We have performed an audit of the accompanying financial statements of Kristen Distributing Company, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Kristen Distributing Company, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from Empower Retirement (a qualified institution) as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kristen Distributing Company, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kristen Distributing Company, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Kristen Distributing Company, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kristen Distributing Company, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion on whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year), Schedule of Assets (Acquired and Disposed within the year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

axleyrode.cpa

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institution agrees to , or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Kristen Distributing Company, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all full-time employees of Kristen Distributing Company, Inc. (the "Company") who are age twenty-one or older and have completed two consecutive months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan adopted a new Plan Document and effective January 1, 2016 the eligibility age changed from eighteen or older to age twenty-one or older.

b. Contributions

Each year, participants may contribute up to 15% of annual pre-tax compensation, as defined in the Plan, not to exceed a specific dollar amount determined by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company makes a discretionary contribution that is 50% of the first 6% that a participant contributes to the Plan. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a fixed annuity contract as investment options for participants.

c. Participant Accounts

Each participant's account is credited with the participant's contribution, the employer matching contribution, and an allocation of Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service as per the following table. Full vesting in employer contributions also occurs upon death, total disability or retirement at or after age sixty-five.

YEARS OF SERVICE	PERCENTAGE
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

e. Payment of Benefits

On termination of service due to death, disability or retirement, a participant receives the value of the participant's vested interest in his or her account as a lump-sum distribution. For termination of service for other reasons, a participant also receives the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows for in-service distributions at age 59½ and in-service hardship distributions.

f. Investment Options

Upon enrollment in the Plan, a participant may direct both their employee and employer contributions to the Plan in various investment options. Participant may change their investment options daily.

g. Notes Receivable from Participants

Participant may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's accounts and bear interest at rates that are commensurate with local prevailing rates as determined by the Plan administrator. Repayment is made ratably by payroll deduction over a period not to exceed five years.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

h. Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled $25,200 and $21,756, respectively. These accounts may be used, at the discretion of management, to pay plan expenses, reduce employer contributions, or be allocated as additional employer contributions.

The following table provides details of the forfeiture balance for the year ended December 31, 2022:

Balance December 31, 2020	$	18 730
Investment earnings		190
Forfeitures		2 836
Used for loss earnings on delinquent contributions		-
Balance December 31, 2021		21 756
Investment earnings		217
Forfeitures		3 227
Used for loss of earnings on delinquent contributions		-
Balance December 31, 2022	$	25 200

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES

A. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in all material respects.

B. Investment Valuation and Income Recognition

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investments are reported at fair value, except fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net change in the fair value of investments is reported in the statement of changes in net assets available for benefits in the period of the change.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

C. Payment of Benefits

Benefits are recorded when paid.

D. Administrative Expenses

The Plan document allows for the expenses of maintaining the Plan to be satisfied directly out of the Plan's assets. Certain transaction charges are paid by the participants involved. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

E. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

F. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022, no allowance for credit losses has been recorded. If a participant does not make a loan repayment and the plan administrator considered the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The Plan's investments are reported at fair value (except the Fully Benefit Responsive Investment Contract – see Note 4) in the accounting statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels as follows:

- Level 1 - quoted prices in active markets for identical assets
- Level 2 - other significant observable inputs either directly or indirectly (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).
- Level 3 - significant unobservable inputs

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

		FAIR VALUE MEASUREMENTS AT REPORTING DATE USING		
	FAIR VALUE DECEMBER 31,	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
December 31, 2022:				
Mutual funds	$ 2 526 457	$ 2 526 457	$ -	$ -
	$ 2 526 457	$ 2 526 457	$ -	$ -
December 31, 2021:				
Mutual funds	$ 2 900 008	$ 2 900 008	$ -	$ -
	$ 2 900 008	$ 2 900 008	$ -	$ -

NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2019, the Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with Great West Life & Annuity Insurance Company (Great West). Great West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Great Western, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract was $367,891 and $63,328 at December 31, 2022 and 2021, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than .05%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events might limit the Plan's ability to transact at contract value. Such events include the following: (a) the Plan or Plan trust fails to maintain its special tax qualified or exempt status under 401(a) of the Code, (b) the Plan fails to provide information necessary for Trustees to perform the Agreement and the Plan fails to remedy the, (c) the Plan trust is amended in a way that adversely affect Trustee's obligations under the agreement, or (d) a change such that the Plan is no longer considered to be an entity which is authorized or eligible to sponsor the Agreement. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator is not aware of any circumstances that would limit the ability of the Plan to transact at contract value.

NOTE 5 - TAX STATUS

The Internal Revenue Service (IRS) has issued an opinion letter and informed CCH Incorporated DB FtWilliam Com Non-Standardized Pre-Approved Profit Sharing Plan with CODA by letter dated June 30, 2020, that this Prototype Plan is acceptable under section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities however, there are currently no audits for any tax periods in progress.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - INFORMATION CERTIFIED BY THE CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Empower Retirement.

	2022	2021
Investments, at fair value	$ 2 526 457	$ 2 900 008
Investments, at contract value	$ 367 891	$ 63 328
Notes receivable from participants	$ 23 164	$ 17 540
Interest income on notes receivable from participants	$ 879	$ -
Total investment income	$ (478 059)	$ -

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in a Fixed Account of Great West Life Insurance and Annuity Company an affiliate of the Trustee. As such, transactions related to the investment qualifies as party-in-interest transactions. The investment is considered an exception to the Prohibited Transaction Rules of ERISA.

The Trustee of the Plan (Empower Retirement) charges the plan an administrative fee. The Trustee also charges transaction fees to participants in the Plan for such services as distributions, hardship withdrawals and qualified domestic orders. The total fees that the Plan paid to the Trustee for the year ending December 31, 2022 amounted to $19,042.

The Plan makes loans available to participants on a nondiscriminatory basis. Since plan participants are employees of the plan sponsor, they are considered a party-in-interest. Participants loans are adequately secured, bear a reasonable interest rate, and do not exceed certain limits.

All of the above party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events from the date of the statement of net assets available for benefits through October 11, 2023, the date at which the financial statements were available to be issued.
