Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Salem Community Hospital Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in NOTE D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section—

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of Salem Community Hospital Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Plan Termination and Liquidation Basis of Accounting

As discussed in NOTE A to the financial statements, the governing body of Salem Community Hospital Retirement Plan approved a plan of termination on September 29, 2021, and management has determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Salem Community Hospital Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Salem Community Hospital Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Financial Statements

The financial statements of the Plan as of December 31, 2021, were audited by predecessor auditors. Management elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Their report dated October 10, 2022, indicated (a) the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters (Continued)

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4j - Schedule of Reportable Transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

SALEM COMMUNITY HOSPITAL RETIREMENT PLAN

December 31, 2022 (In liquidation) and 2021 (Ongoing)

NOTE A - DESCRIPTION OF PLAN

The following description of Salem Community Hospital Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined benefit pension plan providing retirement and death benefits to all permissible employees. The Plan sponsor is The Salem Community Hospital dba Salem Regional Medical Center (Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan includes all eligible full-time employees of the Company as of January 1, 2014. The Retirement Plan Trust Committee (Committee) is responsible for oversight of the Plan. The Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Plan termination - An amendment executed September 29, 2021, terminated the Plan effective December 31, 2021. All eligible participants were given the option of receiving their benefit as (a) lump-sum payment, (b) straight-line annuity payable over the life of the individual, or (c) joint and survivor annuity. As of December 31, 2022, all benefits have been distributed accordingly. Any amount remaining in the Plan after all expenses and benefit payments have been distributed will be returned to the Company.

Funding policy - Prior to the Plan termination, the Plan's funding policy was for the Company to contribute an amount which would meet or exceed the annual ERISA minimum funding requirement. Company contributions for the year ended December 31, 2021, were \$8,275,000. The Company's contribution for 2021 exceeded the minimum funding requirements of ERISA.

The governing body of the Plan terminated the Plan effective December 31, 2021. The Company's contributions for 2022 were determined to be the amounts estimated to cover Plan expenses and any shortfall on termination benefits paid. Company contributions for the year ended December 31, 2022, were \$4,190,000.

Vesting - Prior to Plan termination, the Plan provided for regular retirement benefits for participants with five or more years of vesting service upon reaching age 65 and had provisions for disability, early retirement, survivor and other benefits, each of which reduced the regular benefit by an amount stated in the Plan or determined by the Plan's actuary. Participants may have elected to receive their benefits as a life annuity payable monthly from retirement or may have elected to receive optional forms of payment of actuarial equivalent amounts. The Plan permitted early retirement beginning at age 55.

Payment of benefits - Prior to the Plan termination, benefits were payable upon the death of (a) a nonretired participant who has completed five years of vesting service or (b) a terminated vested participant, prior to the commencement of benefits, provided that the participant had elected surviving spouse coverage. See Plan termination above for payment of benefits after Plan termination.

Reclassifications - The Plan has reclassified the presentation of certain prior-year information to conform with the current-year presentation format.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates and subsequent events - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. In preparing the financial statements, including estimates and disclosures, management has considered the effects of subsequent events through October 2, 2023—the date the financial statements were available to be issued.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See NOTE C for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits - Benefits are recorded when paid.

NOTE C - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of significant observable inputs other than quoted prices for identical assets.
- Level 3 inputs consist of significant unobservable inputs that are not corroborated by market data and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were used or available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds held by the Plan is based on quoted net asset values of the shares as reported by the funds at year end. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Unaudited information certified by the Plan trustee - The December 31, 2022 and 2021, statements of net assets available for benefits, the investment activities included on the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the trustee, Farmers Trust Company, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes assets of \$41,371 and \$43,561,588 at December 31, 2022 and 2021, respectively, and related investment (loss) and income of \$(1,580,755) and \$3,251,732 for the years ended December 31, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS

SALEM COMMUNITY HOSPITAL RETIREMENT PLAN

December 31, 2022 (In liquidation) and 2021 (Ongoing)

