Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the RLI Services LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RLI SERVICES LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Plan Description

The following description of the RLI Services LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees who are leased employees or non-resident aliens are not eligible to participate. Employees are eligible for participation in the Plan after completing six months of full-time service and after having attained the age of 21. A listing of the present employer members (collectively, the Companies) follows:

Fenn, LLC dba Fenn-Torin
Pacific Press Holdings
Schlegel Specialty Products
Bold Renewables
Belt Concepts of America
TerraSource Global
Kirby Opco

Contributions

The Plan provides for employee salary 401(k) contributions on a pretax and after-tax basis up to a maximum of 100 percent of the annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code (IRC). The Plan also provides for Roth elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. The Plan has an automatic deferral provision whereby the Companies will automatically withhold a portion of compensation for each payroll period and contribute that amount to the Plan unless a contrary election is made. The automatic deferral percentage shall be three percent and increase one percent per year thereafter to reach a maximum automatic deferral percentage of six percent.

The Plan also provides for employer matching contributions of 100 percent of the participant's first three percent of contributions. Total matching contributions made during 2022 and 2021 were \$758,713 and \$540,696, respectively. The Plan also provides for discretionary non-elective contributions as determined on an annual basis by the Companies. The Companies made no such discretionary non-elective contributions in 2022 and 2021. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is comprised of the participant's contributions and allocations of (a) the Companies' contributions, (b) Plan earnings and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Description (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' matching and discretionary non-elective contribution portions of their accounts plus actual earnings thereon is based on years of continuous service according to the following schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options

A participant may direct Company and participant contributions in any of the various investment options offered by the Plan. Participants may change their investment options at any time. The Plan currently offers several mutual funds and one stable value fund as investment options.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser 50% of the participant's vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with the prevailing market rate as determined by the Plan Administrator. Principal and interest are paid ratably through bi-weekly payroll deductions. Loan repayment terms are not to exceed five years, unless the loan will be used by the participant to acquire the participant's principal residence.

Payment of Benefits

Under the Plan, a participant receives the full value of his or her vested account balance upon retirement, termination of employment or disability. Beneficiaries are entitled to the participant's account upon the participant's death. The Plan also provides for employees to make in-service withdrawals from their account under certain "hardship" circumstances. The Plan also provides for in-service distributions of a participant's vested interest in his or her account for employees who reach age 59 ½ while still employed with the Companies. Benefits are paid in a lump-sum.

Plan Description (continued)

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$158,594 and \$124,981, respectively. Forfeitures are first used to offset Plan administrative expenses and then to reduce employer contributions. \$6,775 and \$0 were used to pay administrative expenses during 2022 and 2021, respectively. \$49,067 and \$0 were used to reduce employer contributions during 2022 and 2021, respectively.

SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses incurred in connection with the administration of the Plan are paid by the Plan to the extent not paid by the Companies and are recorded in the accompanying Statement of Changes in Net Assets Available for Benefits as administrative expenses.

Information Prepared and Certified by the Investment Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Matrix Trust Company, the trustee of the plan at December 31:

	2022	2021
Mutual funds	\$ 11,833,631	\$ 14,206,591
Stable value fund	1,032,637	612,321
	<u>\$ 12,866,268</u>	<u>\$ 14,818,912</u>

The trustee also certified to the completeness and accuracy of the following related to the aforementioned assets for the years ended December 31:

	2022	2021
Net depreciation in investment value	\$ 2,782,705	\$ 286,088
Interest and dividend income	384,995	1,484,046

Fair Value Measurements

U.S. GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable for the asset or liability.

The level of fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2022 and 2021.

Mutual Funds: Valued based on the net asset value (NAV) of shares held by the Plan at year-end.

Stable Value Fund: Valued at the NAV provided by the administrator of the fund. Issues and redemptions of units are recorded upon receipt of unit holder's instructions based on the determined NAV per unit, which is determined daily. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For this fund, there are no unfunded commitments, redemption restrictions, and participants can transact daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of a different methodology or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

Fair Value Measurements (continued)

The following tables sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,833,631	\$ -	\$ -	\$ 11,833,631
Investments measured at net asset value *	-	-	-	1,032,637
Total assets at fair value	\$ 11,833,631	\$ -	\$ -	\$ 12,866,268

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,206,591	\$ -	\$ -	\$ 14,206,591
Investments measured at net asset value *	-	-	-	612,321
Total assets at fair value	\$ 14,206,591	\$ -	\$ -	\$ 14,818,912

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Plan Termination

The Companies have the right to discontinue their contributions at any time. Although they have not expressed any intent to do so, the Companies also have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the participants' accounts will become fully vested.

Tax Status

The Plan has adopted a Prototype Non-standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement, which has received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020. The opinion letter stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan was qualified and the related trust was tax exempt as of December 31, 2022 and 2021, and no provision for income taxes has been included in the Plan's financial statements.

RLI SERVICES LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Tax Status (continued)

GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Plan Transfer Out

In August 2021, RLI Services LLC executed an agreement to sell Five Points Film to a third party. As a result of its sale, on April 13, 2022, the accounts of all Five Points Film employees were transferred out of the Plan to an existing plan controlled by the acquiring company.

Party-in-Interest Transactions

Employee Fiduciary is the recordkeeper as defined by the Plan document and, therefore, these transactions qualify as exempt party-in-interest transactions. Such transactions are exempt from being prohibited transactions. Fees paid by the Plan for investment advisory services were included as a reduction of the return earned on each fund. PWMG was the financial advisor to the Plan and thus qualifies as a party in interest. Fees paid by the Plan for administrative services to the above entities amounted to approximately \$50,215 and \$39,603 in 2022 and 2021, respectively.

Plan Amendment

Effective January 1, 2022, the plan was amended and restated and a new non-standardized adoption agreement was signed to incorporate all recent regulatory provisions.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying 2022 statement of net assets available for benefits.

RLI SERVICES LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Subsequent Events

Effective January 1, 2023, eligibility requirements under the Plan were amended to reduce the service requirement from six months to three months and the age requirement from having attained the age of 21 to 18.

Effective January 13, 2023, the initial automatic enrollment percentage for eligible participants was increased from 3% to 6%. Concurrent with the amendment, the automatic enrollment percentage will no longer increase 1% per year. All participants with an automatic enrollment percentage will be deemed to have elected 6% as their deferral percentage on the effective date. Automatic elections will not apply if the participant already had an elective deferral contribution in effect on the effective date of the automatic enrollment feature.

Subsequent Events – Date of Management Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the financial statements were available to be issued.
