## INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the  
Augustine Casino 401(k) Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Augustine Casino 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net position available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net position available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedules of *Schedule H, Line 4a – Schedule of Delinquent Participant Contributions* and *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)*, as of December 31, 2022, and for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**AUGUSTINE CASINO 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**Note 1: Description of the Plan**

The following description of the Augustine Casino 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General** – The Plan is a defined contribution 401(k) plan, effective March 4, 2016, created to provide retirement benefits to the employees of the Augustine Gaming Management Corporation, Inc., dba Augustine Casino (the "Casino") and Three7Nine Enterprise Management Corporation, Inc. ("Three7Nine"), who are age twenty-one or older and have completed six months of service. The Plan contains an auto enrollment feature of 3% of a participant's compensation once they meet eligibility requirements. The participants may change the automatic deferral percentage or elect not to defer upon submission of a salary deferral agreement to the Plan Sponsor. The Plan has two features: a salary deferral feature and an employer contribution feature.

Three7Nine is the Plan Sponsor. Trust and fiduciary services are provided by BOKF, NA through its seven banking divisions: Bank of Albuquerque, Bank of Arizona, Bank of Arkansas, Bank of Kansas City, Bank of Oklahoma, Bank of Texas, and Colorado State Bank and Trust. BOKF, NA is a subsidiary of BOK Financial Corporation, a financial holding company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions** – Participants may elect to defer a percentage of their compensation each year into the Plan up to established Internal Revenue Service (IRS) limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Casino and Three7Nine matched 100% of the participant's contributions up to 3% of the participant's compensation, plus 50% of the participant's contributions above 3% up to 5%. The Casino and Three7Nine may also elect to make a profit-sharing match to the Plan. Participants direct the investment of their contributions and associated employer contributions into various investment options offered by the Plan.

**Investments** – Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options anytime throughout the year. If a participant does not elect an investment option at the time of enrollment, their contributions are invested in the applicable target retirement fund based on the participant's age until the participant changes their elections. The Casino and Three7Nine's contributions are allocated in the same manner as that of the participant's elective contributions.

**Participant Accounts** – Each participant account is credited with the participant's contributions, the Casino and Three7Nine's contributions, and allocations of Plan earnings (losses) and is charged with an allocation of the administrative expenses that are paid by the Plan. Plan earnings (losses) are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** – All participant contributions are fully vested. The Plan incorporates the safe harbor feature that allows participants to be fully vested in the employer's matching contributions.

**Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's vested account and must be repaid over a term not to exceed 5 years. The interest rate on loans is prime plus 1%. Principal and interest are paid ratably through payroll deductions.

**AUGUSTINE CASINO 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**Note 1: Description of the Plan (Continued)**

**Payment of Benefits** – All amounts allocated to participants are distributable to them or their beneficiaries in the event of the participant's retirement, death, or disability. Participants who terminate their employment with the Casino or Three7Nine receive all vested amounts allocated to them under the terms set forth in the Plan and the distribution of benefits is made in a lump-sum at the election of the participant. At December 31, 2022 and 2021, inactive participants had a vested balances of \$861,030 and \$1,117,500, respectively.

In-service withdrawals are available in certain circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. These withdrawals are included with benefits paid and may not exceed the participant's elective deferral contributions plus allocated earnings and vested benefits. After making a hardship withdrawal, a participant is suspended from making additional contributions for a period of six months from the effective date of the withdrawal.

**Note 2: Summary of Significant Accounting Policies**

The following significant accounting policies were used to prepare the financial statements in accordance with generally accepted accounting principles.

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Generally accepted accounting principles include statements from the Governmental Accounting Standards Board (GASB), as well as other guidance provided by the American Institute of Certified Public Accountants' Audit and Accounting Guide, *Employee Benefit Plans*.

During 2022, the Plan implemented GASB Statement No. 92, *Omnibus 2020*, the objective of which is to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB statements. Implementation of this statement did not have a significant impact on the Plan's financial statements.

