To the Plan Administrator
Connollys 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Connollys 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Connollys 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of Connollys 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Connollys 401(k) Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Connollys 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Connollys 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CONNOLLYS 401(k) RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of Connollys 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General –

The Plan is a defined contribution plan covering substantially all employees of Michael J. Connolly & Sons, Inc. (the Company), who are at least 21 years of age and have completed 12 months of service. Employees covered under a collective bargaining agreement and non-resident aliens are not eligible to participate in the Plan. The Plan is subject to the provisions of the Internal Revenue Code of 1986, as amended (the Code) and the Employee Retirement Income Security Act of 1974 (ERISA). Plan management determines the appropriateness of the Plan's investment offerings and monitors investment performance. Effective October 18, 2021, the Plan was amended to comply with the legislative and regulatory changes set forth in Internal Revenue Service (IRS) Notice 2017-37.

Contributions –

Each year, participants may contribute to the Plan a percentage of their annual compensation, on a pre-tax basis, subject to the maximum amount allowed by the Code. Prior to September 23, 2022 The Plan included an automatic contribution arrangement (ACA) whereby all newly eligible participants would be automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 3% of eligible compensation on a pre-tax basis and their contributions invested in a designated balanced fund until changed by the participant. Effective September 23, 2022, the Plan was amended to remove the automatic contribution arrangement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. With the approval of the plan administrator, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company, at its discretion, may elect to make matching contributions to the Plan. To be eligible for a matching contribution, participants must complete one year of service, defined as 1,000 hours of service during the Plan year, and be employed on the last day of the Plan year. For the Plan years ended December 31, 2022 and 2021, the Company made matching contributions totaling \$19,666 and \$16,080, respectively.

In addition to matching contributions, the Company may make discretionary profit-sharing contributions with the approval of the Board of Directors. Profit-sharing contributions are allocated based on the ratio of the participant's compensation to the compensation of all eligible participants. To be eligible for a profit-sharing contribution, participants must complete 1,000 hours of service during the Plan year and be employed on the last day of the Plan year. For the Plan years ended December 31, 2022 and 2021, there was no profit-sharing contribution made to the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts –

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution, an allocation of the Company's discretionary profit-sharing contribution, as well as allocations of Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Vesting –

Participants are immediately vested in their contributions and rollover contributions, plus earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contributions is based on years of continuous service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Notes Receivable from Participants –

The Plan does not provide for loans to participants.

Payment of Benefits –

Upon termination of service, retirement, disability or death, a participant may elect to receive a lump sum payment or installment payments equal to the value of the participant's vested interest in their account either in a distribution or a rollover. A participant may also request an in-service withdrawal upon attainment of age 59 ½. If a participant's account balance is greater than \$1,000 but equal to or less than \$5,000, the plan administrator can automatically rollover your entire vested account balance into a traditional individual retirement account (IRA). If a participant's account balance is \$1,000 or less, the plan administrator can distribute the entire balance in a lump sum amount.

Hardship withdrawals are available from the participant's accounts, in order to meet a participant's immediate and heavy financial need, as defined in the Plan document.

Forfeitures –

Forfeitures are used to pay Plan expenses or offset future Company contributions to the Plan. At December 31, 2022, unallocated forfeitures totaled \$13. At December 31, 2021, there were no unallocated forfeitures. For the Plan years ended December 31, 2022 and 2021, forfeitures used by the Plan to pay Plan expenses or offset future Company contributions totaled \$669 and \$594, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting –

The financial statements of the Plan are prepared on the accrual basis of accounting.

**CONNOLLYS 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates –

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition –

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits –

Benefits are recorded when paid.

Administrative Expenses –

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefit payments from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Date of Management's Review –

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

CONNOLLYS 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

3. FAIR VALUE MEASUREMENTS (Continued)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts:

Valued daily based upon the units of such pooled separate accounts held by the Plan at year end multiplied by the respective formula-calculated unit value. The unit value is determined daily based on the net asset value (NAV) of shares of the underlying fund, the fund's dividends and the contract's separate account charges. The NAV is a readily determinable fair value of the underlying assets and is the basis for current transactions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022				
Description	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 3,665,078	\$ -	\$ 3,665,078
Investments, at fair value	\$ -	\$ 3,665,078	\$ -	\$ 3,665,078

Assets at Fair Value as of December 31, 2021				
Description	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 4,822,335	\$ -	\$ 4,822,335
Investments, at fair value	\$ -	\$ 4,822,335	\$ -	\$ 4,822,335

There were no transfers to or from Levels 1, 2, and 3 during the Plan years ended December 31, 2022 and 2021.

**CONNOLLYS 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

4. GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan held a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company. On January 1, 2022 the Plan terminated the investment contract with Great-West Life & Annuity Insurance Company and invested in another fully benefit-responsive investment contract with Empower Annuity Insurance Company of America. Amounts allocated to the Key Guaranteed Portfolio Fund are held in the insurance company's general account, and there are no segregated or identifiable assets ascribed to the Plan's investment. Net deposits and interest credited become liabilities against with Great-West Life & Annuity Insurance Company and Empower Annuity Insurance Company of America on the Plan's behalf. The crediting interest rate is set by with Great-West Life & Annuity Insurance Company and Empower Annuity Insurance Company of America, but may not be less than 1% annually. The crediting rate is declared in advance and is reset quarterly. Daily liquidity is available for participant contributions and withdrawals at contract value regardless of market conditions. Contract value is guaranteed by the full faith and credit of with Great-West Life & Annuity Insurance Company and Empower Annuity Insurance Company of America.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measure attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the Statements of Net Assets Available for Benefits at contract value. Contract value, as reported by Great-West Life & Annuity Insurance Company and Empower Annuity Insurance Company of America, represents contributions made under the contract, less participant withdrawals and administrative expenses, plus interest credited. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events may limit the ability of the Plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The Company may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected. There were no material market value adjustments at the time of the contract termination for the Great-West Life & Annuity Insurance Company fully benefit-responsive investment contract. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or Empower Annuity Insurance Company of America are probable of occurring.

5. INFORMATION PREPARED AND CERTIFIED BY PLAN'S CUSTODIANS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, and interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by the custodians of the Plan. Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC held the Plan's investment assets and executed investment transactions as of December 31, 2021 and for the year ended December 31, 2021. Empower Annuity Insurance Company of America and Empower Trust Company, LLC held the Plan's investment assets and executed investment transactions as of December 31, 2022 and for the year ended December 31, 2022.

CONNOLLYS 401(k) RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7. TAX STATUS

The Plan has adopted a prototype non-standardized profit-sharing plan and relies on the prototype plan's opinion letter from the IRS dated June 30, 2020, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan adopted an amendment and restated prototype plan as of September 23, 2022 and relies on the prototype plan's favorable opinion letter from the IRS dated November 14, 2022, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in all Company contributions.

9. PROHIBITED TRANSACTION

Under U.S. Department of Labor Regulation Section 2510.3-102, Plan related salary deferrals withheld from employees' paychecks must be deposited into the Plan as soon as reasonably possible, but in no event later than the 15th business day of the month following the Company's withholding. When this regulation is not satisfied, the Company has engaged in a prohibited transaction.

During the years ended December 31, 2022 and 2021, the Company engaged in prohibited transactions by remitting certain deposits to the Plan after the required reporting period. The Company has taken corrective action related to the 2021 prohibited transaction and is in the process of taking corrective action related to the 2022 prohibited transaction.

**CONNOLLYS 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

10. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company, Great-West Trust Company, LLC, Empower Annuity Insurance Company of America, and Empower Trust Company, LLC the custodians of the Plan, which qualify as party-in-interest transactions.

11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the financial statements to Form 5500:

	Years Ended December 31,	
	2022	2021
Net increase (decrease) per financial statements	\$ (1,198,570)	\$ 382,530
