Independent Auditor's Report

Investment Committee and Participants
Minnesota Twins Profit Sharing/401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Minnesota Twins Profit Sharing/401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i—schedule of assets (held at year end) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Minnesota Twins Profit Sharing/401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following is not a comprehensive description of Minnesota Twins Profit Sharing/401(k) Plan (the Plan) and, therefore, does not include all situations and limitations covered by the Plan. Participants should refer to the Plan document for more complete information.

General: The Minnesota Twins (the Club) established the Plan to enable its employees to add to their retirement financial security. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan operations: The Club is the Plan Sponsor. The trustee and custodian are responsible for the holding of the assets of the Plan, executing asset transactions, making disbursements to participants, and providing the Plan Sponsor with a list of the Plan's assets and changes in asset at the end of each year.

Eligibility: Substantially all employees who have attained age 21 and completed three months of service are eligible to participate in the Plan. Employees are eligible to participate in the Plan on the first day of the payroll period after meeting the requirements.

Contributions: The Plan allows eligible participants to make pretax and Roth contributions to the Plan for their own benefit. Pretax contributions are limited to 75% of the participant's compensation, as defined, up to the maximum permitted by law. The Club may make discretionary matching contributions. For pension-eligible employees, discretionary matching contributions are equal to 50% of the first \$4,000 of a participant's elective deferrals with a maximum matching contribution of \$2,000. For non-pension-eligible employees, discretionary matching contributions are 100% matched up to 3% of a participant's elective deferrals. The Club made discretionary matching contributions of \$670,038 for the year ended December 31, 2022. The Club may also make discretionary profit-sharing contributions. To qualify for the discretionary profit-sharing contributions, the participants must not be participating in the Minnesota Twins Pension Plan. The Club made discretionary profit-sharing contributions of \$749,807 for the year ended December 31, 2022.

Participant accounts: Each participant's account is credited with the participant's contributions and Club discretionary matching contributions, if any, as well as allocations of the Club's discretionary profit-sharing contributions, if any, and investment results. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: Participants may allocate their contributions in a variety of investment choices, as more fully described in the Plan's literature. All choices vary in types of investments, rates of return and investment risk. Participants may elect at any time to have all or part of their account balances transferred from one investment choice to another or in any combination.

Vesting: Participants are immediately vested in their contributions and Club discretionary matching contributions, plus actual earnings thereon. Vesting in the Club discretionary profit-sharing contributions is based on years of credited service. Participants vest gradually and are 100% vested after six years of credited service.

Forfeited accounts: Forfeited nonvested accounts are used to reduce administrative expenses, restore participant accounts or fund future Club contributions. The Plan utilized forfeitures of \$50,259 to pay administrative expenses for the year ended December 31, 2022. Forfeited nonvested accounts as of December 31, 2022 and 2021, totaled \$83,018 and \$50,080, respectively.

Minnesota Twins Profit Sharing/401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Notes receivable from participants: Participants may borrow from their Plan account a minimum of \$1,000 up to a maximum of 50% of their account balance, not to exceed \$50,000. A participant note repayment term cannot exceed five years, other than a home purchase note, which cannot exceed 15 years. Interest on such notes is fixed at the prime rate plus 1% at the time of note origination. At December 31, 2022, note maturities were through August 2030. Principal and interest are paid ratably through monthly payroll deductions.

Benefit payments: Plan participants are entitled to receive distributions from their accounts if they retire at or after reaching age 59½. Upon termination of employment, including permanent disability or death, participants or their beneficiaries are entitled to receive their vested account balance determined at the most recent valuation date. Plan participants may also be entitled to receive the full amount of their pretax 401(k) or Roth 401(k) accounts if the participant can demonstrate hardship, as defined in the Plan.

Plan termination: Although it has not expressed any intention to do so, the Club reserves the right to amend or terminate the Plan at any time, subject to the provisions of ERISA. Termination shall become effective upon receipt by the trustee and custodian of a written instrument of termination signed by the Club or a duly authorized representative thereof. At that time, participants would become 100% vested in the Club discretionary profit-sharing contribution portion of the accounts and the assets of the Plan will be distributed in accordance with Plan provisions.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors, trustee and insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Benefit payments: Benefit payments are recorded when paid.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Minnesota Twins Profit Sharing/401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year).

