REPORT OF INDEPENDENT AUDITORS

To the Profit Sharing Committee
Stoll Keenon Ogden Profit Sharing Plan
Lexington, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Stoll Keenon Ogden Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are

considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STOLL KEENON OGDEN PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Stoll Keenon Ogden Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established under section 401(k) of the Internal Revenue Code. The Plan became effective January 1, 1984 and is administered by the plan administrator, Stoll Keenon Ogden, PLLC (the "Company"). The trustee of the Plan is Empower Trust Company, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers the employees of the Company who have completed one year of service, as defined. Eligible employees can join the Plan on the January 1, April 1, July 1, or October 1, coincident with or immediately following their eligibility date.

Effective January 1, 2022, the Company acquired McMasters Keith Butler, Inc. ("McMasters"). Consequently, Plan management decided to recognize prior service with McMasters for those persons hired or joining the Company directly from McMasters as of January 1, 2022, and allow them to participate in the Plan effective as of that date. Effective July 1, 2022, the Company acquired Katz Korin Cunningham ("KKC"). Consequently, Plan management decided to recognize prior service with KKC for those persons hired or joining the Company directly from KKC as of July 1, 2022, and allow them to participate in the Plan effective as of that date. Rollover contributions totaling \$4,553,143 were received by the Plan as a result of these two mergers.

Contributions

Each year, participants may contribute a percent of pretax or after-tax annual compensation, as defined in the Plan, up to the maximum dollar amount allowed by IRS regulations. In addition, participants who have attained age 50 before the end of the Plan year may make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified plans (rollovers). The Company must provide a safe harbor non-elective contribution equal to 3% of a participant's compensation for all eligible participants, even if the individual is not deferring. The Company must contribute for each participant (other than a participant who is an equity member of the firm) a matching contribution equal to 100% of the participant's elective deferrals, up to a maximum amount of \$250. The Company may also, at its sole discretion, make a profit sharing contribution each plan year. Company profit sharing contribution amounts are determined by the Company's Board of Directors. Profit sharing contribution percentages are assigned according to the classification of participants, as defined. Profit sharing contributions are calculated by applying the specific contribution amount approved by the Company's Board of Directors to a participant's compensation as a percentage of the total compensation of the participant's classification group, as defined.

STOLL KEENON OGDEN PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Participants direct the investment of their contributions and the Company contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are also immediately vested in employer contributions and earnings thereon.

Notes Receivable from Participants

Participants may take out a loan for reason of hardship as defined in the Plan and set forth in the Loan Policy. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The \$50,000 maximum is reduced by the highest loan balance during the past 12 months minus the loan balance on the date a new loan is made. The loans are secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 2 percent above the prime rate, as defined. Principal and interest is paid ratably through regular payroll deductions. A participant may have one outstanding loan at a time.

Payment of Benefits

For termination of service due to death, the participant's account balance shall be distributed to the participant's beneficiaries in lump sum cash distributions. For termination of service for other reasons, participant balances of \$5,000 or less are payable only as a lump sum distribution, but participants with balances in excess of \$5,000 may elect to receive either (1) a lump sum amount equal to the value of his or her account, (2) a specified number of annual cash installments, over a period of up to ten years, but in no event longer than the life expectancy of the participant, or (3) partial distributions but no more than four per year. A participant may also elect to rollover his or her account into an eligible retirement plan. The Plan also provides for involuntary distributions of accounts with vested benefits of \$1,000 or less.

STOLL KEENON OGDEN PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Purchase of Insurance Contracts

Allocated contracts are insurance contracts purchased by participants in self-directed accounts and are excluded from plan assets.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited accounts totaled \$8,471 and \$10,193, respectively. These accounts will first be used to reduce Plan expenses, and then to reduce future employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully-benefit responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Profit Sharing Committee determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

STOLL KEENON OGDEN PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recognized when earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investment.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the trustee of the Plan, have certified to the completeness and accuracy of the investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022, and investment related activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022. Fifth Third Bank, the prior trustee of the Plan, certified to the completeness and accuracy of the investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2021.

STOLL KEENON OGDEN PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date. |
| Level 2 | Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

STOLL KEENON OGDEN PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, exchange-traded funds, and common stocks, that are valued on the basis of readily determinable market prices, and corporate bonds that are valued using pricing models maximizing the use of observable inputs for similar securities. Accounts also include money market mutual funds, which generally transact subscription and redemption activity at \$1 stable net asset value (NAV); however, on a daily basis, the funds are valued at their NAV calculated using the amortized cost of the securities held in the fund.

Stable value collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 97,022,708	\$ -0-	\$ -0-	\$ 97,022,708
Self-directed brokerage accounts	15,808,245	2,127,276	-0-	17,935,520
Total assets in fair value hierarchy	\$ 112,830,953	\$ 2,127,276	\$ -0-	\$ 114,958,228
Stable value collective trust fund (a)				18,094,873
Cash				1,565,986
Total investments				\$ 134,619,087

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	118,022,529	\$ -0-	\$ -0-	\$ 118,022,529
Self-directed brokerage accounts	19,649,587	1,335,638	-0-	20,985,225
Total assets in fair value hierarchy	\$ 137,672,116	\$ 1,335,638	\$ -0-	\$ 139,007,754
Stable value collective trust fund (a)				17,094,712
Cash				2,322,994
Total investments				\$ 158,425,460

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts present in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice
Morely Stable Value Fund	\$ 18,094,873	None	Daily	12 months
December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice
Morely Stable Value Fund	\$ 17,094,712	None	Daily	12 months

5. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Empower Trust Company, LLC, the Plan's trustee, executes investments transactions under the direction of SWBC, which has been appointed as the Plan's investment manager. Prior to December 1, 2022, the Plan's trustee was Fifth Third Bank. Certain investments are also held by the trustee. Investments are also held at Fifth Third Bank and TD Ameritrade, Inc., the Plan's custodians.

Parties-in-interest are defined under the Department of Labor as any fiduciary of the Plan, any party rendering services to the Plan, the Company and certain others. Investment management fees are paid to SWBC Investment Advisory Services. Retirement Management Services, LLC provides compliance testing and certain administrative services to the Plan. Empower Retirement, LLC is the Plan's recordkeeper. Blue & Co., LLC is the independent auditor for the Plan. The aforementioned parties generally receive payment from the Company.

Certain members of the Profit Sharing Committee are active participants in the Plan.

6. PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

STOLL KEENON OGDEN PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

7. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated October 28, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

8. RISK AND UNCERTAINTIES

The Plan holds investments that are exposed to various risks, such as interest rate and credit risks, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in various risk factors will occur in the near term that could materially affect participants' account balances and the amounts reported in the accompanying financial statements.
