INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Ironton-Lawrence County Area Action Organization, Inc. Tax Sheltered Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed audit of the accompanying financial statements of Ironton-Lawrence County Area Action Organization, Inc. Tax Sheltered Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2022, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from AXA Equitable Financial Life Insurance Company as of December 31, 2022 and for the period January 1, 2022 to December 31, 2022 and certifications from AXA Equitable Retirement Plan Services as of December 31, 2021 and for the period from January 1, 2022 to June 28, 2022, and AXA Equitable Financial Life Insurance Company as of December 31, 2022 and for the period from June 29, 2022 to December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 11, 2022, indicated that (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. (b) the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). (c) the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (d) the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Ironton-Lawrence County Area Action Organization, Inc. Tax Sheltered Annuity Plan (the Plan) provides only general information. Participants should refer to the Plan document and Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 403(b) plan, covering certain employees of the Ironton-Lawrence County Area Action Organization, Inc., (the Employer). Employees are eligible to participate on their date of hire upon meeting eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was adopted June 1, 1989, and restated effective January 1, 2021.

Contributions - Participants may contribute a portion of eligible compensation, as defined in the Plan, subject to Internal Revenue Service (IRS). Participants are also permitted to deposit into the Plan distributions from other qualified plans. Participants who have attained the age of 50 are eligible to make catch-up contributions. The Plan provides for discretionary employer matching contributions. The Employer made matching contributions of 100% of the first 7% of participant salary deferrals.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Employer's contributions. Participants' accounts may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, compensation, or account balances, as defined.

The Plan's investments are participant-directed, and allocations of plan earnings are based upon the performance of the investment funds chosen by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in all contributions plus actual earnings thereon.

Participant Notes Receivable - Participants may borrow from their fund accounts up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms are up to a maximum of five years unless the loan is for the purchase of a principal residence in which case the note repayment period may not extend beyond ten years from the date of the note. The notes are secured by the balance in the participant's account and bear interest at the prevailing interest rate at the time the note is granted. Principal and interest are paid through payroll deductions on a monthly basis.

Payment of Benefits - Normal retirement age is the later of the date the participant is 65 years of age or the 5th anniversary of the participant's employment. Upon termination of service due to death, disability, retirement, or reaching age 59 1/2, distributions may be made to the participant or their beneficiary in a single lump sum payment or in installment payments. The participant may also elect to withdraw before-tax contributions in the event of financial hardship, subject to Plan provisions.

Forfeitures - Forfeitures from matching and nonelective accounts can be used to reduce employer contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$0 and \$0, respectively. In 2022 and 2021, \$0 and \$0 was used to reduce employer contributions.

Participant Investment Rollovers - Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting principles and practices of the Plan are set forth to facilitate the understanding of data presented in the financial statements:

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles in the United States of America (U.S. GAAP). This method utilizes a modified cash approach whereby contributions and expenses are recorded in the period received or paid.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are measured at the unpaid principal balance plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Under default (as defined), the plan administrator treats the default as a distribution and offsets the outstanding balance of the note against the participant's vested accrued balance.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Use of Estimates

The presentation of financial statements in conformity with the modified cash basis of accounting, requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Expenses

Certain administrative expenses are paid by the Employer and are excluded from these financial statements. Other expenses such as legal and accounting are paid from plan assets and deducted from participant accounts in accordance with the plan document. Investment-related expenses are included in net appreciation in fair value appreciation of investments.

Date of Management's Review

Subsequent events were evaluated through October 2, 2023, which is the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

Substantially all information pertaining to the Plan's investments included in the financial statements, including the associated investment income (loss), was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by AXA Equitable Financial Life Insurance Company (Equitable) for 2022 and 2021 and AXA Equitable Retirement Plan Services (AXA) from January 1, 2021 to June 28, 2022, collectively, the custodians of the Plan. This information has not been audited by independent accountants.

NOTE 4 - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Pooled separate accounts: Pooled separate accounts are held in investment contracts with the custodian and are invested according to the stated objectives of the various accounts. The principal is not guaranteed. The pooled separate accounts are valued at the net asset value (NAV), which is based on the market value of its underlying investments. Participant transactions (purchases and sales) may occur daily. The investment objectives of the accounts include the preservation of capital, to attain certain growth or income, or to balance performance levels based on different tolerance levels of risk. The separate accounts are not restricted in regard to distributions.

IRONTON-LAWRENCE COUNTY AREA ACTION ORGANIZATION, INC.
TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - continued

Due to a change in management's interpretation of the guidance under ASC 820 during 2020, investments measured at NAV are now classified in the fair value hierarchy because these investments are considered to have readily determinable fair value. The NAV of pooled separate accounts are considered determinable and published to current and prospective investors and are the basis for current transactions. In prior filings, management applied the practical expedient in accordance with Subtopic 820-10, which allows certain investments without readily determinable fair value to be measured at NAV per share (or its equivalent) as a practical expedient and excludes these investments from the fair value hierarchy. This change is only a change in the classification of the related investments. There have been no changes in the inputs or valuation methodologies used to calculate the NAV of the assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2022 and 2021:

	Total	Assets at Fair Value		
		(Level 1)	(Level 2)	(Level 3)
December 31, 2022				
Pooled separate accounts	\$ 7,960,960	\$ -	\$ 7,960,960	\$ -
	<u>\$ 7,960,960</u>	<u>\$ -</u>	<u>\$ 7,960,960</u>	<u>\$ -</u>
December 31, 2021				
Pooled separate accounts	\$ 8,824,829	\$ -	\$ 8,824,829	\$ -
	<u>\$ 8,824,829</u>	<u>\$ -</u>	<u>\$ 8,824,829</u>	<u>\$ -</u>

NOTE 5 - INVESTMENTS, AT CONTRACT VALUE

The Plan participates in a benefit-responsive investment contract with Equitable. Equitable maintains the contributions in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed insurance contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Equitable, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

IRONTON-LAWRENCE COUNTY AREA ACTION ORGANIZATION, INC.
TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 5 - INVESTMENTS, AT CONTRACT VALUE - continued

Fixed Accounts

The Plan participated in a benefit-responsive investment contract with AXA and Equitable. AXA and Equitable maintain the contributions in a fixed account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is not contractually obligated to repay a specified interest rate, and the account does not provide for a defined maturity date. Further, withdrawals are not subject to any market value adjustments.

The contracts do not meet the criteria to be fully benefit-responsive. However, they are reported at contract value. Contract value is the relevant measure for benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AXA and Equitable, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Equitable and AXA collectively and certain administrative expenses, indirect fees, and costs of the Plan are paid to Equitable and AXA. Equitable and AXA are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - INCOME TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2017, received from the Internal Revenue Service (IRS), on the volume submitter plan indicating that the volume submitter plan, as then designed, is qualified under Section 403(b) of the IRC and is therefore, not subject to tax under current income tax law. The Organization believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Employer may determine.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan provides for various participant-directed investment options, which are exposed to various risks, such as interest rate, credit risks and market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

There are no reconciling items between the net assets available for benefits per the financial statements and Schedule H of Form 5500.

NOTE 11 - UNCERTAINTY RELATED TO COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged and has since spread around the globe to affect many countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. have declared a state of emergency. It is anticipated that these impacts will continue for some time. There has been no immediate impact to the Organization's operations. Future potential impacts may include stock market volatility and disruptions or restrictions on the ability of employees of the Organization to work. The future effects of these issues are unknown.