NOTE E - ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS

Accumulated Plan benefits were those future periodic payments, including lump-sum distributions that were attributable under the Plan's provisions to the service employees had rendered. Accumulated Plan benefits included benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who had died, and (c) present employees or their beneficiaries. Benefits under the Plan were accumulated based on employees' compensation during each year of credited service. The accumulated Plan benefits for active employees equaled the accumulation, with interest, of the annual benefit accruals as of the benefit information date. Benefits payable under all circumstances—retirement, death, disability and termination of employment—were included, to the extent they were deemed attributable to employee service rendered to the valuation date. Benefits to be provided via annuity contracts excluded from Plan assets were excluded from accumulated Plan benefits. The actuarial present value of accumulated Plan benefits was determined by an actuary from Willis Towers Watson PLC and was the amount that resulted from applying assumptions to adjust the accumulated Plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the valuations as of January 1, 2021, are presented in NOTE J. The foregoing actuarial assumptions were based on the presumption that the Plan would continue. The Plan subsequently terminated effective December 31, 2021; therefore, different actuarial assumptions and other factors would have been applicable in determining the actuarial present value of accumulated Plan benefits at January 1, 2021. Had the valuations been performed as of December 31, 2021, there would be no material differences. No computations were performed as of January 1, 2022, due to the Plan termination.

NOTE F- ADMINISTRATION OF PLAN ASSETS, EXPENSES AND RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's expenses are paid either by the Plan or the hospital, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net depreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

SALEM COMMUNITY HOSPITAL RETIREMENT PLAN

December 31, 2022 (In liquidation) and 2021 (Ongoing)

NOTE G - TAX STATUS

The Plan obtained its latest determination letter on September 22, 2017, in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - PLAN TERMINATION

The Plan was terminated, effective December 31, 2021, in accordance with the applicable Pension Benefit Guaranty Corporation (PBGC) regulations.

The assets remaining in the trust fund, after providing for the expenses of the Plan, including but not limited to expenses incurred in connection with implementing the termination of the Plan such as fees of legal counsel, actuaries, consultants and other specialists, shall be allocated in accordance with applicable law for the purpose of paying accrued benefits as set forth in the Plan. After all liabilities of the Plan to participants and spouses have been satisfied, all residual assets of the Plan shall revert to the hospital provided, however, that the hospital may, in its sole discretion, direct that all, or a portion of, such residual assets be applied to increase benefits under the Plan (in accordance with ERISA), or be transferred to a qualified replacement plan (as defined in Code Section 4980). As of December 31, 2022, all Plan participant benefits were paid.

Eligible individuals elected to receive their benefit in one of the following forms:

1. For an eligible individual who was not married as of the termination distribution date, a straight-life annuity or a lump-sum payment; or
2. For an eligible individual who was married as of the termination distribution date, a qualified joint and survivor annuity or, if the eligible individual so elected, a 50% joint and survivor annuity payable over the life of the eligible individual and his/her beneficiary, a 75% joint and survivor annuity payable over the life of the eligible individual and his/her beneficiary, a straight-life annuity payable for the life of the eligible individual, or a lump-sum payment.

If an eligible individual was a participant in the hospital's Section 403(b) plan, any lump-sum payment paid under this section may have been rolled over to the eligible individual's account in the hospital's Section 403(b) plan, unless otherwise not permitted by applicable law, including Code Section 401(a)(9).

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

Plan contributions were made and the actuarial present value of accumulated Plan benefits were reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which were subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is possible that changes in these estimates and assumptions would be material to the financial statements.

December 31, 2022 (In liquidation) and 2021 (Ongoing)

NOTE J - ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS

The actuarial present value of accumulated Plan benefits as of the beginning of the year are as follows:

	AS OF JANUARY 1, 2021
Vested benefits:	
Participants currently receiving payments	\$ 10,479,817
Other participants	<u>27,756,197</u>
	38,236,014
Nonvested benefits	<u>7,604</u>
TOTAL ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS	<u><u>\$ 38,243,618</u></u>

In addition to the assumption there will be no new or rehired employees, the significant actuarial assumptions used in the valuations as of January 1, 2021, include:

Interest discount rate - 7% per annum

Current-year PPA effective interest rate - 5.68% per annum

Actuarial cost method - Projected unit credit

Mortality basis - The RP-2014 mortality tables projected back to 2006 without adjustments, generationally using scale MP-2018 for annuitants and non-annuitants

Retirement - Age 65, decrementing to age 55

Salary scale - Not applicable

Due to the Plan termination effective December 31, 2021, no actuarial calculations were made as of January 1, 2022.
