Independent Auditors' Report

To the Plan Administrator of the
401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana
Covington, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2022 audit of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Independent Auditors' Report
(Continued)**

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana's ability to continue as a going concern for a reasonable period of time.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audit of the 2022 Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana were audited by predecessor auditors. As permitted by ERISA Section 103(a)(3)(c), the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated September 13, 2022, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana (the "Plan") have been prepared on the accrual basis.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investment transactions are accounted for on a trade-date basis (the date the order to buy or sell is executed). Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Notes Receivable from Participants

For reporting purposes, participant loans are classified as notes receivable from participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Related-Party Transactions

Several employees of Community Action Program Inc. of Western Indiana (the "Organization") provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Organization for the services provided by the employees to the Plan.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

The Organization has evaluated subsequent events through October 12, 2023, which is the date these financial statements were available to be issued.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the plan's provisions.

General

The Plan was established on January 1, 1998 as a defined contribution plan. The Plan was amended and restated on January 1, 2022. The Plan covers substantially all employees of the Organization, with an exception nonresident aliens. There are no eligibility conditions for employees to participate in the Plan. Employees are eligible for matching contributions immediately after 1 year of service and after attaining the age of twenty-one. Employees may enter the Plan on the first day of the month after they have met the eligibility requirements. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may elect to contribute up to 100% of their pretax or post-tax annual compensation, as defined by the Plan, on a pre-tax or after-tax (Roth) basis. However, such contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$20,500 at December 31, 2022). The Plan permits catch-up elective deferrals for participants over 50 years of age subject to Internal Revenue Code limitations. Participants designate the percentage of their total contribution to be invested in any of the Plan's investment funds. Participants may change the percentage of contributions invested in each account and may make transfers between accounts anytime during the year.

The Organization makes discretionary matching contributions to the Plan each year. In 2022, the Organization provided a match equal to 100% of each participant's elective deferrals up to \$1,500. Discretionary matching contributions totaled \$54,627 in 2022.

**Notes to Financial Statements
(Continued)**

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Rollover Contributions

Participants may roll over their taxable portion of funds previously held for their account in another qualified retirement plan to the Plan on a tax-free basis.

Participant Accounts

Each participant's account is credited with the participant's and Organization's contributions and a pro-rata allocation of the Plan's earnings and expenses. The pro-rata allocation is based upon each participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in discretionary employer match contributions is based on a six-year scale. Participants become fully vested in these accounts after six years of service.

Notes Receivable from Participants

Participants may borrow from their respective accounts. The minimum loan amount is \$1,000 and the maximum loan amount is equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan administrator. Note receivable terms range from one to five years, or beyond five years, as agreed upon by the participant and the administrator, for the purchase of a primary residence.

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Organization, or termination of the Plan, the participant's account is distributed under several options. Participants may elect to receive their benefit in a lump sum, equal installments, or partial withdrawals.

In-service distributions are permissible from the Plan for participants that have attained the age of 59 1/2. Participants electing in-service distributions may elect to receive all or a portion of their vested benefits.

In conditions of "financial hardship", as defined, a participant may apply to the Plan administrator for approval to withdraw that portion of their elective deferrals necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Forfeitures

Forfeited accounts, if any, can be used to reduce future employer contributions. At December 31, 2022 and 2021, there were \$0- of forfeited, nonvested funds. In 2022, \$7,669 of forfeited funds were used.

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF COMMUNITY ACTION PROGRAM,
INC. OF WESTERN INDIANA**

**Notes to Financial Statements
(Continued)**

NOTE 3 TAX STATUS

The Plan Sponsor has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service dated November 30, 2020, which states the prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: The net asset value of the pooled separate accounts is based on the market value of its underlying investments. The pooled separate account is not a publicly-quoted price in an active market.

Group annuity contracts: The net asset value of the group annuity contracts is based on an amount equal to the sum of the values, as of a valuation day, of the Interest Accumulation Account attributable to a participant and maintained under the contract.

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF COMMUNITY ACTION PROGRAM,
INC. OF WESTERN INDIANA**

**Notes to Financial Statements
(Continued)**

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	<u>12/31/2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate funds	2,839,792	-	2,839,792	-
Group annuity contracts	403,398	-	403,398	-
Total investments at fair value	<u>\$ 3,243,190</u>	<u>\$ -</u>	<u>\$ 3,243,190</u>	<u>\$ -</u>
	<u>12/31/2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate funds	3,351,116	-	3,351,116	-
Group annuity contracts	429,265	-	429,265	-
Total investments at fair value	<u>\$ 3,780,381</u>	<u>\$ -</u>	<u>\$ 3,780,381</u>	<u>\$ -</u>

NOTE 5 INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION

The following information provided by Mutual of America Life Insurance Company, for the years ended December 31, 2022 and 2021, was certified by them to be accurate and complete with respect to the following:

1. The assets held by Mutual of America Life Insurance Company at December 31, 2022 and 2021, as well as the transactions involving these assets for the year ended December 31, 2022.
2. The amount of investment income (loss) for the year ended December 31, 2022.
3. The Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) at December 31, 2022.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan is terminated, participants will become fully vested in their account balances.

