INDEPENDENT AUDITOR'S REPORT

October 12, 2023

To the Trustees, Participants and Plan Administrator of the
Crickler Vending Company, Inc. 401(k) Profit Sharing Plan:

Opinion

We have audited the accompanying financial statements of Crickler Vending Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Crickler Vending Company, Inc. 401(k) Profit Sharing Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Crickler Vending Company, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Crickler Vending Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Crickler Vending Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Crickler Vending Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CRICKLER VENDING COMPANY, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following is a brief description of the Crickler Vending Company, Inc. 401(k) Profit Sharing Plan (the Plan) provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan as permitted under section 401(k) of the Internal Revenue Code with a Roth feature, covering eligible employees of Crickler Vending Company, Inc., (the Company and Plan Sponsor), as defined. The Plan is funded by employee, rollover and employer contributions. The assets of the Plan are maintained in investment funds held by Principal Trust Company for the period of August 1, 2022 to December 31, 2022. Prior to August 1, 2022 the assets were held by Merrill Lynch. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Effective August 1, 2022, employees must have attained age 18 and completed one consecutive month of eligibility service to be eligible to participate in the Plan and receive employer matching contributions. Prior to August 1, 2022, employees must have attained age 21 and completed one consecutive month of eligibility service to be eligible to participate in the Plan and receive employer matching contributions.

Contributions

Each participant may elect to contribute up to 100% of his or her eligible compensation subject to the limitations set by the Internal Revenue Code (\$20,500 in 2022 and \$19,500 in 2021) as a contribution to the Plan. Effective August 1, 2022, Roth contributions are permitted under Plan provisions. Participants who are age 50 or older before the end of the plan year are allowed to make an additional catch-up contribution. This contribution was limited to \$6,500 in 2022 and 2021. The Company matches 50% of the participant's contribution up to 4%. Effective August 1, 2022, the catch-up contribution is not subject to the employer matching contribution. The Company can also make discretionary profit-sharing contributions each year. There were no discretionary profit-sharing contributions for the years ended December 31, 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified pension plans.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching contribution, (b) the Company's non-elective discretionary contributions, and (c) plan earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of employee and employer contributions into various investment options offered by the Plan. Participants may change their investment allocation on a daily basis.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately 100% vested in their elective deferral contributions. Participants are 100% vested in the employer matching and discretionary profit-sharing contributions after a period of service, as defined in the Plan as follows:

Vesting Schedule Effective November 1, 2021		Vesting Schedule Prior November 1, 2021	
Years of Service	Percentage	Years of Service	Percentage
Less than 1	0%	Less than 2	0%
1	20%	2	20%
2	40%	3	40%
3	60%	4	60%
4	80%	5	80%
5+	100%	6+	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years but may exceed five years for the purchase of a primary residence. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Withdrawals and Distributions

Unless a participant elects otherwise, distributions will be made as soon as practical after a participant's termination of service due to retirement, death or disability. The normal retirement date is the date upon which a participant reaches age 65. Participants may also receive hardship distributions under certain circumstances, as defined. Participants may receive their accumulated vested benefits held by the Plan's trustee upon termination of employment or elect to keep his or her vested balance in excess of \$5,000 in the Plan. If the participant elects to keep his or her vested interest in the Plan, the participant's account will continue to receive its share of earnings and losses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements on the accrual basis of accounting and presents the net assets available for benefits and changes in those net assets in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan's assets include various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to the value of such investments, changes in the values of investments will occur and such changes could materially affect the amounts reported in the financial statements.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Investment fees and administrative expenses are paid by the Plan. Administrative expenses not paid by the Plan are paid by the Plan Sponsor.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under terms of the Plan. The Plan invests in an investment contract measured at contract value through a guaranteed interest fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on investments held during the year and realized gains and losses on investments sold during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Income Taxes

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan uses various valuation techniques in determining fair value. FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There were no changes between levels during 2022 and 2021.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued based on quoted market prices in active markets.

