INDEPENDENT AUDITOR'S REPORT

To SSW Retirement Savings Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of SSW Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are [available to be issued].

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and supplemental schedule of delinquent participant contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SSW RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

1. DESCRIPTION OF THE PLAN

General—The following description of SSW Retirement Savings Plan (the “Plan”). is provided for general information purposes only. Participants should refer to the Plan document for more information about the Plan.

SSW Advanced Technologies, LLC, is the Plan administrator. The Plan is available to qualifying employees of Straits Steel and Wire LLC; Southern Steel & Wire, LLC; Collis, LLC; Alabama Wire Products, LLC; Tatano Wire Products, LLC; American Appliance Products, LLC; and SSW Premier, LLC (collectively, the “Company”). The Plan is subject to the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is a defined contribution retirement plan established effective January 1, 1997. Eligibility to participate in the Plan and to receive Company contributions varies by entity within the Company, as well as the union and nonunion status of the employee.

Trustee—Reliance Trust Company serves as trustee of the Plan. Empower Trust Company, LLC was the trustee of the non-interest bearing cash as of December 31, 2022.

Contributions—Participants may contribute to the Plan an amount not to exceed 80% of their annual compensation, subject to certain limitations and collective bargaining agreements. The Company matches a portion of participant contributions. This match also varies by entity and collective bargaining agreement. Participants should refer to the Plan document for Company match percentages. The Plan also provides for an additional annual Company discretionary contribution that is determined by those charged with governance and applicable collective bargaining agreements. Additional amounts may be contributed at the discretion of the Company’s board of directors. No such additional discretionary contributions were made for the year ended December 31, 2022.

Participant Accounts—Individual accounts are maintained for each participant of the Plan. Each participant’s account is credited with the participant’s contribution, the Company’s matching contributions, as well as Plan earnings. The participant accounts are also charged with withdrawals and an allocation of Plan losses and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment of Plan Assets—Participants direct the investment of their contributions and any Company contributions into various investment options offered by the Plan. The Plan currently offers mutual fund investment options, a stable value fund option, and a self-directed brokerage account (SDBA) option.

Vesting—Participants are immediately vested in their account balances maintained under the Plan.

Notes Receivables from Participants—The Plan provides loans to participants, limited to the lesser of \$50,000 or 50% of the amount of the respective participants' vested accounts, with a minimum loan amount of \$1,000. A loan to a participant is secured by the balance in the participant's account and bears interest at rate equal to 1% over the prime lending rate published in The Wall Street Journal on the date of the loan. Loans are repaid through payroll deductions over a period of five years or less.

Distributions and Withdrawals—A participant is eligible to receive a distribution from the Plan of his or her total vested account balance when one of the following events occurs: (1) death, (2) total disability, (3) termination of employment, (4) in-service withdrawal at age 59 1/2, (5) attainment of the required minimum distribution age, or (6) hardship withdrawals as defined in the Plan document. Most participants receive a single lump-sum payment; however, certain participants may elect to receive the benefit in installment payments.

Transfers—The Plan was amended to allow for the merger of the Gemtron Corporation Profit Sharing Plan effective December 31, 2022. As a result, non-interest bearing cash of \$37,801,724 was transferred to the Plan during the year ended December 31, 2022. Empower Trust Company, LLC was the trustee of the non-interest bearing cash as of December 31, 2022. The cash was invested in the Plan's investments in 2023 as directed by the participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate fluctuations, credit risk, and overall market risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted. Plan management adopted and implemented certain provisions of the CARES Act and as a result, participants impacted by COVID-19 were able to:

- Withdraw, penalty free, up to \$100,000 of vested account balances through December 31, 2020.
- Defer current active loan payments for the 2020 plan year.
- Take new loans up to \$100,000 of vested account balances before September 22, 2020.
- Suspend 2020 required minimum distributions ("RMD") altogether or for RMD distributions made prior to the enactment of the CARES Act, roll them over to another eligible retirement plan within the prescribed timeframe according to IRS notice 2020-03.

Plan management amended the Plan to reflect these provisions during 2022.

Investment Valuation and Income Recognition—The Plan’s investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. Mutual fund investments are stated at fair value, which is measured by quoted market prices in active markets. The Plan also offers a SDBA, which is composed of common stocks and mutual funds. The common stocks and the mutual funds are valued at the daily closing price that is reported in an active market.

The J.P. Morgan stable value fund (the “Fund”) is a collective trust fund sponsored by J.P. Morgan. The beneficial interest of each participant is represented by units. Units are issued and redeemed daily at the Fund’s constant net asset value (NAV) of \$1 per unit. Distributions to the Fund’s unit holders are declared daily from the net investment income and automatically reinvested in the Fund on a monthly basis, when paid. It is the policy of the Fund to use its best efforts to maintain a stable NAV of \$1 per unit, although there is no guarantee that the Fund will be able to maintain this value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and the stable value fund are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments. The operating expenses for the SDBA are charged directly to the participant accounts on a quarterly basis and are shown separately as administrative expenses in the statement of changes in net assets available for plan benefits.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Administrative Expenses—Administrative expenses of the Plan are paid by the Plan, unless the Company chooses to pay such administrative expenses. Participants pay administrative costs for loans, distributions and qualified domestic relation orders.

Payment of Benefits—Benefits are recorded upon distribution. As of December 31, 2022 and 2021, there were no account balances pertaining to persons who had elected to withdraw from the Plan, but had not yet been paid.

Excess Contributions Payable—The Plan is required to return contributions received during the Plan year in excess of Internal Revenue Code (IRC) limits. There were no excess contributions payable as of December 31, 2022 and 2021.

3. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market, but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques—Valuation methodologies used by the Plan maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual Funds—Mutual funds are valued at their daily closing prices, as reported by each fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are recorded based on quoted market prices in an active market.

Stable Value Fund—The Fund is valued at the NAV of the units of the bank collective trust. The NAV, as provided by the issuer of the Fund, is used as a practical expedient to estimate fair value. The NAV is based on the contract value of the underlying investments held by the Fund, less its liabilities.

Self-Directed Brokerage Account—The Plan offers an SDBA for Plan participants. As of December 31, 2022 and 2021, the SDBA is composed of interest-bearing cash, publicly traded common stocks and mutual funds. Common stocks are based on quoted market prices in an active market.

At December 31, 2022, the following table sets forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a basis:

	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 19,378,343	\$ -	\$ -	\$ 19,378,343
Self-directed brokerage account	<u>1,387,570</u>	<u>-</u>	<u>-</u>	<u>1,387,570</u>
Total assets in the fair value hierarchy	<u>\$ 20,765,913</u>	<u>\$ -</u>	<u>\$ -</u>	<u>20,765,913</u>
Collective trust fund ⁽¹⁾				<u>2,368,322</u>
Total Plan investments				<u>\$ 23,134,235</u>

At December 31, 2021, the following table sets forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a basis:

	Fair Value Measurements at December 31, 2021, Using			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Mutual funds	\$ 24,530,004	\$ -	\$ -	\$ 24,530,004
Self-directed brokerage account	<u>1,313,676</u>	<u> </u>	<u> </u>	<u>1,313,676</u>
Total assets in the fair value hierarchy	<u>\$ 25,843,680</u>	<u>\$ -</u>	<u>\$ -</u>	<u>25,843,680</u>
Collective trust fund ⁽¹⁾				<u>2,004,599</u>
Total Plan investments				<u>\$ 27,848,279</u>

⁽¹⁾ This class represents investments in the Fund that invests primarily in guaranteed investment contracts, separate account contracts, fixed income securities, wrapped contracts, and short-term investments. Stable Value Fund units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by the Plan. There were no unfunded commitments with this class.

4. STABLE VALUE FUND

The Fund is a comingled pension trust fund sponsored by J.P. Morgan. The beneficial interest of each participant is represented by units. The Fund's primary goal is to seek current income, while maintaining stability of the invested principal.

Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the Fund, plus earnings, less participant withdrawals and administrative expenses. The Fund has no restrictions or notice periods with respect to redemptions and no unfunded commitments. The Fund itself may be subject to circumstances that affect its ability to transact at contract value, such as a complete or partial termination of the Plan or its merger with another plan or a failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Plan management believes that the occurrence of events that would cause the stable value fund to transact at less than contract value is not probable.

The Plan uses NAV as a practical expedient to determine the fair value of the Fund. The NAV for the Fund reflects contract value for the fully benefit-responsive investment contracts held by the Fund.

The Fund invests primarily in guaranteed investment contracts, separate account contracts, fixed income securities, wrapped contracts, and short-term investments. All investment contracts purchased by the Fund are benefit responsive. The Fund also invests in other commingled trust funds managed by J.P. Morgan.

5. EXEMPT PARTIES-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts.

Certain Plan investments are shares of mutual funds and a collective trust fund managed by J.P. Morgan, the recordkeeper, as defined by the Plan. Fees paid for investment management services were included as a reduction of the return earned on each fund. As of December 31, 2022 and 2021, the Plan held investments in such securities for \$7,705,760 and \$8,172,801, respectively.

Additionally, certain investments in the SDBA are shares of Charles Schwab mutual funds, the custodian of the SDBA. Therefore, these transactions qualify as exempt party-in-interest transactions. As of the December 31, 2022 and 2021, the Plan held investments in such securities for \$747,233 and \$0, respectively.

6. NON-EXEMPT PARTY-IN-INTEREST TRANSACTIONS

During 2022, the Company failed to timely remit certain loan repayments to the Plan aggregating to \$412. The Company has subsequently remitted the loan repayments that were not timely remitted and will provide the participant's with loss earnings. The Company will file Form 5330 with the IRS and pay the required excise tax on the transaction.

7. FEDERAL INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 1, 2017 (the "determination letter"), that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receiving the determination letter. However, the Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and that the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The following is a summary of the information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedules, that was prepared or derived from information prepared by the trustee of the

Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications that such information is complete and accurate.

Note 3—All investment balances and information, excluding the level of investments and SDBA amounts and information

9. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions set forth in ERISA.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued. There were no items that required recording or disclosure except that the Plan’s Adoption Agreement was restated effective January 1, 2023.
