INDEPENDENT AUDITOR'S REPORT

To the Trustees of
the KSP Group Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of KSP Group Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of KSP Group, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Report on Compiled 2021 Financial Statement

Plan management is responsible for the accompanying financial statement of KSP Group Inc. 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of KSP Group Inc. 401(k) Plan as of December 31, 2021.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KSP Group Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KSP Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KSP Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KSP Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Item 4(i) Schedule of Assets (Held at End of Year) for the year ended December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KSP GROUP, INC. 401(K) PLAN

Notes to Financial Statements

For the year ended December 31, 2022

NOTE 1 – Description of Plan

The following description of the KSP Group, Inc. 401(K) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

A. Nature of the Plan

The Plan provides a defined contribution plan covering substantially all eligible employees of KSP Group, Inc. (Company) at least 21 years old who earned six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan’s federal identification number is 39-1088579 and the Plan number is 001.

B. Contributions

Each year, participants may contribute, either on a pre-tax basis or as Roth deferrals, the maximum deferral amount allowed by the IRS, as defined by the Plan. Participants who will attain age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2022, the Plan includes an auto-enroll provision whereby eligible employees are automatically enrolled in the Plan and will have 3% of compensation withheld from each paycheck as a salary deferral. The Company contributes 100% of the first 3% of compensation plus a matching contribution of 50% of compensation from 3-5% that a participant contributes to the Plan.

C. Participant Accounts and Rollovers

Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Company’s contribution, (b) Plan earnings, (c) forfeitures of terminated participant’s non-vested accounts. Allocations are based on account balances or participant compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The Plan permits the transfer of funds from other qualified plans to a participant’s separate rollover account.

D. Forfeitures

The employer contribution account of a participant who is not vested is forfeited on the date the participant incurs a one year “break in service”. The non-vested portion of the employer contribution account of a participant who is partially vested and has resigned or has been terminated is forfeited in the year after the participant receives a distribution or incurs five consecutive one year “breaks in service,” whichever occurs first. Forfeited amounts are used by the employer to reduce expenses or offset employer contributions. At December 31, 2022 forfeited, non-vested accounts totaled \$-0-. The employer match included \$7,304 paid from the forfeiture account.

KSP GROUP, INC. 401(K) PLAN

Notes to Financial Statements

For the year ended December 31, 2022

NOTE 1 – Description of Plan (continued)

E. Investment Options

Participants may direct the investment of their account balances (including all Company contributions allocated to them) in 1% increments in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options daily.

F. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus earnings thereon is based on years of continuous service. Participants become vested in pre-January 1, 2022 Company contributions in accordance with the following schedule.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Company contributions (and related earnings) made post January 1, 2022 are immediately vested.

G. Benefit Payments

Upon termination of service due to death, disability, or retirement (age 65), a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or in installments over a period selected by the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 2 – Summary of Significant Accounting Policies

A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements is as follows.

A. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

B. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

KSP GROUP, INC. 401(K) PLAN

Notes to Financial Statements

For the year ended December 31, 2022

NOTE 2 – Summary of Significant Accounting Policies (continued)

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Payment of Benefits

Benefits are recorded when paid.

E. Administration

Johnson Bank is the trustee, AT Retirement Services, LLC is the third-party administrator and Mid Atlantic Trust Company is the custodian of the Plan as of December 31, 2022. The custodian is responsible for investing and safekeeping all the Plan assets. The cost of administering the Plan are paid by the Company and the Plan.

F. Subsequent Events

For the year ended December 31, 2022, the Company has evaluated subsequent events for potential recognition and disclosure through October 12, 2023 the date the financial statements were available for issuance.

KSP GROUP, INC. 401(K) PLAN
Notes to Financial Statements
For the year ended December 31, 2022

NOTE 3 – Fair Value Measurements

The Plan’s investments are reported at fair value in the accompanying statements of net assets available for benefits.

	Fair Value	Fair Value Measurement Using: Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2022</u>		
Mutual funds	\$ <u>6,368,945</u>	\$ <u>6,368,945</u>
Total	\$ <u>6,368,945</u>	\$ <u>6,368,945</u>

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820-10, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan measures fair value using Level 1 inputs because they are generally observable at quoted prices. Level 1 inputs were available to the plan, so Level 2 and 3 inputs were not used.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

NOTE 4 – Information Prepared and Certified by Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2022 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Johnson Bank (the trustee of the plan).

KSP GROUP, INC. 401(K) PLAN

Notes to Financial Statements

For the year ended December 31, 2022

NOTE 5 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, the Plan Agreement including all rights, titles, powers, duties, discretions, and immunities imposed upon or reserved to the Trustee and the Company will continue in effect until all assets have been distributed by the Custodian as directed by the Company. Each Plan participant's benefits will become 100% vested in the event the Plan is terminated.

NOTE 6 – Tax Status

The Plan has received a favorable determination from the Internal Revenue Service, which qualifies it for tax-exempt status. The plan obtained its latest determination letter on June 30, 2020 in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – Supplemental Schedules

Disclosures required by regulations include separate schedules of: (1) assets (held at end of year), (2) assets (acquired and disposed of within the year), (3) nonexempt transactions with parties in interest, (4) loans in default or uncollectible, (5) leases in default or uncollectible and (6) reportable transactions.

Schedules 2, 3, 4, 5, and 6 are not included herein as they are not applicable to this Plan as of or for the year ended December 31, 2022.

NOTE 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
