ADVANCED CARDIOVASCULAR SPECIALISTS, LLC PROFIT SHARING 401K PLAN
Shreveport, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Advanced Cardiovascular Specialists, LLC Profit Sharing 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Advanced Cardiovascular Specialists, LLC Profit Sharing 401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Advanced Cardiovascular Specialists, LLC Profit Sharing 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Cardiovascular Specialists, LLC Profit Sharing 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Advanced Cardiovascular Specialists, LLC Profit Sharing 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Cardiovascular Specialists, LLC Profit Sharing 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(l) – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of the Plan

The following description of the Advanced Cardiovascular Specialists, LLC (the "Company") Profit Sharing 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a tax-qualified defined contribution plan under Section 401(a) of the Internal Revenue Code of 1986, as amended, which provides retirement, disability or death benefits for eligible employees of the Company. To attain eligibility, employees must be age twenty-one (21), and must have completed one year of service, as defined by the Plan. The Plan is subject to various provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan is an amendment and restatement of a pre-existing plan which was originally effective as of July 1, 1992. The plan as here-in discussed is effective as of January 1, 2022.

Contributions and Allocations

Each year, participants may contribute a percentage of pretax annual compensation ("eligible compensation" as defined under the Plan), not to exceed maximum annual contribution limits established by the Federal Government. The annual elective deferral limitations for 2022 and 2021 totaled \$20,500 and \$19,500. In addition, during the year which a participant attains age fifty (50) and in subsequent years, the participant may elect to make additional pretax "catch up" contributions of up to \$6,500 in 2022 and 2021.

A safe harbor matching contribution by the Company is discretionary for each plan year. Safe harbor matching contributions shall be equal to one-hundred percent (100%) of a participant's elective deferrals, including catch-up contributions, up to the first three percent (3%) of the participant's total compensation plus fifty percent (50%) of a participant's elective deferrals, including catch-up contributions, between three percent (3%) and five percent (5%) of a participant's compensation. Eligible participants do not need to satisfy any eligibility requirements, beyond those outlined above, to be eligible to receive a safe harbor matching contribution. Safe harbor matching contributions totaled \$338,897 for the year ended December 31, 2022.

An employer profit-sharing contribution by the Company is discretionary for each plan year. Profit sharing contributions shall be a discretionary percentage of compensation for eligible participants. Each participant who is actively employed on the last day of the plan year with 1,000 or more hours of service during the Plan year is eligible to receive a profit-sharing contribution. Profit-sharing contributions totaled \$688,477 for the year ended December 31, 2022.

Rollover contributions are permitted by the Plan. Rollover contributions remain in segregated rollover accounts and are always one hundred percent (100%) vested.

Voluntary employee contributions to the Plan are not allowed.

(1) Description of the Plan (cont.)

Participant Accounts

Under the Plan, elective deferrals made by participants and any employer contributions are placed into investment accounts, as directed by the participant, which are then credited with gains and losses at each valuation date. Valuation is performed daily. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Vesting

Under the Plan, participants are immediately vested in their elective deferral contributions and safe harbor matching contributions plus actual earnings thereon. Participants are vested in the Company's discretionary contribution portion of their accounts plus actual earnings thereon based on years of continuous service. All participants are fully vested after completing at least six (6) years of service.

The vesting schedule for discretionary employer contributions (including top-heavy) is as follows:

<u>Completed Years of Service</u>	<u>Percentage Vested</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
6 or more	100%

Notes Receivable from Participants

Loans are permitted in the plan for Coronavirus-Related loans under the CARES Act. These loans are treated as Participant directed investments. The loan must be a minimum of \$1,000 at an interest rate of one percentage point over the prime interest rate. No participant may have more than one loan outstanding at any time. All outstanding loan balances will be due and payable in their entirety upon severance of employment unless directly rolled over (if permitted) to another employer's plan. All loans were paid off during 2022.

Payment of Benefits

On termination of service due to reasons other than death, disability or normal retirement, participants are only entitled to their vested percentage of their account balance. If this balance is less than \$1,000, a distribution will be made to the participant, without consent.

On termination of service due to death, disability or normal retirement, or any other reason, the form of distribution depends on the value of a participant's vested account balance. If the vested interest is less than \$1,000, the vested benefit will be distributed as a lump sum. If the vested interest is between \$1,000 and \$5,000 the vested benefit will be distributed as a lump sum at the participant's elections or in the form of an automatic IRA rollover.

ADVANCED CARDIOVASCULAR SPECIALISTS, LLC PROFIT SHARING 401K PLAN

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

8

If this value exceeds \$5,000, the Plan allows participants to elect distribution under the following methods:

- Lump sum,
- Installment payments over a period of not more than a participant or the participant's beneficiary's assumed life expectancy, or
- Partial withdrawals of at least \$1,000.

In-service distributions are permitted by the Plan, provided the participant has attained the age of fifty-five (55) or has been a participant in the Plan for at least 5 years. Employee deferrals, safe harbor contributions, and transferred money purchase pension assets cannot be withdrawn before age 59½. These distributions must be a minimum of \$1,000, participants are limited to three (3) during any plan year, and they must only be paid from accounts which are one-hundred percent (100%) vested.

Hardship distributions are permitted by the Plan, provided the participant provides documentation demonstrating the existence of a hardship event, as defined by the Plan.

The Plan administrator may delay payment to participants for a reasonable time for administrative convenience.

