INDEPENDENT AUDITOR'S REPORT

Plan Administrator
DiamondBack Automotive Accessories, Inc.
401(k) Profit Sharing Plan and Trust
Philipsburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of DiamondBack Automotive Accessories, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the 2022 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Opinion on the 2022 Financial Statements (Continued)

- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matters

2022 Supplementary Schedule Required by ERISA

The supplementary schedule of Schedule H, Item 4i - Schedule of Assets Held for Investment Purposes as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2022 Supplementary Schedule Required by ERISA (Continued)

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compilation Report on the 2021 Financial Statements

Plan management is responsible for the accompanying Statement of Net Assets Available for Plan Benefits as of December 31, 2021, and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the December 31, 2021, financial statement information.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of DiamondBack Automotive Accessories, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) plan covering all eligible employees of DiamondBack Automotive Accessories, Inc. (Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was most recently amended and restated on October 31, 2022 to conform to regulatory requirements.

Eligibility: Employees must have completed three months of service to be eligible to participate in the Plan. The Plan has no age requirements for employees to participate. Participants are able to enroll in the plan immediately upon meeting service requirement. Newly eligible participants are enrolled automatically at a deferral rate of 3% unless they opt-out or elect a different amount.

Contributions: Participants may elect to make pretax or Roth contributions in an amount equal to a percentage from 0% and 92% of eligible compensation in increments of 1%. Amounts contributed to the Roth 401(k) will be subject to Federal income tax when made, but any earnings thereon will generally not be taxed upon distribution provided funds are not withdrawn within five years and other conditions are met. Participants age 50 or older may elect to defer additional "catch-up" amounts. Participants are automatically enrolled at a deferral rate of 3% of eligible compensation, which will auto-escalate by 1% each plan year up to a maximum deferral of 6%.

Employer profit-sharing contributions are discretionary and determined annually by the Board of Directors. The Company makes a minimum safe harbor contribution equal to 100% of employee deferrals up to 3%, then 50% match up to 5% of employee deferrals. The Plan allows rollover contributions from other qualified plans. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain annual limitations as determined by the Internal Revenue Code.

Participant Investment Options: Participants direct the investment of their individual account balances into a variety of investment fund options. Participants may change their investment options as often as they like.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) employer matching contributions, (b) other discretionary employer contributions and (c) an allocation of Plan earnings or losses and charged with an allocation of administrative expenses. Participants must be employed on the last day of the Plan year to share in any annual employer discretionary contribution. The Plan's earnings or losses are allocated according to the participant's relative account balance in the various investment options. The benefit to which a participant is entitled is the vested benefit in the participant's account.

Vesting: Participants are immediately vested in their account upon their effective date of participation.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Participant Loans: Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum loan equal to the lesser of \$50,000 or 50% of their vested account balance. The Plan permits only permitted one loan to be authorized at a time per participant. Loan terms may not exceed 4.5 years, unless taken out for the purchase of a primary residence. Interest rates on loans are fixed for the duration of the loan based on prime interest rate plus 1-percentage point. Loans must be repaid via payroll withholdings. Loans are secured by the vested balance in the participant's account.

Payment of Benefits: On termination of service, death, disability, or upon attaining age 59.5, a participant may elect to receive their vested benefits, generally as a lump sum distribution. Distributions may be delayed until benefits are requested or age 72, at which date required minimum distributions must be paid to the participant. Vested account balances less than \$5,000 at the distribution date will be automatically rolled over to an IRA selected by the Plan Administrator unless the participant consents to a lump sum distribution or other distribution. Hardship withdrawals based on demonstrated need are also permitted on a limited basis.

Administrative Expenses: Expenses incurred for the administration of the Plan are paid either by the Plan or by the Plan Sponsor.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements have been prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued interest. Delinquent loans are treated as distributions.

Payment of Benefits: Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Subsequent Events: In preparing these financial statements, the Plan Sponsor has evaluated events and transactions for potential recognition or disclosure through October 12, 2023, the date the financial statements were available to be issued. See Note 12.

Note 3. Information Certified by Custodian

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplementary Schedule H, Item 4i, Schedule of Assets Held for Investment Purposes, including investments held at December 31, 2022 and 2021 and net appreciation in fair value of investments and dividends for the year ended December 31, 2022 was obtained by management and agreed to information certified as complete and accurate by Mid Atlantic Trust Company (MATC), appointed as Custodian of the Plan.

Note 4. Investments and Fair Value Measurements

The Plan measures, on a recurring basis, its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification *Fair Value Measurement*, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that are accessible to the Plan. These generally provide the most reliable evidence and are used to measure fair value whenever available. |
| Level 2 | Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, which are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets in active markets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 4. Investments and Fair Value Measurements (Continued)

The inputs or methodology used for valuing investments are not an indication of the risk associated with investing in those securities.

The following is a description of valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies: Shares of registered investment companies are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

Cash: Interest bearing cash is valued daily based on the balance of funds held in the bank deposit account at closing, as reported by the financial institution. Interest earned is deposited as additional cash.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Investments at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total

Note 5. Related Party and Party-in-Interest Transactions

Plan investments held at December 31, 2022 and 2021, include shares of mutual funds managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company is the current Custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7. Tax Status

The Plan adopted a non-standardized pre-approved plan sponsored by Paychex, Inc. The non-standardized pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated August 31, 2020, as to the Plan's qualified status. The IRS has determined that the non-standardized pre-approved plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The non-standardized pre-approved plan opinion letter has been relied upon by this Plan. Although the Plan has since been amended, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Note 9. Form 5500 Reconciliation

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500 as of December 31, 2022 and 2021:

	2022	2021
Net assets available for plan benefits per the financial statements	\$ 3,344,825	\$ 3,108,662
Contributions receivable at December 31	(209,408)	(263,266)
Net assets available for plan benefits per Form 5500	<u>\$ 3,135,417</u>	<u>\$ 2,845,396</u>

The following is a reconciliation of participants' contributions per the financial statements to Form 5500 for the year ended December 31, 2022:

	Participant	Employer
Contributions per the financial statements	\$ 355,712	\$ 445,839
Contribution receivable at December 31, 2022	(12,437)	(196,971)
Contribution receivable at December 31, 2021	9,585	253,681
Contributions per Form 5500	<u>\$ 352,860</u>	<u>\$ 502,549</u>

Note 10. Subsequent Events

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE Act passing. Most of the provisions will become effective in 2024 and forward, therefore there is no current impact to the Plan. Since the provisions include both required and optional elements, management is evaluating the optional provisions to elect.

Effective July 31, 2023 the plan document was restated and Plan engaged Dunbar, Bender & Zapf, Inc. to act as third-party administrator of the Plan. Interns, part-time, seasonal, temporary, and leased employees were added to the plan documents as excluded classes and are thus no longer entitled to participate in the Plan.

Effective September 4, 2023, the Plan engaged Principal Trust Company to act as custodian of the Plan and ended the Plan's previous relationship with Paychex, Inc.. Participant balances were liquidated and remapped to similar investments offered by Principal Trust Company based on investment risk.
