## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the  
Iowa State Bank 401(k) Plan  
Orange City, Iowa 51041

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Iowa State Bank 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

### Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section –

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Iowa State Bank 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Iowa State Bank 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Iowa State Bank 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Iowa State Bank 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2022 Supplemental Schedule Required by ERISA**

**IOWA STATE BANK 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

---

**A. DESCRIPTION OF THE PLAN**

The following brief description of the Iowa State Bank 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all employees of Iowa State Bank (the Company) who are at least 21 years old and who have completed one year of service (minimum 1,000 hours of service). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees oversee governance of the Plan.

Participant Accounts. Each participant in the Plan has individual account balances representing their interest in the Plan. Additions to each account include 1) employee elective deferrals; 2) matching contributions; 3) investment income earned on each individual's account balance; and 4) forfeitures by employees who have left the Plan prior to becoming fully vested. Accounts are charged with an allocation of any administrative expenses paid by the Plan. Allocation occurs to participants on a pro rata basis based on their account balances. Forfeitures may be used by the Plan to pay Plan expenses, offset the employer's contribution, or may be reallocated to participant accounts. Investment income is added to each participant's account based on the investment performance of the fund in which the participant is invested. The Plan provides for all investments of employee elective deferrals, employer matching contributions and discretionary contributions to be self-directed by the participant. Participants are permitted to make rollover transfers from other qualified plans. Normal retirement age is the date the participant attains his/her 65<sup>th</sup> birthday. The participant can receive his/her account balance under the following methods: 1) lump-sum payment, 2) partial payments, 3) a series of substantially equal annual payments over a fixed period (i.e. fixed period installment), or 4) a specific dollar amount each year (i.e. fixed payment installment). At December 31, 2022 and 2021, benefits to be paid in a subsequent year for employees who have left the Plan totaled \$3,174,822 and \$2,852,644, respectively.

Contributions. Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Additionally, the Plan provides for voluntary after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a pooled separate account, and an insurance contract as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**A. DESCRIPTION OF THE PLAN (Continued)**

Contributions (Continued). Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested pre-tax in a designated model fund until changed by the participant. Contributions are subject to certain statutory limits. Contributions in excess of the statutory limits made during the year ended December 31, 2021 totaling \$2,418 were refunded as corrective distributions during 2022.

Matching Contributions. The employer makes discretionary matching contributions. For the year ended December 31, 2022, the matching contribution was equal to 5.5% of eligible compensation earned by participating employees during the Plan year. To receive the matching contribution, a participant must be active at December 31, unless he/she was active at any time during the year and terminated employment on account of death, disability, or the attainment of normal retirement age. The matching contribution percentage is based on a Board-approved formula.

Vesting. Participants are immediately vested in their elective deferrals plus actual earnings thereon. Participants become fully vested in their allocated matching and discretionary contributions after six years of service. To receive credit for a year of service, the participant must work 1,000 hours. However, the hours of service requirement is waived if the participant terminates employment on account of death, disability, or if the participant has attained normal retirement age.

Payment of Benefits. Any benefits provided by the Plan are paid from net assets available for benefits. The benefit to which a Plan member is entitled is the benefit (based on the Plan's vesting schedule) that can be provided by the contributions and income thereon allocated to such member's account. Upon disability, retirement, death or termination, the participant or beneficiary may elect to receive a lump-sum payment, partial payments, a series of substantially equal annual payments over a fixed period (i.e. fixed period installment), or a specific dollar amount each year (i.e. fixed payment installment). In the event an employee terminates participation in the Plan with a vested balance less than \$1,000, the vested balance is automatically distributed as a lump-sum payment. If the terminated participant's vested balance is between \$1,000–\$5,000, the participant has not reached age 65, and he/she does not complete a distribution request electing lump-sum or rollover, the balance is automatically rolled over into an Individual Retirement Account (IRA). In the event an employee terminates participation in the Plan, the non-vested contributions and allocated income are used by the Plan to pay Plan expenses, offset the employer's contribution, or are reallocated to participant accounts.

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, any adjustments necessary to properly reflect any unallocated funds (e.g., contributions, realized and unrealized gains and losses, etc.) since the last valuation date must be made. Any amounts then credited to the accounts of the participants shall become fully vested and non-

forfeitable. Distribution to participants of their account balances would then be made in a lump-sum as soon as practicable after the termination date.

*Forfeited Accounts.* Amounts forfeited may be used by the Plan to pay Plan expenses, offset the employer's contribution, or reallocated to participant accounts.

During 2022, participants and/or beneficiaries received the vested portion of their accounts. The remaining non-vested portion of \$7,256 was forfeited and will be used to pay Plan expenses, offset the employer's contribution, or reallocated to participant accounts in the subsequent Plan year. During 2022, prior year forfeitures totaling \$16,963 were used to pay Plan expenses.

A total of \$7,141 of unallocated assets were held by the Plan at December 31, 2022 and will be used to pay Plan expenses, offset the employer's contribution, or reallocated to participant accounts in the subsequent Plan year in accordance with Plan provisions.

