INDEPENDENT AUDITOR'S REPORT

October 12, 2023

To the Plan Administrator of the
Lifetime Assistance, Inc. Employee Retirement Plan:

Opinion

We have audited the accompanying financial statements of Lifetime Assistance, Inc. Employee Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of statements Lifetime Assistance, Inc. Employee Retirement Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LIFETIME ASSISTANCE, INC. EMPLOYEE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following brief description of the Lifetime Assistance, Inc. Employee Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General

The Plan is a discretionary defined contribution plan and covers substantially all of the employees of Lifetime Assistance, Inc. (the Agency). Employees are eligible to participate in the Plan upon attaining age 21, and completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employer contributions to the Plan are discretionary in nature, as determined by the Agency's Board of Directors on an annual basis. Contributions as a percentage of employee compensation ranged from 2.5% - 6.0% in both 2022 and 2021, respectively, depending on the employee's length of service with the Agency. The Agency made an additional contribution of \$1,500,000 in 2021 in recognition of its employees' contributions over the course of the COVID-19 pandemic, which was allocated using the same percentages as the normal contribution described above. Participants direct the investment of their employer contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the Agency's contributions, an allocation of Plan earnings or losses and charged with an allocation of Plan expenses.

Vesting

Participants are 100% vested in Agency contributions allocated to their account plus actual earnings thereon after three years of service.

Benefits

Participants are eligible for normal retirement benefits equal to the vested balance of their account upon attaining age 65. Vested benefits may also be paid to a participant or his or her beneficiaries upon disability, death or termination of employment.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or one-half of their vested account balance. Unless used to purchase a principal residence, participant loans are repaid over a period not to exceed five years. Participant loans bear interest at a fixed rate equal to 1.25% plus the prime rate in effect when the loan is made.

Administrative Expense

Investment fees are paid by the Plan. The Agency pays for the Plan's annual audit and any other costs of the Plan.

1. DESCRIPTION OF THE PLAN (Continued)

Parties-in-Interest

The following are considered parties-in-interest based upon their relationship and services they provide to the Plan:

- Plan Participants with outstanding notes receivable
- Lifetime Assistance, Inc. - Plan Sponsor
- Burke Group - Third Party Administrator
- Newport Trust Company -Trustee and Custodian of Plan Assets
- Bonadio & Co., LLP - Plan Auditor

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Payments of Benefits

Benefits are recorded when paid.

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term.

The Plan's investments are reported at fair value. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are permitted under the plan for a participant with an immediate and heavy financial need (hardship), and the distribution is necessary to satisfy the need. All notes receivable must comply with the rules relating to hardships, which are uniformly applicable to all participants. These notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Fair Value Measurement - Definition and Hierarchy

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

U.S. GAAP establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement - Definition and Hierarchy (Continued)

The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) Topic 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Money market funds: Stated at cost, which approximates fair value based on the short-term nature and liquidity of the instrument.

Mutual funds: Valued based on quoted prices for identical assets in active markets. Mutual funds are considered Level 1 inputs.

There have been no changes in the valuation methodologies used during 2022 or 2021.

Forfeited Accounts

Forfeitures are used to reduce employer discretionary contributions. At December 31, 2022 and 2021 there were no unapplied forfeitures.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts of net assets available for benefits and the amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

3. TERMINATION OF THE PLAN

Although it has not expressed intent to do so, the Agency has the right under the Plan to discontinue, reduce or suspend its contributions at any time and to terminate the Plan and the trust, in whole or in part, subject to the provisions of ERISA. In the event of termination or partial termination, participants' account balances become fully vested. Upon termination, the custodian would distribute the assets of the trust in accordance with the Plan agreement.

4. TAX STATUS

The Plan obtained its latest determination letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan and its related trust are designed in accordance with applicable sections of the Internal Revenue Code.

The Plan is required to operate in conformity with the Internal Revenue Code to maintain its tax exemption. The Plan administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

5. FAIR VALUE OF FINANCIAL INSTRUMENTS

The following are measured at fair value on a recurring basis at December 31, 2022:

<u>Description</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	\$ 23,512,389	\$ -	\$ -	\$ 23,512,389
	<u>\$ 23,512,389</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,512,389</u>

The following are measured at fair value on a recurring basis at December 31, 2021:

<u>Description</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	\$ 26,968,008	\$ -	\$ -	\$ 26,968,008
	<u>\$ 26,968,008</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 26,968,008</u>

6. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2022 and 2021.

7. SUBSEQUENT EVENTS

Subsequent to year end, in September 2023, the Plan Sponsor's Board of Directors approved a motion to combine the Plan with the Organization's second employee retirement plan. The Plan is slated to terminate in June of 2024, with all assets being transferred into a newly created 403(b) plan shortly thereafter.

7. SUBSEQUENT EVENTS (Continued)

Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.