Forfeited Accounts

Forfeitures are amounts which cannot be paid to terminated participants because they were not one hundred percent (100%) vested upon separation from service with the Company. Forfeitures of Company matching contributions will be used to pay plan expenses and supplement employer contributions, respectively. The Plan, as of December 31, 2022 and 2021, had forfeited non-vested account balances that totaled \$16,262 and \$1, respectively. During the plan year ended December 31, 2022, the Plan used \$1,048 in forfeited account balances to supplement employer contributions.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits at the date of the financial statements and the changes in net assets available for Plan benefits during the reporting period and, when applicable, the disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

(2) Summary of Significant Accounting Policies (cont.)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for its annuity contract, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Fully benefit-responsive investment contracts held by a defined-contribution plan are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Net appreciation (depreciation) in the fair value of Plan assets reflected in the Plan's statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Purchases and sales of investments are recorded on a trade-date basis. Interest income, including interest earned on notes receivable from participants, is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Although not required, the Company, as Plan Sponsor, may pay the related costs of administering the Plan. Expenses paid by the Company on behalf of the Plan are not reflected in the financial statements of the Plan.

(3) Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

(3) Fair Value Measurements (cont.)

- Level 2 - inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Collective Trust Funds

The collective investment trust is composed primarily of fully benefit-responsive investment contracts and is valued based upon the net asset value (NAV) of units of the collective trust as reported to the Plan by the trust. Net asset value is used as a practical expedient to estimate fair value because it is unlikely that the trust would sell the investment for an amount different than the reported net asset value. The units of each share class of the collective trust are valued daily. The NAV per unit is computed by dividing the total assets of the trust, less its liabilities, by the total number of units outstanding as of the valuation date. Investment income earned is reinvested in the trust and included in the determination of unit values

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the SEC. These funds are required to published their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

(3) Fair Value Measurements (cont.)

The following tables set forth by level, within the fair value hierarchy, the plan's fair value measurements at December 31, 2022 and 2021:

	December 31, 2022			December 31, 2021		
	Level 1	Level 2	Total	Level 1	Level 2	Total
Collective Trusts, at net asset value*	\$ -	\$ -	\$ 31,503,860	\$ -	\$ -	\$ 36,444,061
Mutual funds, at fair value	6,690,972	-	6,690,972	7,497,483	-	7,497,483
Total	\$ 6,690,972	\$ -	\$ 38,194,832	\$ 7,497,483	\$ -	\$ 43,941,544

* In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been valued in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets available for Plan benefits.

(4) Fully Benefit Responsive Investment Contracts

The Plan's Key Guaranteed Portfolio Fund (the "Fund") is a separately managed account within the Plan's trust managed by Empower Retirement. The Fund is a general account product of Empower Annuity Insurance Company of America, offered through a group annuity contract. Principal and interest are fully guaranteed by the entire general account assets of Empower Annuity Insurance Company of America. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code,
2. Premature termination of the contracts,
3. Plan termination or merger,
4. Changes to the Plan's prohibition on competing investment options,
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

ADVANCED CARDIOVASCULAR SPECIALISTS, LLC PROFIT SHARING 401K PLAN

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

12

(4) Fully Benefit Responsive Investment Contracts

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines,
2. A breach of material obligation under the contract,
3. A material misrepresentation,
4. A material amendment to the agreements without the consent of the issuer.

(5) Related Party Transactions

For the periods involved, certain Plan investments included interest in fixed annuities managed by Empower Annuity Insurance Company of America (Empower). Empower is listed as the Custodian, as defined by the Plan, and qualifies as a party-in-interest.

Additionally, the plan has issued loans to participants, which are secured by the vested balances in the participants' accounts and Advanced Cardiovascular Specialists, LLC, the Plan sponsor, provides certain accounting and administrative services for which no fees are charged.

(6) Plan Amendment or Termination

The Company has reserved the right to terminate the plan or reduce or cease contributions at its discretion or to amend the plan at any time and in any respect. However, no amendment can reduce benefits already earned by the participants. In the event of termination, participants are entitled to the full amount in their account as of the date of termination, regardless of the percent vested at the time of termination.

(7) Tax Status

On November 30, 2020, the IRS stated that the prototype adopted by the plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The plan has not received a determination letter specific to the plan itself; however, the plan administrator and the plan's tax counsel believe that the plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the plan's financial statements.

U.S. GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

13

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

(9) CARES Act

In response to the financial effects of COVID-19, the U.S. Congress approved the Coronavirus Aid, Relief and Economic Security ("CARES") Acts of March 27, 2020. Certain provisions of the CARES act increase the maximum loan amount participants may borrow from the lesser of \$50,000 or 50% of the value of the participant's vested balance to the lesser of \$100,000 or 100% of the vested balance, delay loan repayments for one year, allow hardship withdrawals related to COVID-19 of up to \$100,000 that can be redeposited to a qualified plan within three years without tax penalty, and allow for certain other benefits. The Cares Act does not require formal amendment of the Plan document until the last day of the Plan year beginning on or after January 1, 2022 as long as the Plan operated with the revised limits.

(10) Subsequent Events

The Plan Administrator has evaluated all events or transactions that occurred after December 31, 2022 through September 15, 2023, which is the date the financial statements were available to be issued. During this period there were no material subsequent events requiring disclosure.

(11) Information Certified by Custodian (Unaudited)

The following information regarding investment activity has been certified as complete and accurate pursuant to 29 CFR 2520.103-5(c) of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA by the custodian of the Plan assets, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, and has not been audited by the Plan's independent accountants at and for the years ended December 31, 2022 and 2021:
