INDEPENDENT AUDITORS' REPORT

The Board of Directors,
As Sponsor of The Posse Foundation Retirement Savings Plan and the Plan Administrator

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed the audit of the financial statements of The Posse Foundation Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the 2022 Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 13, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

THE POSSE FOUNDATION RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of The Posse Foundation Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- A. **General** - The Plan is a defined contribution 403(b) plan covering all employees of The Posse Foundation (the “Sponsor”) excluding employees who normally work less than 20 hours per week and/or are student employees. It was established on January 1, 2013 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments.
- B. **Eligibility and Vesting** - An employee is eligible for participation in the Plan on his or her date of hire. An employee is eligible for employer matching contributions after attaining the age of 21 and completing 24 months of service. Employees are 100% vested in their account balances at all times.
- C. **Contributions** - An employee who elects to participate in the Plan must make a minimum annual contribution equal to 1% of the participant’s annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The maximum annual allowable employee contribution is limited by the Internal Revenue Service (“IRS”) regulations. Each participant who has satisfied the age and service requirements mentioned above will receive an allocation of employer matching contributions for each Plan year equal to the lesser of 100% of the participant’s salary reduction contributions deferred during the Plan year or 5% of the participant’s annual salary or \$10,000. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 56 variable annuity funds and an insurance investment contract as investment options for participants.

Rollover Contributions - An eligible employee may transfer to the Plan contributions and such other amounts from an eligible rollover plan that meet the requirements of the Internal Revenue Code (“IRC”) and the Plan at the time of the transfer. Rollovers amounted to \$1,660 and \$18,721, respectively, for the years ended December 31, 2022 and 2021.

- D. **Pension Benefits** - Participants are entitled to distributions of their vested benefits upon retirement, death, disability or termination of employment in either a lump sum amount, annuity distribution or partial payment. Mandatory distribution for separated employees with account balances under \$1,000.
- E. **Participant Accounts** - Each participant’s account is credited with the participant’s contributions and allocations of (a) the employer’s matching contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- F. **Notes Receivable from Participants** - Participants may obtain loans from the Plan. The minimum loan is \$1,000. The maximum loan is the lesser of \$50,000 or 50% of the participant’s vested account balance, which is pledged as security for the loan. Loan repayments are made directly by the participants to MetLife, through the use of recoupment vouchers that accompany the direct payment. The interest rate is 1% over the prime rate as published in The Wall Street Journal at the inception of the loan and is fixed for the entire repayment period. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.
- G. **Forfeitures** – If a participant terminates employment with the Sponsor (other than by reason of attainment of normal retirement age, disability or death), the unvested portion of contributions will be considered a forfeiture. Forfeitures will be first used to reinstate participant accounts as applicable, then to pay Plan expenses, if any, and then to reduce future employer contributions to the Plan.
- H. **Distribution of Participants’ Accounts** The entire vested balance of a participant’s account may be distributed at the severance from employment with the Sponsor, upon incurring disability, upon attainment of age 59½, death or on account of hardship

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

- I. **Secure Act Provisions** - The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) and the SECURE 2.0 Act lowered the eligibility requirements to enable long-term part-time workers to participate in 401k and 403b plans, effective for the 2024 and 2025 calendar plan years, respectively.

The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable year beginning after December 31, 2024.

Earners making \$145,000 or more must make catch-up contributions on a Roth basis rather than pre-tax contributions, effective January 1, 2026.

Under the SECURE 1.0 Act, participants may defer receipt of their required minimum distribution until age 72 from the previous age of 70½. The SECURE 2.0 Act increased the age at which individuals must begin taking required minimum distributions to age 73 from 72, beginning January 1, 2023, as well as other increases starting in 2030.

For a terminated participant with a balance of \$5,000 or less, the participant will receive the value of the vested interest as a lump-sum distribution. The SECURE 2.0 Act increased that limit to \$7,000 effective for distributions in 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Presentation** - The accompanying financial statements are prepared on the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America.
- B. **Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends and interest are recorded when received. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fully benefit-responsive investment contracts held by a defined contribution plan are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

- C. **Payments of Benefits** - Benefits are recorded when paid.
- D. **Administrative Expenses** - Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative fees. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.
- E. **Use of Estimates** - The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

THE POSSE FOUNDATION RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

F. **Notes Receivable from Participants** - Notes receivables from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTE 3 – INVESTMENT INFORMATION PREPARED AND CERTIFIED BY METLIFE, AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information and the information included in Note 7 and the supplemental Schedule of Assets (Held at End of Year) on page 17 was certified as complete and accurate by MetLife, as an insurance company, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

MetLife has certified to the completeness and accuracy of the investments included in the financial statements as of December 31, 2022 and 2021, and investment income included in the financial statements for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Fair value:		
Variable annuities	\$ <u>5,234,297</u>	\$ <u>6,001,924</u>
Contract value:		
Fixed annuity	\$ <u>559,268</u>	\$ <u>538,698</u>

The net interest income and (depreciation) appreciation of investments included in the statements of changes in net assets available for benefits for each significant class of investments consists of the following for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Interest income	\$ 16,327	\$ 15,758
Net (depreciation) appreciation in fair value of investments	<u>(1,309,447)</u>	<u>697,919</u>
Total investment income	\$ <u>(1,293,120)</u>	\$ <u>713,677</u>

Notes receivable from participants of \$63,065 and \$53,492, and interest income on notes receivable from participants of \$3,015 and \$2,604 have also been certified by MetLife as of and for the years ended December 31, 2022 and 2021, respectively.

NOTE 4 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

All Plan investments as of December 31, 2022 and 2021 are shares of fixed annuity and variable annuity accounts managed by MetLife. MetLife carries out certain custodial and processing services associated with the Plan and therefore, these transactions qualify as party-in-interest transactions. The Plan is charged with fees for the variable annuities by the insurance company or its affiliates. Fees paid by the Plan for the investment management services amounted to \$4,630 and \$4,200 for the years ended December 31, 2022 and 2021, respectively.

THE POSSE FOUNDATION RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the balance of participant accounts will be distributed in a lump sum or by delivery of a fully paid annuity contract as permitted by IRS regulations.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. There has been significant volatility in the market in 2022 which has negatively impacted fair values. Management is unable to determine the impact on the Plan as of the date of this report.

NOTE 7 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, "Fair Value Measurements," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Variable Annuities

Variable annuities are valued at Net Asset Value ("NAV") and its values are calculated daily by the annuity provider according to the performance of the underlying holdings in the sub-accounts, which are selected by the mutual fund accounts. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The annuity contract disclosures for pricing methods are considered an observable input. Funds under variable annuities seek long-term growth of capital and income. There are no unfunded commitments and no restrictions on redemption.

The Plan's assets at fair value are as follows at December 31:

THE POSSE FOUNDATION RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 7 – FAIR VALUE MEASUREMENTS (CONTINUED)

	<u>2022</u>	<u>2021</u>
Variable annuities using NAV as a practical expedient	\$ 5,234,297	\$ 6,001,924

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments for which fair value is measured using the NAV per share as a practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

- (4) **Fidelity VIP Freedom 2050 Service Class 2:** The fund seeks high total return with a secondary objective of principal preservation as the fund approaches its target date and beyond. The fund invests in a combination of equity, fixed-income, and short-term funds using a moderate asset allocation strategy.
- (5) **American Funds (R) Growth Fund Portfolio:** The fund seeks growth of capital. Invests primarily in common stock of companies that appear to offer superior opportunities for growth of capital. The fund may invest a portion of its assets in common stock and other securities of issuers domiciled outside the U.S.
- (6) **Victory Sycamore Mid Cap Value Portfolio A:** The fund seeks capital appreciation through investments primarily in equity securities which are believed to be undervalued in the marketplace.
- (7) **Brighthouse Loomis Sayles Growth Portfolio A:** The fund seeks long-term growth of capital by investing primarily in equity securities, including common stock, convertible securities, and warrants.
- (8) **Brighthouse Morgan Stanley Discovery Portfolio:** The fund seeks capital appreciation by investing in high quality companies it believes have sustainable competitive advantages and the ability to redeploy capital at high rates of return.
- (9) **Brighthouse Western Asset Management Strategic Bond Opportunities Portfolio:** The fund seeks total return consistent with capital preservation. It invests at least 80% of assets in U.S. investment-grade securities, U.S. and foreign high-yield debt, and foreign government securities. The duration of the portfolio may generally be approximately three to seven years.
- (10) **Brighthouse T. Rowe Price Small Cap Growth Portfolio:** The fund seeks long-term capital growth by normally investing at least 65% of its total assets in a diversified group of small capitalization companies.
- (11) **Brighthouse MetLife Stock Index Class A Portfolio:** The fund seeks to track performance of the Standard & Poor's 500 Composite Stock Price Index. Invests in all the stocks included in the Standard & Poor's 500 Index, which are primarily large capitalization stocks.
- (12) **Brighthouse T. Rowe Price Mid Cap Growth Class A Portfolio:** The fund seeks long-term growth of capital. Invests at least 80% of net assets in a diversified portfolio of growth stocks of mid cap companies whose earnings are expected to grow at a faster rate than the average company. May also purchase other securities perceived to provide an opportunity for substantial appreciation.
- (13) **Brighthouse MetLife Mid Cap Class A Portfolio:** The fund seeks long-term capital growth. Invests at least 80% of net assets in stock of medium capitalization companies.
- (14) **Brighthouse T. Rowe Price Large Cap Growth A Portfolio:** Seeks long-term growth of capital. Invests at least 80% of its assets in equity securities of a diversified group of large capitalization growth companies that, at the time of purchase, have a market capitalization within the range of the market capitalization of companies included in the Russell 1000 Index.
- (15) **Brighthouse BlackRock Capital Appreciation E Portfolio:** The fund seeks long-term capital growth by investing at least 80% of the portfolio's net assets in a portfolio of large capitalization equity securities.

