balance in the participant's account. The notes bear interest at a rate commensurate with local prevailing rates as determined by the Advisory Committee. Principal and interest are repaid through after-tax payroll deductions on a bi-weekly basis.
7. Plan administration - Certain administrative expenses are paid by the Company. The Company is the plan administrator and has the authority to appoint persons or entities to carry out the operations of the Plan. Empower Trust Company, LLC (fka Great-West Trust Company, LLC) is the Plan's custodian and provides recordkeeping services for the Plan under Empower Retirement Brand. HUB Retirement & Wealth Management provides financial advising and other plan administrative services for the Plan.
8. Payment of benefits - Upon termination of service, retirement, or disability, a participant may elect to receive either a single lump sum amount or substantially equal installments. The Plan also allows for hardship withdrawals, and in-service withdrawals of all or a portion of a participant's account upon the participant reaching age 59 ½ or normal retirement age, becomes disabled, when on active military duty and qualified distribution for birth or adoption of a child of up to \$5,000.

A. Description of Plan (continued)

9. Participant accounts - Each participant's account is credited with the participant's contribution, the Company's discretionary match and profit sharing contributions, and an allocation of Plan net investment earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, or specific participant transactions as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.
10. Plan termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participant's accrued benefits become fully vested and non-forfeitable.

B. Summary of Significant Accounting Policies

1. Basis of accounting - The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").
2. Use of estimates - The preparation of financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein. Such estimates relate primarily to unsettled transactions and events as the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.
3. Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.
4. Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.
5. Benefits paid - Benefit payments are recorded when paid.
6. Administrative expenses - Certain administrative expenses incurred in maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses, recordkeeping, financial advising and other plan administrative expenses are paid by the Plan and are recorded in the net appreciation or depreciation in fair value of investments and in administrative expenses.

C. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income from participant loans for the years ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC (fka Great-West Trust Company, LLC), the custodian of the Plan.

D. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted market prices for similar assets or liabilities in active markets
- b. Quoted prices for identical or similar assets or liabilities in inactive markets
- c. Inputs other than quoted prices that are observable for the asset or liability
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 Inputs that are unobservable inputs for the asset or liability

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

D. Fair Value Measurements (continued)

Stable value common collective trust fund - The stable value common collective trust fund is composed primarily of fully benefit-responsive investment contracts and is valued at the net asset value of the units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. The net asset value is typically based on the fair value of the underlying investments held by the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 14,915,116	\$ -	\$ -	\$ 14,915,116
Total assets in the fair value hierarchy	14,915,116	-	-	14,915,116
Investments measured at net asset value (a)	-	-	-	179,200
Investments at fair value	\$ 14,915,116	\$ -	\$ -	\$ 15,094,316

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 16,711,897	\$ -	\$ -	\$ 16,711,897
Total assets in the fair value hierarchy	16,711,897	-	-	16,711,897
Investments measured at net asset value (a)	-	-	-	161,606
Investments at fair value	\$ 16,711,897	\$ -	\$ -	\$ 16,873,503

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For years ended December 31, 2022 and 2021, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3 investments.

D. Fair Value Measurements (continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require twelve months notification in order to ensure that security liquidations will be carried out in an orderly business manner. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Stable value common collective trust fund	\$ 179,200	n/a	Daily	12 months
<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Stable value common collective trust fund	\$ 161,606	n/a	Daily	12 months

E. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

F. Related Party and Exempt Party-In-Interest Transactions

Certain employees and officers of the Company, who may also be participants in the Plan, perform administrative services at no cost to the Plan.

G. Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Design Communications, Ltd. 401(k) Plan
Notes to Financial Statements
December 31, 2022

G. Tax Status (continued)

Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related qualified and the related trust is tax-exempt.

U.S. GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

H. Excess Contributions

The total amount of excess contributions to be returned to certain participants in order to satisfy IRS nondiscrimination tests were \$17,152 as of December 31, 2021. There were no excess contributions to be returned to participants in order to satisfy IRS requirements for the year ended December 31, 2022.

I. Delinquent Contributions

As required by ERISA Section 2510.3-102, the Company is required to segregate and remit employee contributions to the Plan from its general assets as soon as the funds can be reasonably segregated. For the year ended December 31, 2022, there was a pay period in which contributions were not remitted on a timely basis. Contributions for this pay period are considered a prohibited transaction. Subsequent to year end, the Company intends to correct and fund the Plan for remaining late contributions and related lost earnings from the 2022 delay in contributions. The Plan administrator determined the receivable was immaterial to the financial statements and was not recorded in the accompanying statement of net assets available for plan benefits as of December 31, 2022.

J. Subsequent events

The Plan has evaluated all subsequent events through October 13, 2023, the date the financial statements were available to be issued and determined that no additional subsequent events had occurred that would require recognition and disclosure in the financial statements.