Pooled separate account: Valued at net asset value ("NAV"). Invests mainly in international stocks. The net asset values of the pooled separate account are not publicly quoted. The values of the underlying investments are used in determining the net asset value of each separate account. The pooled separate account does not have any unfunded commitments relating to their investments, nor any restrictions on redemptions. Participant-directed redemptions can be made daily and do not have a redemption notice period.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

3. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments that were accounted for at fair value on a recurring basis as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 3,070,005	\$ -	\$ -	\$ 3,070,005
Pooled separate account, at net asset value (a)				<u>175,437</u>
	<u>\$ 3,070,005</u>	<u>\$ 1,270,542</u>	<u>\$ -</u>	<u>\$ 3,245,442</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments that were accounted for at fair value on a recurring basis as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 5,081,852	\$ -	\$ -	\$ 5,081,852

(a) In accordance with the FASB authoritative guidance regarding fair value measurement, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

At December 31, 2022, the Plan held an interest in the Principal Fixed Income Guaranteed Option Fund, a fully benefit-responsive group annuity contract issued by Principal Global Investors Trust Company, which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Under the terms of the existing contract, the composite crediting rate is currently reset on a quarterly basis and will never be less than the guaranteed minimum interest rate. There were no fees for the year ended December 31, 2022.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Global Investors Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Principal Fixed Income Guaranteed Option Fund to transact at contract value with the issuer (i.e., plan termination, mergers, layoffs, etc.) and also limit the ability to transact at contract value with participants. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring. Participants have reasonable access to their funds and transact at book value without limit (benefit events and transfers). Equity wash provisions are allowed and do not disqualify a contract's fully benefit-responsiveness.

5. PARTY-IN-INTEREST TRANSACTIONS

For the period of August 1, 2022 to December 31, 2022, certain plan investments were managed by Principal Trust Company, the trustee, and therefore these transactions qualify as party-in-interest. For the period of January 1, 2021 to July 31, 2022, certain plan investments were managed by Merrill Lynch, the record-keeper and custodian, and therefore these transactions qualify as party-in-interest.

Notes receivable from participants of \$35,476 and \$40,455 as of December 31, 2022 and 2021, respectively, with interest rates ranging from 4.25% to 8.00% also qualify as party-in-interest.

6. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.

Crickler Vending Company, Inc. 401(k) Profit Sharing Plan
900 Jefferson Rd., Building 5
Rochester, New York 14623

We have audited the financial statements of Crickler Vending Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), for the year ended December 31, 2022, and we will issue our report thereon dated October 12, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 24, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Crickler Vending Company, Inc. 401(k) Profit Sharing Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the 2022 plan year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were management's estimate of the fair value of investments which is primarily based on quoted market values and net asset value. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of investments. Although the Plan believes its valuation methods are appropriate, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement. We evaluated the key factors and assumptions used to develop the fair value in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was the disclosure of the fair value measurements in Note 3 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

1. We noted as part of our testing, for five (5) pay periods throughout 2022, remittances of withheld deferral amounts were not submitted in line with the Plan Sponsors established time frame of 3 to 6 business days. The Department of Labor has stressed the importance of timely remittance of participant contributions to 401(k) plans. Employee contributions withheld by an employer must be submitted to the plan "as of the earliest date on which such contributions can reasonably be segregated from the employer's general assets." We recommend the Plan Sponsor revisits payroll policies and procedures to determine if any changes are necessary.
2. During our audit we noted multiple instances where participant deferrals/loan repayments were not deposited into the Plan in accordance with DOL regulations, resulting in prohibited transactions that will require correction. The Plan administrator should ensure that corrective action is taken, and internal controls should be improved to prevent this from happening in the future.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 12, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedules accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedules to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of The Members of Management of the Crickler Vending Company, Inc. 401(k) Profit Sharing Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

BONADIO & CO., LLP