- (16) **Fidelity (R) VIP Equity-Income Portfolio:** The fund seeks reasonable income. The portfolio will also consider the potential for capital appreciation. The portfolio's goal is to achieve a yield which exceeds the composite yield on the securities comprising the Standard & Poor's 500 Index. Normally investing at least 80% of assets in equity securities. Normally investing primarily in income-producing equity securities, which tends to lead to investments in large cap "value" stocks. Potentially investing in other types of equity securities and debt securities, including lower-quality debt securities. Investing in domestic and foreign issuers. Using fundamental analysis of factors such as each issuer's financial condition and industry position, as well as market and economic conditions to select investments.
- (17) **Brighthouse Harris Oakmark International Class E:** The fund seeks long-term capital appreciation. Under normal circumstances, primarily in common stock of non-U.S. companies, the portfolio may invest in non-U.S. markets throughout the world, including emerging markets. Ordinarily, the portfolio will invest in the securities of at least five countries outside the U.S.
- (18) **Brighthouse II MFS Value E Portfolio:** The fund seeks high total return with a secondary objective of principal preservation as the fund approaches its target date and beyond. The fund invests in a combination of equity, fixed income, and short-term funds using a moderate asset allocation strategy.
- (19) **Brighthouse Jennison Growth Class A Portfolio:** The fund seeks long-term growth of capital by investing 65% of the portfolio's assets in equity and equity-related securities of U.S. companies that exceed \$1 billion in market capitalization.
- (20) **Fidelity Freedom 2045 Portfolio Class 2:** The fund seeks high total return with a secondary objective of principal preservation as the fund approaches its target date and beyond. The fund invests in a combination of equity, fixed-income, and short-term funds using a moderate asset allocation strategy.
- (21) **Brighthouse MFS Value Class A Portfolio:** Massachusetts Financial Services Company ("MFS" or "Subadviser"), subadviser to the Portfolio, invests under normal market conditions at least 80% of the portfolio's net assets in equity securities of large capitalization U.S. companies. Equity securities include common stock, preferred stock, securities convertible into common or preferred stock and depository receipts for equity securities.
- (22) **Brighthouse MetLife Russell 2000 Index Portfolio A:** The fund seeks to track the performance of the Russell 2000® Index. Invests in a selected stratified sample of the 2,000 stocks included in the Russell 2000 Index, which, as a group, are chosen to reflect the composite performance of the Index.
- (23) **Brighthouse American Fund Moderate Allocation C Portfolio:** The fund seeks a high total return in the form of income and growth of capital, with a greater emphasis on income.
- (24) **American Funds Growth-Income Fund 2 Portfolio:** The Fund seeks long-term growth of capital by investing primarily in common stock and seeks to invest in companies that appear to offer superior opportunities for growth of capital.
- (25) **Brighthouse PIMCO Total Return Class A Portfolio:** The portfolio seeks maximum total return, consistent with the preservation of capital, by investing at least 65% of its assets in a diversified portfolio of fixed-income instruments of varying maturities.
- (26) **Calvert VP SRI Mid Capital Portfolio:** The fund seeks to provide long-term capital appreciation by investing primarily in a portfolio of the equity securities of mid-sized companies that are undervalued, but demonstrate a potential for growth. Normally invests at least 80% of its net assets in the common stocks of mid-cap companies. The portfolio defines mid-cap companies as those whose market capitalization falls within the range of the Russell Midcap Index. Although primarily investing in mid-cap U.S. companies, the portfolio may also invest in small-cap companies.

- (31) **Fidelity VIP Freedom 2050 Service Class 2:** The fund seeks high total return with a secondary objective of principal preservation as the fund approaches its target date and beyond. The fund invests in a combination of equity, fixed-income, and short-term funds using a moderate asset allocation strategy.

NOTE 8 – FULLY BENEFIT- RESPONSIVE INVESTMENT CONTRACT

The Plan has a fully benefit-responsive investment contract with MetLife (See Note 3). MetLife maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses. The investment contract is included in the financial statements at contract value. Contract value represents contributions made under the contract, plus transfers to the fund and credited interest, less participant withdrawals, transfers out of the fund and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The investment contract does not have any restrictions that impact the ability of the Plan to collect the full contract value. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. MetLife may not terminate the contract at any amount less than the contract value.

MetLife is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with MetLife, but may not be less than 1.00%. Such interest rates are set at least annually.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer such as; premature termination of the contract by the Plan, closings, layoffs, Plan termination, bankruptcy, mergers and early retirement incentives. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also limit the ability of the Plan to transact at contract value.

NOTE 9 – TAX STATUS

The IRS has determined and informed the Metropolitan Life Insurance Company volume submitter 403(b) Plan, by a letter dated March 31, 2017, that the Plan's volume submitter is designed in accordance with the applicable sections of the IRC.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to income tax examinations.

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.
