To the Plan Administrator
Shoup Manufacturing Co., Inc 401(k) Retirement Profit Sharing Plan

We have performed audits of the financial statements of Shoup Manufacturing Co., Inc. 401(k) Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

SHOUP MANUFACTURING CO., INC. 401(K) RETIREMENT PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Shoup Manufacturing Co, Inc. 401k Retirement Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Shoup Manufacturing Co, Inc. (the “Company”), who are age eighteen or older and who have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute a portion of eligible compensation as defined in the Plan, subject to Internal Revenue Service limitations. Participants who attained the age of 50 during the plan year may also make pretax catch-up contributions not to exceed \$6,500. Salary deferrals consist of pre-tax and/or Roth 401(k) contributions. Participants may also contribute amounts representing distributions from other qualifying defined benefit or defined contributions Plans (rollover). The Company may also, at the discretion of the board of directors, make discretionary profit sharing contributions and/or discretionary matching contributions to the Plan based on the participants’ elective deferrals. For the year ended December 31, 2022 the Company provided \$250,136 in matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer contributions and plan earnings thereon.

Vesting

All Participants are immediately vested in their contributions and safe harbor contributions plus actual earnings thereon. Participants are vested in the Company’s discretionary matching and profit sharing contributions (and earnings and losses thereon) at varying levels over a six year period as follows:

	Years of Service					
	<u><2</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6 or more</u>
Vesting percentage	0%	20%	40%	60%	80%	100%

Forfeitures

Forfeitures attributable to terminated participants’ non-vested accounts are allocated to a forfeiture account and are to be used to either pay for certain Plan expenses or reduce employer contributions. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$55,241 and \$41,405, respectively. No forfeitures were used to fund employer matching contributions and Plan expenses during the year ended December 31, 2022 and 2021.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS – Continued
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN - Continued

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes receivable are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates, as determined by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

Administrative Expenses

The Plan pays the administrative expenses. These expenses include professional, trustee, bookkeeping, and other administrative expenses incurred by the Plan. Fees paid by the Plan for the administrative expenses amounted to \$93,806 for the year ended December 31, 2022.

Payment of Benefits

The benefit to which a participant is entitled is that which can be provided from the participant's vested account. The Plan provides retirement benefits for participants at the normal retirement age or later if the participant desires to continue employment. Benefits are also payable to participants or their designated beneficiaries upon death, disability or other limited circumstances of the participant. The Plan also allows for in service withdrawals of Company matching and fully vested profit sharing distributions after the attainment of normal retirement age.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS - Continued
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES - Continued

Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Contributions

Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from compensation paid. Company discretionary matching contributions are recognized upon authorization as the underlying compensation is recognized under the Plan. All participant and employer contributions are participant-directed. Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reductions in contributions.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and notes are collateralized by the participants' account balances. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through October 12, 2023, which is the date the accompanying financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as of and for the years ended December 31, 2022 and 2021, the financial statements have been prepared based on information certified as complete and accurate by the Trustees (Empower Trust Company, LLC and Charles Schwab Trust Bank). This includes the investment information reflected in the accompanying statements of net assets available for benefits, the statement of changes in net assets available for benefits and the schedule of assets (held at end of year). Additionally, participant notes receivable balances as well as interest income on participant notes receivable have also been certified.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market and mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Investments are measured at net asset value provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is not a publicly traded quoted price in an active market but is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – FAIR VALUE MEASUREMENTS - Continued

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,155,275	\$ -	\$ -	\$ 13,155,275
Money market funds	53,351	-	-	53,351
Total investments, at fair value	<u>\$ 13,208,626</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,208,626</u>

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Money market funds	<u>\$ 730,856</u>	<u>\$ -</u>	<u>\$ -</u>	730,856
Investments measured at net Asset value (a)				<u>15,419,949</u>
Total investments, at fair value	<u>\$ 730,856</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,150,805</u>

- (a) In accordance with the Fair Value Measurements topic 820-10, certain investments that are measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefit.

The following tables summarize investments for which fair value is measured at NAV per share practical expedient at December 31, 2022 and 2021:

	December 31, 2021			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust funds	\$ 15,419,949	None	Daily	None

NOTES TO FINANCIAL STATEMENTS – Continued
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 5 – PARTIES-IN-INTEREST TRANSACTIONS

The Company, participants, and the trustee have all been identified as parties-in-interest.

During the years ended December 31, 2022 and 2021, there were transactions involving the investment of plan assets in investment funds maintained by Empower Trust Company, LLC and Empower Life and Annuity Company (“Empower”) and Charles Schwab Trust Bank, both represent a party in interest.

Certain expenses, including personnel and facilities, required for Internal Revenue Service reporting, related to the administration of the plan are paid by the Company. The Company is the sponsor of the plan and, therefore, these transactions qualify as party-in-interest.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan is based on a Prototype Non-standardized Profit Sharing Plan with CODA, which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the Plan was designed in accordance with the provisions of the Internal Revenue Code (IRC). The Plan has not filed for its own determination letter from the IRS. The Prototype Non-standardized Profit Sharing Plan has been amended since the date of the opinion letter. However, Plan management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and is exempt from taxation under the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS – Continued
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 8 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.