Independent Auditors' Report

To the Plan Administrator of the
401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana
Covington, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2022 audit of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Independent Auditors' Report
(Continued)**

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana's ability to continue as a going concern for a reasonable period of time.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audit of the 2022 Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana were audited by predecessor auditors. As permitted by ERISA Section 103(a)(3)(c), the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated September 13, 2022, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of 401(k) Profit-Sharing Plan for Employees of Community Action Program, Inc. of Western Indiana (the "Plan") have been prepared on the accrual basis.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investment transactions are accounted for on a trade-date basis (the date the order to buy or sell is executed). Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Notes Receivable from Participants

For reporting purposes, participant loans are classified as notes receivable from participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Related-Party Transactions

Several employees of Community Action Program Inc. of Western Indiana (the "Organization") provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Organization for the services provided by the employees to the Plan.

INC. OF WESTERN INDIANA**

**Notes to Financial Statements
(Continued)**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

The Organization has evaluated subsequent events through October 12, 2023, which is the date these financial statements were available to be issued.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the plan's provisions.

General

The Plan was established on January 1, 1998 as a defined contribution plan. The Plan was amended and restated on January 1, 2022. The Plan covers substantially all employees of the Organization, with an exception nonresident aliens. There are no eligibility conditions for employees to participate in the Plan. Employees are eligible for matching contributions immediately after 1 year of service and after attaining the age of twenty-one. Employees may enter the Plan on the first day of the month after they have met the eligibility requirements. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may elect to contribute up to 100% of their pretax or post-tax annual compensation, as defined by the Plan, on a pre-tax or after-tax (Roth) basis. However, such contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$20,500 at December 31, 2022). The Plan permits catch-up elective deferrals for participants over 50 years of age subject to Internal Revenue Code limitations. Participants designate the percentage of their total contribution to be invested in any of the Plan's investment funds. Participants may change the percentage of contributions invested in each account and may make transfers between accounts anytime during the year.

The Organization makes discretionary matching contributions to the Plan each year. In 2022, the Organization provided a match equal to 100% of each participant's elective deferrals up to \$1,500. Discretionary matching contributions totaled \$54,627 in 2022.

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Rollover Contributions

Participants may roll over their taxable portion of funds previously held for their account in another qualified retirement plan to the Plan on a tax-free basis.

Participant Accounts

Each participant's account is credited with the participant's and Organization's contributions and a pro-rata allocation of the Plan's earnings and expenses. The pro-rata allocation is based upon each participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in discretionary employer match contributions is based on a six-year scale. Participants become fully vested in these accounts after six years of service.

Notes Receivable from Participants

Participants may borrow from their respective accounts. The minimum loan amount is \$1,000 and the maximum loan amount is equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan administrator. Note receivable terms range from one to five years, or beyond five years, as agreed upon by the participant and the administrator, for the purchase of a primary residence.

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Organization, or termination of the Plan, the participant's account is distributed under several options. Participants may elect to receive their benefit in a lump sum, equal installments, or partial withdrawals.

In-service distributions are permissible from the Plan for participants that have attained the age of 59 1/2. Participants electing in-service distributions may elect to receive all or a portion of their vested benefits.

In conditions of "financial hardship", as defined, a participant may apply to the Plan administrator for approval to withdraw that portion of their elective deferrals necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Forfeitures

Forfeited accounts, if any, can be used to reduce future employer contributions. At December 31, 2022 and 2021, there were \$0- of forfeited, nonvested funds. In 2022, \$7,669 of forfeited funds were used.

NOTE 3 TAX STATUS

The Plan Sponsor has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service dated November 30, 2020, which states the prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: The net asset value of the pooled separate accounts is based on the market value of its underlying investments. The pooled separate account is not a publicly-quoted price in an active market.

Group annuity contracts: The net asset value of the group annuity contracts is based on an amount equal to the sum of the values, as of a valuation day, of the Interest Accumulation Account attributable to a participant and maintained under the contract.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	<u>12/31/2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate funds	2,839,792	-	2,839,792	-
Group annuity contracts	403,398	-	403,398	-
Total investments at fair value	<u>\$ 3,243,190</u>	<u>\$ -</u>	<u>\$ 3,243,190</u>	<u>\$ -</u>
	<u>12/31/2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
