INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Beltone New England 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Beltone New England 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Beltone New England 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Beltone New England 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beltone New England 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beltone New England 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beltone New England 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the Year ended December 31, 2022 and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the

certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of Beltone New England 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a participant-directed defined contribution plan established to provide retirement benefits for all eligible employees of Beltone New England (the Employer) who have completed three months of service (as defined by the Plan) and are age twenty-one or older (Participant). The Plan is designed to qualify as a “Safe Harbor” 401(k) plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

The Plan is administered by the Employer and the assets of the Plan are held and invested by Ascensus Trust Company (the Trustee).

PARTICIPANT CONTRIBUTIONS

Participants may elect to contribute pre-tax or post-tax (Roth) amounts up to the dollar limit threshold set by the Internal Revenue Code (IRC). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants have their deferral rate set at three percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers).

EMPLOYER SAFE HARBOR MATCHING CONTRIBUTIONS

The Employer makes a safe harbor matching contribution on the amounts contributed by participants during the plan year in an amount equal to: (i) 100% of the employee contributions that are not in excess of 3% of their compensation, plus (ii) 50% of the amount of the employee contributions that exceed 3% of their compensation but do not exceed 5% of their compensation. Participants must complete 1 year of service and be twenty-one or older in order to receive employer safe harbor matching contributions.

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

EMPLOYER MATCHING CONTRIBUTIONS

The Employer may make a discretionary matching contribution to the Plan in an amount that will be determined on an annual basis. Participants must complete one year of service and be twenty-one or older in order to receive employer discretionary matching contributions. No such contribution was made for the year ended December 31, 2022.

EMPLOYER NON-ELECTIVE PROFIT SHARING CONTRIBUTIONS

The Employer may make a discretionary non-elective profit sharing contribution to the Plan in an amount that will be determined on an annual basis. Participants must be twenty-one or older, complete one year of service, work at least 1,000 hours during the year, and be employed on the last day of the year in order to receive employer non-elective profit sharing contributions. No such contribution was made for the year ended December 31, 2022.

OTHER EMPLOYER CONTRIBUTIONS RECEIVABLE

Due to administrative oversight, there were certain employee deferrals that were remitted to the trust untimely during the year ended December 31, 2021. The Employer reviewed Plan activity, identified all late remittances, and calculated lost earnings on the late remittances. The amount calculated for lost earnings was \$65 for the year ended December 31, 2021. This amount is recorded as other employer contributions receivable as of December 31, 2022 and 2021. This amount will be funded in 2023.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, all employer contributions, and their allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, individual participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

INVESTMENT OPTIONS

Participants may direct their contributions into any of the funds offered by the Plan. These funds include a variety of investment options with various objectives and degrees of financial risk. Participants may change their investment options on a daily basis.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

VESTING

Participants are vested immediately in their deferrals, rollover contributions, and the Employer safe harbor matching and qualified non-elective profit sharing contributions, including earnings on all amounts. Participants will become vested in the Employer matching contributions and Employer non-elective profit sharing contributions, plus earnings, at a rate of 20% per year beginning at the end of the second year of service, as defined by the Plan, and become fully vested after six years of credited service. Regardless of the vesting schedule, participants shall become fully vested upon death or disability while as an employee.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants are not allowed to take loans from their accounts.

PAYMENT OF BENEFITS

The total value of a participant's account will be payable to the participant or his or her beneficiary upon retirement, termination of employment, death or disability. If a participant's vested balance is less than \$5,000, the participant will receive an immediate cash-out of his or her vested account balance. In service distributions are allowed if the participant has attained age 59½. In addition, upon financial hardship, a participant is entitled to the value of his or her fully vested accounts, which is payable immediately in a lump sum distribution.

FORFEITURES

The Plan may use forfeitures to reduce any future Employer contributions or Plan expenses. The Plan did not use any forfeited non-vested balances to reduce Employer contributions or Plan expenses during the year ended December 31, 2022. As of December 31, 2022 and 2021, the Plan had no forfeited non-vested balances.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in common collective trust are reported at fair value using net asset value as a practical expedient. The chief financial officer of the Employer, the plan administrator, determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation included in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits to participants are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Selected administrative expenses of the Plan are paid directly by the Employer and are excluded from these financial statements. Certain other expenses, such as audit fees, recordkeeping fees, and advisory and management fees are reported in the accompanying statement of changes in net assets available for benefits as administrative expenses.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 3 – CERTIFICATION OF INVESTMENT INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments and dividend income for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company, the trustee of the Plan. The information has not been audited by the Plan's independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

BELTONE NEW ENGLAND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for the assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Investments in these mutual funds can be redeemed daily upon request.

Common Collective Trust (CCTs): Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The nature of the Plan's assets are CCTs which are valued at NAV and as of December 31, 2022 and 2021, were \$295,681 and \$247,686, respectively. Investments in CCTs have no unfunded commitments, provide for daily liquidity, and have no redemption features or other restrictions.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,201,444	\$ --	\$ --	\$ 7,201,444
Total investments in the fair value hierarchy	7,201,444	--	--	7,201,444
Investments measured at NAV (a)				295,681
Total investments, at fair value	<u>\$ 7,201,444</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 7,497,125</u>

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,457,543	\$ --	\$ --	\$ 8,457,543
Total investments in the fair value hierarchy	8,457,543	--	--	8,457,543
Investments measured at NAV (a)				247,686
Total investments, at fair value	<u>\$ 8,457,543</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 8,705,229</u>

- (a) In accordance with accounting standards codification subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying statements of net assets available for benefits.

BELTONE NEW ENGLAND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by affiliates of Ascensus Trust Company. Ascensus Trust Company is the trustee, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Investment and administrative fees paid by the Plan to Ascensus Trust Company or its affiliates totaled \$16,144 for the year ended December 31, 2022.

The Plan is also responsible for the financial statement audit fees and uses a third party for investment advisory and benefit consulting services. Audit fees amounted to \$13,390 (of which \$8,240 is included in accrued expenses at December 31, 2022) for the year ended December 31, 2022. Fees paid to the third party for investment advisory and benefit consulting services totaled \$38,771 for the year ended December 31, 2022. Certain employees of the Employer who participate in the Plan perform administrative services to the Plan at no cost to the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contributions accounts.

NOTE 7 – TAX STATUS

The Plan qualifies under the provisions of Section 401(a) of the Internal Revenue code and is exempt from federal and state income taxes. The Employer has adopted a prototype plan document and is relying on the prototype sponsor's determination letter from the Internal Revenue Service dated June 30, 2020. The letter states that the prototype plan is designed in accordance with applicable sections of the IRC. Although the prototype plan may have been amended since receiving the letter, the prototype sponsor, directed trustee and plan administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, management has stated that there are currently no audits for any tax periods in progress.

BELTONE NEW ENGLAND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 8 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

The Employer has determined that certain remittances totaling \$72,588 of participant contributions for the Plan year ended December 31, 2021 were not made timely in accordance with the Department of Labor's guidelines. The Employer categorized the remittances as prohibited transactions. These amounts are included on the Schedule of Delinquent Participant Contributions in the supplemental schedules to the financial statements. The Employer also calculated lost earnings of \$65 for the year ended December 31, 2021 on these late remittances and the lost earnings will be deposited into the Plan in 2023.

NOTE 10 – SUBSEQUENT EVENTS

In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 13, 2023, the date the financial statements were available to be issued. Except as noted below, there are no events that have been identified that should be recorded or disclosed.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