A total of \$17,960 of unallocated assets were held by the Plan at December 31, 2021 and were used to pay Plan expenses during the current Plan year in accordance with Plan provisions.

*Investment Options.* A participant may direct account balances, regardless of source, to any of several stock mutual funds, bond mutual funds, balanced mutual funds, a pooled separate account, and an insurance contract. Participants may change their investment elections at any time directly via telephone or on-line.

*Discretionary Contributions.* Additional discretionary contributions to the Plan are at the discretion of the participating employer. Allocation of the contributions to the participant's accounts is made based upon eligible compensation while a participant in the Plan. No discretionary contribution was made for the year ended December 31, 2022.

*Plan Amendments.* The Plan was restated effective February 18, 2022 to implement the IRS Cycle 3 restatement provisions.

The Plan was amended effective July 1, 2021 to add Melvin Savings Bank as an adopting employer. The Plan was amended on December 4, 2021 to add Iowa Prairie Bank as an adopting employer.

*Recent Accounting Pronouncements.* There are no recent accounting pronouncements relevant to the operations of the Plan.

**B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**1. Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for the fully benefit-responsive investment contract. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

**2. Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**3. Administrative Expenses**

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receive compensation from the Plan. Audit fees are paid directly by the Plan Sponsor and are therefore excluded from these financial statements.

The Plan is charged an annual fee for recordkeeping services, which is a fixed fee based on a variety of factors including plan characteristics, selected services, and selected investment options. This fee is prorated out among the twelve months of the Plan year. These fees are accumulated in the Statement of Changes in Net Assets Available for Benefits.

**4. Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for discussion of fair value measurements. If available, quoted market prices are used to value investments.

The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses on investments bought and sold as well as held during the year and the unrealized appreciation (depreciation) on those investments. Investment-related

**4. Investment Valuation and Income Recognition (Continued)**

expenses are included in the net appreciation (depreciation) in the fair value of its investments.

Purchases and sales of securities are recorded on a trade-date basis. Investment income, net of related fees, is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Reinvested dividends in mutual funds have been included in the caption "Dividends" in the accompanying Statement of Changes in Net Assets Available for Benefits. Reinvested dividends amounted to \$317,942 for 2022.

**5. Payment of Benefits**

Benefits are recorded when paid.

**C. INVESTMENT CONTRACT WITH INSURANCE COMPANY**

In 2022 and 2021, the Plan offers a fully benefit-responsive investment contract with Principal Life Insurance Company. The investment contract is a guaranteed interest account provided through a group annuity contract. The relevant administering body maintains the contributions in an allocated account at that date. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

The guaranteed investment contract is presented on the face of the Statements of Net Assets Available for Benefits at contract value. Contract value, as reported to the Plan by the relevant administering body, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021 was \$4,560,236 and \$4,949,630, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, and was 2.05% and 1.65% at December 31, 2022 and 2021, respectively. Such interest rates are reviewed on a semi-annual basis for resetting.

**IOWA STATE BANK 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

---

**C. INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)**

Certain events might limit the ability of the Plan to transact at contract value with the relevant administering body. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (1) an uncured breach of the Plan's investment guidelines, (2) a violation of a material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the contract without the issuer's consent. The Plan administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

**D. TAX STATUS**

The Plan is designed to be in compliance with the provisions of the Employee Retirement Income Security Act of 1974 and related regulations. The United States Treasury Department has advised that the Plan and any amendments thereto constitutes a qualified trust under Section 401(a) of the Internal Revenue Code and is therefore exempt from Federal income taxes under the provisions of Section 501(a).

The Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believes that the Plan is qualified. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has no federal or state tax examinations currently in process. As required by accounting principles generally accepted in the United States of America, management has evaluated the Plan's tax positions and concluded that the Plan had taken no uncertain tax positions that would require recognition in the financial statements.

**E. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments and dividends and interest for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal Trust Company (the trustee of the Plan). Accordingly, Principal Trust Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

**F. FAIR VALUE MEASUREMENTS**

A framework for measuring fair value has been established which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**F. FAIR VALUE MEASUREMENTS (Continued)**

**Level 2:** Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Pooled Separate Account:* Valued at the net asset value ("NAV") of shares held by the Plan at year-end. These funds are required to publish their NAV and to transact at that price.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

| Total Investments at Fair Value | \$ 12,830,461  | \$ -           | \$ -           | \$ 12,830,461 |

The total fair value of investments for which the NAV is used as the valuation input was \$1,539,258 and \$1,605,455 at December 31, 2022 and 2021, respectively.

The Plan's policy is to recognize transfers into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the Plan years ended December 31, 2022 and 2021, there were no transfers into or out of Level 3.

**G. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**H. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

The Plan receives custodial services from Principal Life Insurance Company (Principal), the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to Principal for recordkeeping fees of \$68,734 during 2022. Indirect compensation totaling \$29,371 was paid to Cetera Advisor Networks LLC for brokerage services. These amounts were included as a reduction of the return earned on these funds. Certain administrative fees related to the administration of the Plan were paid by the employer. These transactions also qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA.