In April 2022, GASB issued Statement No. 99, *Omnibus 2022*. The objectives of this statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by (1) addressing practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for financial guarantees. GASB Statement No. 99 becomes effective as follows: (a) the requirements in paragraphs 26-32 of this statement are effective upon issuance, (b) the requirements in paragraph 11-25 of this statement becomes effective for the Plan for the 2023 reporting period, (c) the requirements of paragraph 4-10 of this statement becomes effective for the Plan for the 2024 reporting period.

In June 2022, GASB issued statement No. 100, *Accounting Changes and Error Corrections – an amendment of GASB Statement No 62*. The objective of this statement is to enhance the accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. GASB Statement No. 100 becomes effective for the Plan for the 2024 reporting period.

The effect of the future adoption of GASB Statements No. 99 and No. 100 on the Plan's financial statement has not been evaluated as of the date of this report.

**AUGUSTINE CASINO 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**Note 2: Summary of Significant Accounting Policies (Continued)**

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therewith, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value as certified by the Plan's custodian, BOKF, NA. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are reported on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Net appreciation (depreciation) in fair value of investments consists of gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances. Interest income is recorded when received and credited to the participants' accounts. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

The Plan recognizes benefit payments in the period that benefits are paid.

Administrative Expenses

Administrative, investment, and processing fees attributable to active participants are allocated among the active participants by charging each particular expense to the account balance of the active participant responsible for the expense. Administrative, investment, and processing fees attributable to terminated participants are allocated among the terminated participants by charging each particular expense to the account balance of the terminated participant responsible for the expense.

Date of Management's Review

Subsequent events were evaluated through October 6, 2023, which is the date the financial statements were available to be issued.

**Note 3: Fair Value Measurements**

The Plan's investments are reported at fair value in the accompanying statements of net position available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**AUGUSTINE CASINO 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**Note 3: Fair Value Measurements (Continued)**

GASB Statement No. 72, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under GASB Statement No. 72 are described as follows: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no level 2 or 3 inputs required to be used by the Plan.

The following is a description of the value methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

Level 1 Fair Value Measurements

The fair value of mutual funds is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

**Note 6: Investment Information Prepared and Certified by the Custodian**

Management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, dividends, interest income on note receivable from participants, and administrative expenses for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by BOKF, NA, (the custodian of the Plan).

The Plan's independent certified public accountants did not perform auditing procedures with respect to the above information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets.

**Note 7: Tax Status**

The Plan established under the trust to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and accordingly, the Plan's net investment income is exempt from income tax. The Plan has obtained a favorable tax determination letter from the IRS covering its volume submitter 401(k) profit sharing plan. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress as this is the Plan's first year of operation.

**Note 8: Reconciliation of the Financial Statements to the Form 5500**

Amounts reported in the financial statements agree to the Form 5500 with the possible exception of rounding differences.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**Note 9: Related Party/Party-in-Interest Transactions**

Certain Plan investments are shares of mutual funds. Some of these investments may be in stocks and others may be in bonds or other types of investments managed by BOKF, NA. BOKF, NA is the custodian as defined by the Plan; therefore, these transactions qualify as related party/party-in-interest transactions. Fees paid by the Plan for investment services were \$2,505 and \$1,780, respectively for the years ended December 31, 2022 and 2021, respectively.

**Note 10: Plan Termination**

Although it has not expressed any intention to do so, the Casino and Three7Nine have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**Note 11: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net position available for benefits.

**Note 12: ERISA Fidelity Bond**

ERISA requires that employee benefit plans obtain a fidelity bond to protect the Plan against theft of Plan assets by fiduciaries and other Plan officials. The amount of the bond is fixed at the beginning of the Plan year, in an amount that is not less than 10% of the Plan assets as of the beginning of the Plan year, up to a maximum bond requirement of \$500,000. Bonds were in place during the years ending December 31, 2022 and 2021.