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Club and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

The trustee and Plan Sponsor have entered into an agreement where the trustee is to pay to the Plan, on a quarterly basis, a revenue credit which is determined by multiplying the Plan's average daily balance in each of the Plan's investment options for the quarter by the annual rate as reflected in the agreement. Revenue credits of \$95,196 are reported net of administrative expenses of \$92,352 creating net revenue to the Plan of \$2,844 which is included in other income in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

Risks and uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2022 statement of net assets available for benefits.

Subsequent events: The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by the Custodian and Trustee

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (formerly known as Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC), the custodian and the trustee, respectively. The Plan Administrator has obtained certifications from the custodian and trustee that the information provided to the Plan Administrator by the custodian and trustee relating to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule relating to the following assets:

	December 31	
	2022	2021
Registered investment companies, at fair value	\$ 27,532,088	\$ 52,183,532
Collective trust funds, at fair value	14,770,375	720,931
Fully benefit-responsive investment contract, at contract value	1,914,128	1,199,507
Total investments, at fair value	<u>\$ 44,216,591</u>	<u>\$ 54,103,970</u>
Notes receivable from participants	<u>\$ 83,230</u>	<u>\$ 92,215</u>

Minnesota Twins Profit Sharing/401(k) Plan

Notes to Financial Statements

Note 3. Information Certified or Provided by the Custodian and Trustee (Continued)

The custodian and trustee certified to the completeness and accuracy of \$12,335,680 of net depreciation in fair value of investments, \$1,209,322 of interest and dividend income related to the aforementioned investments, other income of \$48,053 and \$4,488 of interest income on notes receivable from participants for the year ended December 31, 2022.

Note 4. Fair Value Measurements

Accounting standards established the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies: Registered investment companies are valued at the quoted market price of shares held by the Plan at year-end in the active market on which the individual securities are traded.

Collective trust funds: The collective trust funds are valued at the net asset value (NAV) as reported by the investment manager at year-end. The fund's underlying assets consist of investment contracts and security-backed contracts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

Minnesota Twins Profit Sharing/401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The methods described above may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets, at fair value, as of December 31, 2022 and 2021:

Investment Assets as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Registered investment companies	\$ 27,532,088	\$ -	\$ -	\$ 27,532,088
Investments, at net asset value:				
Collective trust funds (a)				14,770,375
				<u>\$ 42,302,463</u>
Investment Assets as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Registered investment companies	\$ 52,183,532	\$ -	\$ -	\$ 52,183,532
Investments, at net asset value:				
Collective trust funds (a)				720,931
				<u>\$ 52,904,463</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV or its equivalent have not been classified in the fair value hierarchy. The fair value amounts in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefit.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value as of December 31		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2022	2021			
Collective trust funds	\$ 14,770,375	\$ 720,931	N/A	Daily	None

Minnesota Twins Profit Sharing/401(k) Plan

Notes to Financial Statements

Note 5. Fully Benefit-Responsive Investment Contract

The Plan has invested in a Prudential Guaranteed Investment Contract. The fund is credited with interest using a single portfolio rate approach. Withdrawals can be made at contract value at any time for the purpose of participant withdrawals or benefit payments. Prudential is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.50%. The crediting rate is reviewed on a semiannual basis for resetting. The contract does not have a stated maturity date. The fund is included in the financial statement at contract value, as it is fully benefit-responsive, as reported to the Plan by Prudential.

Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The Plan held \$1,914,128 and \$1,199,507 of traditional contracts at contract value at December 31, 2022 and 2021, respectively.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Generally, there are not any events that could limit the ability of the Plan to transact at contract value. In addition, there are generally not any events that allow the issuer to terminate the contract or require the Plan to settle at an amount different than contract value.

Note 6. Income Tax Status

The Plan adopted a non-standardized pre-approved plan sponsored by Empower Retirement LLC. Empower Retirement LLC has received an opinion letter, dated November 14, 2022, from the Internal Revenue Service (IRS), as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Club and Plan Administrator believes the Plan is designed and being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of registered investment companies managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC the custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included as an offset to net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Club pays directly any other fees related to the Plan's operations.
