Trustees and Plan Administrator
Ascent Residential, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ascent Residential, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ascent Residential, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ascent Residential, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ascent Residential, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Independent Auditor's Report (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ascent Residential, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ascent Residential, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of (1) Form 5500, Schedule H, Part IV, Line 4a - Schedule of delinquent participant contributions for the year ended December 31, 2022 and (2) Form 5500, Schedule H, Part IV, Line 4i - Schedule of assets (held at end of year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Independent Auditor's Report (continued)

Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ASCENT RESIDENTIAL, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

A. DESCRIPTION OF PLAN

The following description of the Ascent Residential, LLC (the “Company” or “Plan Administrator”) 401(k) Plan (the “Plan”) (formerly known as B&M Management Company, LLC 401(k) Plan) as amended and restated January 1, 2022, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General – The Plan is a defined contribution plan covering all employees who have attained six months of service and are 21 years of age or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for the oversight of the Plan. The Trustees also determine the appropriateness of the Plan’s investment offerings and monitor investment performance.
2. Contributions – Each year, participants may contribute a percentage of pretax and after-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds held in pooled separate accounts. The Company utilizes the “safe harbor” matching contribution method in order to satisfy certain non-discrimination tests required by the Internal Revenue Service (“IRS”). The “safe harbor” matching contribution amount is an amount equal to 100 percent of each eligible participant’s elective deferral which do not exceed 3 percent of compensation, plus 50 percent of each eligible participant’s elective deferral which exceed 3 percent and do not exceed 5 percent of compensation. During Plan year 2022, the Company made “safe harbor” matching contributions and other corrective contributions totaling \$159,416. Contributions are subject to certain statutory limitations.
3. Participants’ Accounts – Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s matching contribution and (b) Plan earnings or losses and charged with an allocation of any administration expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
4. Vesting – Participants are immediately vested in their voluntary contributions, any “safe harbor” matching contributions, plus actual earnings thereon.
5. Investment Options - Participants direct contributions, including employer cash matching and non-matching contributions, into any of the investment options offered by John Hancock Life Insurance Company, the Plan’s custodian. Participants may change their investment options at any time.

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

A. DESCRIPTION OF PLAN (continued)

6. Payment of Benefits – The following are the plan provisions with respect to the payment of benefits:
 - Upon termination of service due to disability or retirement, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the vested amount of a participant's account (excluding rollovers) does not exceed \$5,000, the participant's vested account will be distributed from the Plan. The participant may either elect to receive this distribution in cash or to roll over the distribution to an individual retirement account or to a qualified plan.
 - Upon termination of service due to death, the beneficiary may receive periodic payments, but the entire account must be paid by the end of the fifth year. The Plan also permits withdrawals from the Plan due to circumstances of financial hardship, in accordance with provisions specified in the Plan document.
7. Plan Amendments and Other Material Changes –
 - The Plan was restated effective January 1, 2022.
 - During 2022, the Plan was amended to formally adopt provisions related to the Bipartisan Budget Act of 2018 under which the Plan was operating effective January 1, 2020.
 - During 2022, the Plan was amended to change the name of the Plan from B & M Management Company, LLC 401(k) Plan to Ascent Residential, LLC 401(k) Plan and to change the name of the Plan Administrator and Plan sponsor from B & M Management Company, LLC to Ascent Residential, LLC.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting:

The financial statements of the Plan are prepared under the accrual method of accounting.

Management estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

ASCENT RESIDENTIAL, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition:

All Plan investments as of December 31, 2022 and 2021 were held by John Hancock Life Insurance Company, the Plan custodian. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note D for discussion of fair value measurements.

The Plan offers a choice of various mutual funds via pooled separate accounts including (i) money market and bond funds which invest primarily in securities issued or guaranteed by the United States Treasury and certain United States Government agencies and municipalities that provide income that is generally not subject to state income tax, (ii) fixed-income funds which invest in a diversified group of high-quality, fixed income investments, and (iii) equity funds which invest in common stocks and consist of several individual investment options for various levels of risk tolerance. Investments in pooled separate accounts are recorded at the fair value of the underlying investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid directly by the Company are excluded from these financial statements. Fees related to the administration of payment of benefits are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net depreciation of fair value of investments.

C. INFORMATION CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including cash and investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance Company (the custodian of the Plan). Balances certified by the Custodian at December 31, 2022 and 2021 include:

D. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under Accounting Standards Codification 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include (i) quoted prices for similar assets or liabilities in active markets; (ii) quoted prices for identical or similar assets or liabilities in inactive markets; (iii) inputs other than quoted prices that are observable for the asset or liability; (iv) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable input and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts are valued, as a practical expedient, at the Net Asset Value ("NAV") of units held by the Plan at year end. The NAV of these accounts is based on the market value of its underlying mutual funds. The NAV is not a publicly-quoted price in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

D. FAIR VALUE MEASUREMENTS (continued)**Fair value of investments in entities that use NAV**

The following table summarizes the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively.

E. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Company officers are eligible participants who have made contributions to the Plan, therefore, these transactions qualify as party-in-interest transactions. Certain Plan investments are shares of mutual funds managed by John Hancock Life Insurance Trust U.S.A. John Hancock Life Insurance Trust U.S.A. is the custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. For the year ended December 31, 2022, the Plan made direct payments to the third party administrator and solicitor of \$25,732. The Plan sponsor pays directly any other fees related to the Plan's operations. These transactions are exempt from the prohibited rules under ERISA.

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the 401(k) Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts and Plan assets would be distributed to participants and their beneficiaries in accordance with the provisions of the Plan and subject to ERISA guidelines.

ASCENT RESIDENTIAL, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

G. INCOME TAX STATUS

The Company adopted a non-standardized pre-approved profit sharing plan 401(k) plan. The pre-approved profit sharing plan received a favorable opinion letter from the IRS on June 30, 2020, which stated that the pre-approved profit sharing plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since the pre-approved profit sharing plan received the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Notwithstanding the foregoing, the IRS may nonetheless audit the Plan to ensure it has been operated in accordance with the Plan document and applicable laws. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near future and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

I. CONCENTRATION OF INDIVIDUAL INVESTMENTS

The fair values of the Plan’s investments in the MyWayRetirement Index 2030 Fund, MyWayRetirement Index 2035 Fund, and MyWayRetirement Index Retirement Fund totaled \$1,664,714 and \$2,090,337 as of December 31, 2022 and 2021, respectively. These investments approximated 64% and 67% of the total Plan’s investments as of December 31, 2022 and 2021, respectively.
